The Double Cheeseburger Pizza and Double Cheeseburger Papadia feature a huge portion of seasoned beef, melty cheese, zesty pickles and signature burger sauce, all held together by Papa John's fresh, never-frozen, six-ingredient dough.

"Our Double Cheeseburger Pizza is a limited-time product we first introduced five years ago and has inspired a big fan following. Now, Americans who love cheeseburgers can enjoy the flavors they crave both in our popular pizza, as well as a Papadia version," said Tom Smith, Papa John's director of culinary innovation. "The new Double Cheeseburger Papadia tastes like a cheeseburger wrapped in Papa John's signature pizza dough. We're confident that we can satisfy even the most discerning cheeseburger lover."

The new Double Cheeseburger Papadia is Papa John's meatiest Papadia to-date, designed to highlight the flavors loved from the burger-eating experience. This flatbread-style sandwich features a quarter pound of seasoned beef with savory, crunchy dill pickles and melty cheese baked to a toasty perfection. The Double Cheeseburger Papadia is served with Papa John's signature burger dipping sauce for a maximum flavor experience.
