PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 21, 1998

GENERAL INFORMATION

This Proxy Statement and accompanying proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Papa John's International, Inc., a Delaware corporation (the "Company"), to be voted at the Company's Annual Meeting of Stockholders (the "Annual Meeting") and any adjournments thereof. The Annual Meeting will be held at the Hyatt Regency Hotel, 320 West Jefferson Street, Louisville, Kentucky on Thursday, May 21, 1998, at 11:00 a.m. (E.D.T.) for the purposes set forth in this Proxy Statement and the accompanying Notice of Annual Meeting. This Proxy Statement and accompanying proxy card are first being mailed to stockholders on or about April 10, 1998.

A stockholder signing and returning a proxy has the power to revoke it at any time before the shares subject to it are voted by (i) notifying the Secretary of the Company in writing of such revocation, (ii) filing a duly executed proxy bearing a later date or (iii) attending the Annual Meeting and voting in person. If a proxy is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the proxy will be voted FOR the nominees for director named in the Proxy Statement, FOR the amendment to the 1993 Stock Ownership Incentive Plan, FOR the ratification of Ernst & Young LLP as the Company's independent auditors for the 1998 fiscal year and in the discretion of proxy holders on such other business as may properly come before the Annual Meeting.

The original solicitation of proxies by mail may be supplemented by telephone and other means of communication and through personal solicitation by officers, directors and other employees of the Company, at no compensation. Proxy materials are being distributed by Corporate Investor Communications, Inc. for a fee of approximately \$1,500. Proxy materials will also be distributed through brokers, custodians and other like parties to the beneficial owners of the Company's Common Stock, par value \$.01 per share (the "Common Stock"), and the Company will reimburse such parties for their reasonable out-of-pocket and clerical expenses incurred in connection therewith.

RECORD DATE AND VOTING SECURITIES

The Board has fixed the record date (the "Record Date") for the Annual Meeting as the close of business on March 27, 1998, and all holders of record of

Common Stock on this date are entitled to receive notice of and to vote at the Annual Meeting and any adjournment thereof. A list of stockholders entitled to vote at the Annual Meeting will be available for inspection by any stockholder for any purpose reasonably related to the Annual Meeting for a period of ten days prior to the Annual Meeting at the Company's principal executive offices at 11492 Bluegrass Parkway, Louisville, Kentucky. At the Record Date, there were 29,222,630 shares of Common Stock outstanding. For each share of Common Stock held on the Record Date, a stockholder is entitled to one vote on each matter to be considered at the Annual Meeting. A majority of the outstanding shares present in person or by proxy is required to constitute a quorum to transact business at the meeting.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspectors of election appointed for the meeting, who also will determine whether a quorum exists. Abstentions or "withheld" votes will be treated as present and entitled to vote for purposes of determining a quorum, but as unvoted for purposes of determining the approval of matters submitted to the stockholders. Since Delaware law treats only those shares voted "for" a matter as affirmative votes, abstentions or withheld votes will have the same effect as negative votes or votes "against" a particular matter. If a broker indicates that it does not have discretionary authority as to certain shares to vote on a particular matter, such shares will not be considered as present and entitled to vote with respect to that matter.

Employment Agreement

Wade Oney serves as Chief Operating Officer pursuant to an Employment Agreement with the Company dated October 9, 1997 (the "Employment Agreement"). Upon agreeing to extend his employment through 1998, Mr. Oney was granted an option to purchase 150,000 shares of Common Stock at \$27.00 per share exercisable in two installments at June 28, 1998 and December 27, 1998. Mr. Oney is paid an annual salary of \$150,000. In addition, Mr. Oney is eligible to earn an annual bonus of up to \$100,000. The term of the Employment Agreement expires December 27, 1998.

Prior to his promotion to Chief Operating Officer, entities in which Mr. Oney owned an equity interest were awarded franchise and development rights to develop a total of 29 Papa John's restaurants in Orlando, Tampa and Southeast Florida. See "Compensation Committee Interlocks and Insider Participation -- Franchise and Development Arrangements." Under the terms of the Employment Agreement, the Company has loaned one such franchise entity \$776,198 at 8.25% interest, and this loan is personally guaranteed by Mr. Oney. Such loan must be used solely for the development and operation of Papa John's restaurants.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following report includes a discussion of the Compensation Committee's philosophy on executive compensation, the primary components of the Company's compensation program and a description of the Chief Executive Officer's compensation package during 1997.

Compensation Principles. The Compensation Committee is responsible for advising the Board of Directors on matters relating to the compensation of the Company's executive officers and administering the Company's 1993 Stock Ownership Incentive Plan (the "Incentive Plan"). The Compensation Committee believes the following principles are important in compensating executive officers:

- . Compensation awarded by the Company should be effective in attracting, motivating and retaining key executives;
- . Incentive compensation should be awarded based on the achievement of growth or operational targets at the Company, its subsidiaries or restaurants, as appropriate to the executive officer; and
- . Executive officers should have an equity interest in the Company to encourage them to manage the Company for the long-term benefit of stockholders.

The Company's executive officers are compensated through a combination of salary, cash bonuses and stock option awards under the Incentive Plan, each of which is discussed below.

Annual Salary. The Committee reviews salary levels on an annual basis with the Chief Executive Officer and the Company's other senior managers, and makes adjustments as appropriate or necessary to keep employees motivated. Mr. Oney's Employment Agreement is also reviewed annually. The Committee gives great weight to the Chief Executive Officer's recommendations as to annual salary levels of the Company's executive officers.

Bonus Program. During 1997, certain officers and employees within the Company's restaurant operations, commissary and equipment areas, including several executive officers, were eligible to receive bonuses based on the attainment of operational goals during the fiscal year. The operational goals include targeted sales and profits at the restaurant or commissary level, or on a Company-wide basis, depending upon the employee's position, or the opening of a targeted number of Company-owned or franchised restaurants. The Board retains

discretion to award bonuses in excess of the pre-determined maximum if growth or performance is exceptional and results from the efforts of the officer or employee. Other officers received discretionary cash bonuses based upon a review of performance by his or her supervisor or, in the case of executive officers, the Committee.

Incentive Plan Awards. In late 1995, the Compensation Committee and Board of Directors established a new stock option program (the "1996 Program") designed to replace the cash bonus program previously used with the award of options for the majority of the Company's executive officers. Under the 1996 Program, options (ranging from 5,000 to 100,000 shares) were awarded to executive officers under the Incentive Plan during the 1997 fiscal year. Other officers and management personnel were awarded options with the number of options determined by dividing the closing price of the Common Stock on the award date into the officer's annual salary, multiplied from one and one-half to up to five times. The options vest in four annual installments with respect to 10%, 20%, 30% and 40% of the option amount. In addition, options to purchase 189,533 shares were granted to Mr. Oney under the Incentive Plan pursuant to his employment agreement with the Company for 1997. Mr. Oney was also granted an option to purchase 150,000 shares pursuant to his Employment Agreement for 1998, but outside of the

-11-

Incentive Plan. Such options vest in six months from the date of grant with respect to 100% of the option amount. The Company believes that these grants will garner the commitment and service of key management personnel by allowing these employees to share substantially in the appreciation and value of the Company's Common Stock. All other staff employees who had been employed by the Company at least one year at the end of 1997 were also awarded stock options at fair market value with the number of options based on lower multiples of salary.

The Committee believes that stock options and other equity-based incentives are a valuable tool in encouraging executive officers and other employees to align their interests with the interests of the stockholders and to manage the Company for the long-term. Non-qualified options to purchase 619,533 shares of the Company's Common stock were granted under the Incentive Plan to all executive officers (including the Company's Chief Executive Officer) in 1997, with an exercise price equal to the fair market value of the underlying Common Stock on the date of grant.

Compensation of Chief Executive Officer. Consistent with the compensation policies and components described above, the Compensation Committee determined the salary, bonus and stock options received by John H. Schnatter, Founder, Chairman and Chief Executive Officer of the Company, for services rendered in 1997. Mr. Schnatter received a base salary of \$217,307 for 1997. On December 17, 1997, Mr. Schnatter also received non-qualified options to purchase 100,000 shares of the Company's Common Stock pursuant to the 1996 Program described above. He did not receive a cash bonus during 1997.

OBRA Deductibility Limitation. The Omnibus Budget Reconciliation Act of 1993 limits the deduction by public companies of compensation of certain executive officers to \$1 million per year, per executive officer, unless certain criteria are met. Executive compensation in 1997 did not exceed this limit. The Committee continues to review issues relating to this compensation deduction limitation.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Immediately prior to its initial public offering of Common Stock in June 1993, the Company's Board of Directors adopted a policy requiring that all future transactions with affiliates be on terms comparable to those that the Company could obtain from unaffiliated third parties. In addition, the policy requires that all such transactions be approved by a majority of the members of the Board who are not officers or employees of the Company and who do not have an interest in the transaction.

All of the current members of the Compensation Committee, Messrs. Gaunce, Laughery and Sherman, are franchisees of the Company. In addition, Mr. Sherman provides consulting services to the Company pursuant to a consulting agreement, as hereinafter described. Set forth below is a description of transactions during the Company's last fiscal year involving these directors, as well as other directors and executive officers of the Company.

Franchise and Development Arrangements

Prior to the Company's initial public offering of Common Stock in June 1993, certain executive officers and directors of the Company acquired equity interests in entities that were franchisees of the Company and that had rights to develop Papa John's restaurants. Certain of the entities acquired development rights at reduced development fees and also pay a reduced franchise fee when each restaurant is opened. However, such entities pay royalties at the same rate as other franchisees. The Company has entered into additional franchise and development agreements with non-employee directors and executive officers of the Company and entities in which they have an equity interest, and may continue to do so in the future. It is expected that any such arrangements will be on terms no more favorable than with independent third parties.

Set forth below is a description of franchise and development arrangements between the Company and entities in which the Company's executive officers and directors, as well as their immediate family members, have an equity interest as of the end of the fiscal year or prior to an acquisition of the entity, and the amount of franchise fees, development fees and royalties earned by or paid to the Company from such entities during the last fiscal year. Such entities also purchase various food and other products from the Company's commissary system and may purchase the equipment and other items needed to open a Papa John's restaurant from the Company. All such purchases and sales are made on terms and at rates identical to those that may be obtained from the Company by an independent franchisee.

During December 1997, the Company acquired a 49% equity ownership interest in Mountain Pizza Group, L.L.C. ("MPG"), an entity which operates seven Papa John's restaurants in Denver, Colorado, for \$150,000 in cash. The 49% equity ownership interest was acquired from Blaine E. Hurst, who remains the 51% majority owner of MPG.

PJ America, Inc. Stock Warrant

PJ America, Inc., Papa John's largest franchisee ("PJ America"), completed an initial public offering of its common stock ("IPO") effective October 25, 1996. In connection with the IPO, PJ America issued a warrant to purchase 225,000 shares of its common stock to the Company. The warrant is exercisable in whole or in part at any time within five years from the closing date of the IPO, and the purchase price of each share of PJ America common stock pursuant to the warrant is \$11.25 per share (90% of the IPO price of \$12.50 per share). The warrant was issued by PJ America to the Company in consideration for the grant by the Company of rights to enter into development agreements for certain specified territories and the waiver by the Company of certain market transfer fees. The Company's agreement with PJ America anticipates that PJ America will pay standard development and franchise fees in connection with opening restaurants in the specified territories. In addition to his ownership interest as

-16-

set out above, Mr. Sherman is Chairman of the Board of PJ America. Charles Schnatter is also a director of PJ America.

Franchisee Loan Program

The Company has established a program under which selected franchisees may borrow funds for use in the construction and development of their restaurants from Capital Delivery, Ltd., a wholly-owned subsidiary of the Company. Such loans bear interest at fixed or floating rates (ranging from 5.5% to 10.0% at December 28, 1997), and are generally secured by the fixtures, equipment, signage and, where applicable, land of each restaurant, the ownership interests in the franchisee and, in certain circumstances, guarantees of the franchisee owners. Under the terms of the applicable loan agreement, interest only is payable over the term of the loan, generally 12 to 24 months. Thereafter, if the loan is not in default, the franchisee may convert the loan to a term loan with principal and interest payable monthly, amortized over a four- to six-year term.

Set forth below is a description of franchise loan transactions between Capital Delivery, Ltd. and entities in which the Company's executive officers and directors, as well as their immediate family members, have an equity interest, the amount outstanding as of February 18, 1998, and the rate of interest paid on such loans as of February 18, 1998. The amount outstanding as of February 18, 1998 is equal to the largest aggregate amount of indebtedness of each entity under the franchisee loan program since the beginning of the Company's last fiscal year.

Consulting Agreement

The Company and Mr. Sherman are parties to a Consulting Agreement dated March 29, 1991, as amended (the "Consulting Agreement"), pursuant to which the Company pays Mr. Sherman a monthly consulting fee of \$5,000 and provides him with group health insurance. The total amount paid to Mr. Sherman in 1997 under the Consulting Agreement was \$60,000, and the value of group health benefits provided to Mr. Sherman in 1997 was \$3,510. Mr. Sherman is also entitled to compensation at a rate of \$157 per hour for each hour of consulting service provided in excess of 30 hours per month. Under the Consulting Agreement, Mr. Sherman was awarded an option on April 1, 1991, to purchase 617,873 shares

-17-

of Common Stock at an exercise price of \$0.05 per share. The option has been exercised. After termination of the Consulting Agreement, Mr. Sherman has agreed not to compete with the Company in any capacity for a period of 12 months, and in any business that offers pizza on a delivery basis anywhere in the United States for a period of two years.

Other Transactions

During 1997, the Company paid \$619,141 to Hampton Airways, Inc. ("Hampton") and \$63,311 to Hemisphere Airways, Inc. ("Hemisphere") for charter aircraft services. Hampton's sole shareholder is John Schnatter, the Company's Founder and Chief Executive Officer. Hemisphere is owned 50% by John Schnatter and 50% by Charles Schnatter, the Company's Senior Vice President, Secretary and General Counsel. The Company believes the rates charged to the Company by Hampton and Hemisphere were at or below rates which could have been obtained from an independent third party for a similar aircraft.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 ("Exchange Act") requires the Company's directors and executive officers, and persons who own more than 10% of the Company's Common Stock, to file initial stock ownership reports and reports of changes in ownership with the Securities and Exchange Commission and The Nasdaq Stock Market. Based on a review of these reports and written representations from the reporting persons, the Company believes that all applicable Section 16(a) reporting requirements were complied with for all Common Stock transactions in 1997 except that Wade S. Oney and O. Wayne Gaunce each failed to file timely one Form 4 reporting one transaction, which reports have now been filed.

2. PROPOSAL TO APPROVE AN AMENDMENT TO THE COMPANY'S 1993 STOCK OWNERSHIP INCENTIVE PLAN

The Board of Directors has adopted, and recommends that stockholders approve, an amendment to the Company's 1993 Stock Ownership Incentive Plan (the "Incentive Plan"). This amendment is being made to increase the number of shares of Common Stock reserved for issuance under the Incentive Plan from 4,737,500 shares to 6,000,000 shares. At March 27, 1998, options to purchase 4,713,560 shares of Common Stock were outstanding, and 31,025 restricted shares had been issued, under the Incentive Plan. At March 27, 1998, 720,911 shares would have been available for issuance under the Incentive Plan if this amendment is approved. The Company has issued an option to purchase 47,815 shares to Wade S. Oney and options to purchase 493,774 shares to employees who are not executive officers, subject to approval of this amendment. The proposed amendment does not affect the provision in the Incentive Plan that limits the maximum aggregate number of shares of restricted stock (which is limited to 225,000) which may be issued under the Incentive Plan.

Upon stockholder approval of the amendment, the Company intends to file a registration statement on Form S-8 under the Securities Act of 1933, as amended, with respect to the additional shares issuable under the Incentive Plan.

Description of the Incentive Plan

The Incentive Plan was approved by the Company's Board of Directors and stockholders in 1993. The Incentive Plan permits the award to the Company's employees of performance units (which may be paid in cash or shares of Common Stock), restricted stock and stock options. The Incentive Plan currently reserves for issuance an aggregate of 4,737,500 shares of Common Stock, no more than 225,000 shares of which may be issued in the form of restricted shares. The Incentive Plan is intended to advance the interests of the Company and its stockholders by encouraging employees, who are largely responsible for the long-term success and development of the Company, to acquire and retain an ownership interest in the Company. The Company believes that equity incentives represented by stock options enhance the Company's ability to attract and retain needed personnel. The amendment to the Incentive Plan increases the number of shares of Common Stock reserved for issuance under the Incentive Plan by 1,262,500 shares.

Employees of the Company are eligible to receive awards under the Incentive Plan when designated by the committee responsible for administering the Incentive Plan (the "Committee"). The Committee may designate eligible employees as it deems appropriate. At December 28, 1997, the Company had approximately 14,200 employees.

Restricted stock consists of shares of Common Stock which are sold or transferred by the Company to an employee at a price which may be below their fair market value or for no payment, but subject to restrictions on their sale or other transfer by the employee.

Performance units are rights to receive a payment from the Company which may be payable in cash or shares of Common Stock or both, provided certain performance standards are met. The Incentive Plan provides that the Committee will determine the performance goals based on business criteria which may include net income, earnings per share or return on equity for the Company, or

net income or return on equity for a region, subsidiary or other unit of the Company ("Performance Goals"). The Committee may establish more than one level of performance criteria such that a portion of the maximum number of performance units is allocated if a level (other than the highest level) is attained. The Committee also determines the number of performance units to be granted. The Committee is required to establish

-20-

Performance Goals applicable to a fiscal year within 90 days of the commencement of that year and the maximum number of performance units which may be allocated to a participant in a calendar year is limited to 150,000 units. Moreover, the Committee is required to certify that the Performance Goals have been satisfied prior to the payment of any units. To date, no performance units have been awarded under the Incentive Plan.

The Committee may also grant stock options under the Incentive Plan. The Committee determines the number and purchase price of the shares of Common Stock subject to an option, the term of each option and the time or times during its term when the option becomes exercisable. The term of a stock option may not exceed ten years from the date of grant and generally may not be exercised earlier than six months after the date of grant. No stock option will be issued with an exercise price below the fair market value of a share of Common Stock on the date of grant. On the Record Date, the closing price per share of the Company's Common Stock as reported on the Nasdaq Stock Market was \$38.875. The maximum number of stock options that may be awarded to any participant in any calendar year is limited to options for no more than 250,000 shares.

Stock options granted under the Incentive Plan may be either incentive stock options ("ISOs") which qualify under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or stock options that do not so qualify ("NQSOs"). ISOs granted to any employee holding more than 10% of the combined voting power of all classes of stock of the Company must be granted with an exercise price of not less than 110% of fair market value. To date, no ISOs have been awarded under the Incentive Plan. Optionees may exercise options under the Incentive Plan by paying cash, tendering shares of Common Stock or through a cashless exercise procedure. Upon a Change in Control (as defined in the Incentive Plan) of the Company, all outstanding options will become fully vested and immediately exercisable.

The number of shares of Common Stock available for issuance under the Incentive Plan will be adjusted in the event of a merger, consolidation, reorganization, stock dividend, stock split or other change in corporate structure or capitalization affecting the Common Stock. Shares of Common Stock subject to, but not delivered under, an award terminating or expiring for any reason generally will be available for the grant of future awards under the Incentive Plan.

The Incentive Plan will terminate on the earliest to occur of (i) the date when all shares of Common Stock available under the Incentive Plan have been acquired through the exercise of options, lapse of restrictions or payment of benefits under the Incentive Plan, (ii) April 15, 2003, or (iii) such earlier date as the Board of Directors may determine. The Board may amend, modify or terminate the Incentive Plan, but may not, without the prior approval of stockholders, make any amendment which would materially increase the benefits accruing to participants under the Incentive Plan, materially increase the total number of shares of Common Stock which may be issued under the Incentive Plan or materially modify the class of employees eligible to participate in the Incentive Plan, if such approval is required by the Code, Section 16 of the Securities Exchange Act of 1934 ("Exchange Act") and the rules promulgated thereunder, any national securities exchange or system on which the Common Stock is then listed or reported or a regulatory body having jurisdiction over the Company. No amendments of the Incentive Plan will impair the rights of any participant without such participant's consent.

Federal Income Tax Consequences

Because tax results may vary due to individual circumstances, participants in the Incentive Plan are urged to consult their personal tax advisors regarding tax consequences of awards or grants, or the sale of any shares received, under the Incentive Plan. The Federal income tax consequences of awards under the Incentive Plan, as previously disclosed to stockholders, will not be impacted by the proposed amendment.

Non-Qualified Stock Options

The granting of a NQSO does not produce taxable income to the optionee or a tax deduction to the Company. Taxable ordinary income will generally be recognized by the optionee at the time of exercise in an amount equal to the excess of the fair market value of the shares purchased at the time of exercise over the aggregate option price. The Company is entitled to a corresponding Federal income tax deduction. The tax basis for the shares acquired is the option price plus the taxable income recognized.

Incentive Stock Options

In the case of an ISO, an optionee will not recognize any taxable income at the time of grant and the Company will not be entitled to a Federal income tax deduction. No income will be recognized by an optionee at the time of exercise of the ISO. If the optionee holds the shares acquired upon exercise of the ISO for at least two years from the date of grant of the ISO and at least one year from the date of exercise, the optionee would realize taxable long-term capital gain or loss upon a subsequent sale of the shares at a price different from the option price. If the foregoing holding period is met, no deduction would be allowed to the Company for Federal income tax purposes at any time. If, however, the optionee disposes of the shares prior to satisfying the required holding period, generally (1) the optionee would realize ordinary income in the year of such disposition in an amount equal to the difference between (a) the fair market value of such shares on the date of exercise or (b) the sales price, whichever is less, and the option price; (2) the Company would be entitled to a deduction for such year in the amount of the ordinary income so realized; and (3) the optionee would realize capital gain in an amount equal to the difference between (a) the amount realized upon the sale of the shares and (b) the option price plus the amount of ordinary income, if any, realized upon the disposition.

Restricted Stock

In the absence of an election under section 83(b) of the Code ("Section 83(b) Election"), a participant who receives restricted stock will recognize no income at the time of issuance. When the restriction period expires with respect to shares of restricted stock, a participant will recognize ordinary income equal to the fair market value of the shares as of the date the restrictions expire over the amount paid for such shares (if any). The participant's basis for the shares is equal to the amount paid (if any) plus the ordinary income recognized, and the holding period begins just after the restriction period ends. An employee may, however, make a Section 83(b) Election to include in income in the year of purchase or grant the excess of the fair market value of the shares (computed without regard to the restrictions) on the date of purchase or grant over their purchase price. The Company will be entitled to a deduction in the same year and in the same amount as income is recognized by the participant. If a Section 83(b) Election is made, a participant's basis for the shares will be the amount paid for the shares, if any, plus the ordinary income recognized.

Performance Units

Generally, performance units granted to a participant will be taxable to the participant in the amount of cash and the fair market value of shares received. The Company will be entitled to a deduction for such amount at the time it is includible in the income of the participant.

The affirmative vote of the holders of a majority of the shares of Common Stock present, in person or by proxy, at the Annual Meeting is required for the approval of the above-described amendment to the Incentive Plan. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE AMENDMENT TO INCREASE THE NUMBER OF SHARES AVAILABLE FOR ISSUANCE UNDER THE INCENTIVE PLAN. Shares of Common Stock covered by proxies executed and received

in the accompanying form will be voted in favor of the amendment, unless otherwise specified on the proxy.

3. RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS

The Board of Directors will request stockholders to ratify its selection of Ernst & Young LLP, independent auditors, to examine the consolidated financial statements of the Company for the fiscal year ending December 27, 1998. Ernst & Young LLP has audited the Company's financial statements since 1991. Representatives of Ernst & Young LLP will be present at the Annual Meeting to make a statement if they desire to do so and respond to questions by stockholders. The affirmative vote of a majority of the shares represented at the meeting is required for the ratification of the Board's selection of Ernst & Young LLP as the Company's independent auditors. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS OF THE COMPANY.

OTHER BUSINESS

The Board of Directors is not aware of any other matters to be presented at the Annual Meeting other than those set forth in the Notice of Annual Meeting and routine matters incident to the conduct of the meeting. If any other matters should properly come before the Annual Meeting or any adjournment or postponement thereof, the persons named in the proxy, or their substitutes, intend to vote on such matters in accordance with their best judgment.

STOCKHOLDER PROPOSALS

Any stockholder proposal intended to be presented at next year's Annual Meeting of Stockholders must be received by the Company by December 10, 1998, to be considered for inclusion in the Company's proxy materials for such meeting. In addition, a stockholder who wishes to introduce a proposal at an annual meeting of stockholders, regardless of whether the stockholder wants the proposal included in the Company's proxy materials, must comply with certain requirements set forth in the Company's Certificate of Incorporation. A copy of the Certificate of Incorporation may be obtained by written request to the General Counsel of the Company at its principal executive offices at P.O. Box 99900, Louisville, Kentucky 40269-9990.
