Better Just Got Bigger: Papa Johns Canada Introduces New 16-Inch XL Pizza

More of what Papa Johns does best, now in a bigger size for just $19.99

EDMONTON, Alberta, Nov. 02, 2026 (GLOBE NEWSWIRE) -- Bigger is officially better at Papa Johns Canada. Beginning today, the brand is introducing its new 16-inch XL Pizza, bringing more of the flavour Canadians love in a size that lives up to its name.

At a full 16 inches, the new XL Pizza delivers big on flavour and quality. Made with fresh, never-frozen original dough, real cheese made from mozzarella, and signature pizza sauce made from vine-ripened tomatoes, it's everything customers crave about Papa Johns, just bigger.

"There's a reason we're calling it XL. At 16 inches, it's a seriously big pizza," said Scott Lewis, General Manager, International Markets – Canada, at Papa Johns. "We wanted to give Canadians more of what they already love, and that's exactly what we've done. It's a great addition to our menu, and we're excited to give customers another reason to order."

For a limited time, Canadians can enjoy a 16-inch XL one-topping pizza for just $19.99 at participating Papa Johns restaurants nationwide. The offer is available from November 2, 2026, through January 3, 2027.

Customers can order through the Papa Johns app or online at papajohns.ca.
