PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 17, 2001**

GENERAL INFORMATION

This Proxy Statement and accompanying proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Papa John's International, Inc., a Delaware corporation (the "Company"), to be voted at the Company's Annual Meeting of Stockholders (the "Annual Meeting") and any adjournments thereof. The Annual Meeting will be held at the Company's corporate offices located at 2002 Papa John's Boulevard, Louisville, Kentucky on Thursday, May 17, 2001, at 11:00 a.m. (E.D.T.) for the purposes set forth in this Proxy Statement and the accompanying Notice of Annual Meeting. This Proxy Statement and accompanying proxy card are first being mailed to stockholders on or about April 9, 2001.

A stockholder signing and returning a proxy has the power to revoke it at any time before the shares subject to it are voted by (i) notifying the Secretary of the Company in writing of such revocation, (ii) filing a duly executed proxy bearing a later date or (iii) attending the Annual Meeting and voting in person. If a proxy is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the proxy will be voted FOR the nominees for director named in the Proxy Statement and FOR the ratification of Ernst & Young LLP as the Company's independent auditors for the 2001 fiscal year and in the discretion of proxy holders on such other business as may properly come before the Annual Meeting.

The original solicitation of proxies by mail may be supplemented by telephone and other means of communication and through personal solicitation by officers, directors and other employees of the Company, at no compensation. Corporate Investor Communications, Inc. has been retained to distribute proxy materials and to provide proxy solicitation services for a fee of approximately \$5,250, plus reasonable out-of-pocket expenses. Proxy materials will also be distributed through brokers, custodians and other like parties to the beneficial owners of the Company's common stock, par value \$.01 per share (the "Common Stock"), and the Company will reimburse such parties for their reasonable out-of-pocket and clerical expenses incurred in connection therewith.

RECORD DATE AND VOTING SECURITIES

The Board has fixed the record date for the Annual Meeting as the close of business on March 23, 2001 (the "Record Date"), and all holders of record of Common Stock on the Record Date are entitled to receive notice of and to vote at the Annual Meeting and any adjournment thereof. A list of stockholders entitled to vote at the Annual Meeting will be available for inspection by any stockholder, for any purpose reasonably related to the Annual Meeting, for a period of ten days prior to the Annual Meeting at the Company's principal executive offices at 2002 Papa John's Boulevard, Louisville, Kentucky. At the Record Date, there were 22,724,306 shares of Common Stock outstanding. For each share of Common Stock held on the Record Date, a stockholder is entitled to one vote on each matter to be considered at the Annual Meeting. A majority of the outstanding shares present in person or by proxy is required to constitute a quorum to transact business at the meeting.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspectors of election appointed for the meeting, who also will determine whether a quorum exists. Abstentions or "withheld" votes will be treated as present and entitled to vote for purposes of determining a quorum, but as unvoted for purposes of determining the approval of matters submitted to the stockholders. Since Delaware law treats only those shares voted "for" a matter as affirmative votes, abstentions or withheld votes will have the same effect as negative votes or votes "against" a particular matter. If a broker indicates that it does not have discretionary authority as to certain shares to vote on a particular matter, such shares will not be considered as present and entitled to vote with respect to that matter.

1. ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides for a classified board of directors, with three classes of directors each nearly as equal in number as possible. Each class serves for a three-year term and one class is elected each year. The Board of Directors is authorized to fix the number of directors within the range of three to fifteen members, and, effective at the 2001 Annual Meeting, the Board size has been set at seven members. Charles W. Schnatter and Richard F. Sherman are the members of the class to be elected at the 2001 Annual Meeting and have been nominated to serve as directors for a three-year term expiring at the annual meeting to be held in 2004. The remaining five directors will continue to serve in accordance with their previous elections. Blaine E. Hurst resigned from the Board effective December 31, 2000.

It is intended that shares represented by proxies received in response to this Proxy Statement will be voted for the nominees listed below, unless otherwise directed by a stockholder in his or her proxy. Although it is not anticipated that any of the nominees will decline or be unable to serve, if that should occur the proxy holders may, in their discretion, vote for a substitute nominee or nominees. Directors are elected by a plurality of the votes cast.

Set forth below is information concerning the nominees for election and each director whose term will continue after the 2001 Annual Meeting.

From 1974 to 1985, Mr. Pierce was involved in real estate development and construction, including development of restaurant properties.

John and Charles Schnatter are brothers. There are no other family relationships among the Company's directors, executive officers and other key personnel.

Meetings of the Board of Directors

The Board met on eight occasions during 2000. Each director attended at least 75% of the meetings of the Board and the Board committees on which he served during his period of service in 2000.

Committees of the Board of Directors

In addition to an Executive Committee, which is comprised of John Schnatter, Charles Schnatter and Richard Sherman, the Board of Directors has standing Compensation, Audit and Nominating committees.

Compensation Committee. The Compensation Committee is comprised of Messrs. Gaunce and Laughery. The functions of the Compensation Committee are to review and approve annual salaries and bonuses for all corporate officers and management personnel; review, approve and recommend to the Board of Directors the terms and conditions of all employee benefit plans; and administer the 1993 Stock Ownership Incentive Plan and the 1999 Team Member Stock Ownership Plan. The Compensation Committee met two times in 2000. See "COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION."

Audit Committee. The Audit Committee is comprised of Messrs. Laughery, Pierce and Sherman. The functions of the Audit Committee are to recommend annually to the Board of Directors the appointment of the independent auditors of the Company, discuss and review the scope and the fees of the prospective annual audit and review the audit results with the independent auditors, review and approve non-audit services of the independent auditors, review compliance with accounting and financial policies of the Company, review the adequacy of the financial organization of the Company and review management's procedures and policies relative to the adequacy of the Company's internal accounting controls and compliance with federal and state laws relating to accounting practices. The Audit Committee met three times in 2000. See "AUDIT COMMITTEE REPORT."

Two members of the Audit Committee, Messrs. Laughery and Pierce, are considered "independent" under listing standards of the National Association of Securities Dealers ("NASD"). Mr. Sherman, the chairman of the Audit Committee, may not meet the NASD independence requirements because of the services he provides to the Company under a consulting agreement. However, under SEC and NASD rules applicable to the composition of corporate audit committees, including the Board's Audit Committee, the Board may, in certain circumstances and in the best interests of the Company and its stockholders, appoint a director to the Audit Committee who is not deemed "independent." In May 2000, when the current members of the Audit Committee were appointed, the Board determined that Mr. Sherman's management experience, extensive background in

the restaurant industry and his knowledge of the Company and its business, necessitated his continued service on the Audit Committee in the best interests of the Company's stockholders.

Nominating Committee. In March 2001, the Board appointed a Nominating Committee comprised of Messrs. Gaunce, Laughery and Pierce, none of whom is employed by the Company. The principal functions of the Nominating Committee will be to recommend to the Board nominees for director to be elected by the Company's stockholders or elected by the Board to fill vacancies, and nominees for selection to membership on the Board's various committees.

Compensation of Directors

Directors who are not also employees of the Company are eligible to participate in the Company's 1993 Non-Employee Directors Stock Option Plan (the "Director Plan"). Under the terms of the Director Plan, non-employee directors who do not otherwise hold options to purchase shares of Common Stock upon their initial election to the Board of Directors are awarded options to purchase 27,000 shares of Common Stock upon joining the Board. Each non-employee director (regardless of option ownership) is then eligible to receive options for an additional 13,500 shares after each three years of continuous Board service. The next scheduled awards under the Director Plan to current non-employee directors are in June 2002. The options are granted at fair market value and vest in equal one-third installments upon the earlier of each subsequent annual meeting of stockholders or the anniversary of the option grant date. In addition, non-employee directors who serve on the Executive Committee of the Board receive an annual award of 7,500 options (at fair market value and with a two-year vesting schedule).

Non-employee directors also receive reimbursement of reasonable out-of-pocket expenses incurred in connection with their attendance at Board and committee meetings. Directors who are employees of the Company do not receive additional compensation for services rendered as a director.

During 2000, Mr. Sherman was compensated at a rate of \$12,000 per month (increased from \$10,000 per month as of March 2000), plus group health insurance coverage, for providing consulting services to the Company. See "COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION—Consulting Agreement."

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following report includes a discussion of the Compensation Committee's philosophy on executive compensation, the primary components of the Company's compensation program and a description of the Chief Executive Officer's compensation package during 2000.

Compensation Principles. The Compensation Committee is responsible for advising the Board of Directors on matters relating to the compensation of the Company's executive officers and administering the Company's 1999 Team Member Stock Ownership Plan and 1993 Stock Ownership Incentive Plan. The Compensation Committee believes the following principles are important in compensating executive officers:

- Base compensation awarded by the Company should be effective in attracting, motivating and retaining key executives.
- Incentive compensation should be awarded based on the achievement of growth, operational or earnings targets at the Company, its subsidiaries or restaurants, as appropriate to the executive officer.
- Executive officers should have an equity interest in the Company to encourage them to manage the Company for the long-term benefit of stockholders.

The Company's executive officers are compensated through a combination of salary and, from time to time, bonuses and stock option awards. Each form of compensation is discussed below.

Annual Salary. The Committee reviews salary levels on an annual basis with the Chief Executive Officer and the Company's other senior managers, and makes adjustments as appropriate or necessary to keep employees motivated. The Committee has given great weight to the Chief Executive Officer's recommendations as to annual salary levels of the Company's executive officers.

In February 2001, in connection with the restructuring of certain management positions, the Committee approved executive salaries for 2001 based upon market pricing information, together with consideration of each officer's scope of responsibilities and individual performance, as well as the importance of the position to the implementation of the Company's strategies.

Bonus Program. During 2000, certain officers and employees within the Company's restaurant operations, commissary and equipment areas, including several executive officers, were eligible to receive bonuses based on the attainment of operational goals during the fiscal year. The operational goals include targeted sales and profits at the restaurant or commissary level, or on a Company-wide basis, depending upon the employee's position, or the opening of a targeted number of Company-owned or franchised restaurants. The Board retains discretion to award bonuses in excess of the pre-determined maximum if growth or performance is exceptional and results from the efforts of the officer or employee. Other officers received discretionary cash bonuses based upon a review of performance by his or her supervisor or, in the case of executive officers, the Committee.

In February 2001, the Committee approved a new Management Incentive Plan ("MIP") designed to reward executive and other officers and certain management personnel other than in the Company's operations area for the achievement of certain corporate goals. For 2001, awards will be paid quarterly under the MIP to eligible participants based on the Company's earnings per share of common stock exceeding certain target levels.

Stock Option Awards. All of the Company's executive officers hold stock options. No stock options were awarded in 2000 to executive officers, with the exception of an award to Michael R. Cortino upon his promotion to Senior Vice President; those options become exercisable in four annual installments of 25%.

10

Compensation of Chief Executive Officer. The Compensation Committee determined the salary, bonus and stock options received by John H. Schnatter, Founder, Chairman and Chief Executive Officer of the Company, for services rendered in 2000. Consistent with the compensation policies and components described above, in light of Mr. Schnatter's scope of responsibilities, and based upon input from Mr. Schnatter, he received a base annual salary of \$225,000 for 2000. He did not receive an award of stock options or a cash bonus during 2000.

OBRA Deductibility Limitation. The Omnibus Budget Reconciliation Act of 1993 ("OBRA") limits the deduction by public companies of compensation of certain executive officers to \$1 million per year, per executive officer, unless certain criteria are met. It is the Company's policy to comply whenever appropriate and possible with the requirements of OBRA applicable to the qualification of any such compensation for deductibility, and the Committee continues to review issues relating to this compensation deduction limitation.

AUDIT COMMITTEE REPORT

Securities and Exchange Commission rules that took effect in December 2000 require that for all votes of stockholders the proxy statement include a report of the Audit Committee addressing several matters identified in the rules. In addition, the SEC requires that any written charter adopted by the Audit Committee be included as an attachment to the proxy statement at least once every three years. The Audit Committee adopted an updated written charter on May 24, 2000, a copy of which is included in this proxy statement as Appendix A.

Under its charter, the Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the consolidated financial statements and the financial reporting process, including the systems of internal controls. The Company's independent

auditors, Ernst & Young LLP, are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report on those financial statements.

In fulfilling its oversight responsibilities, the Committee reviewed the consolidated audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements. The Committee has reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by Statement on Auditing Standards (SAS) No. 61 (Communication with Audit Committees). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board (ISB) Standard No. 1 (Independence Discussions with Audit Committees), and considered the compatibility of nonaudit services with the auditors' independence.

The Committee held three meetings during fiscal year 2000. The Committee discussed with the Company's independent auditors the overall scope and plans for their audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. Additionally, the Committee's Chairman, as a representative of the Committee, corresponds with the independent auditors prior to public release of the Company's quarterly earnings announcement.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2000, for filing with the SEC. The Committee and the Board have also recommended, subject to shareholder approval, the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 30, 2001.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Immediately prior to its initial public offering of Common Stock in 1993, the Company's Board of Directors adopted a policy requiring that all future transactions with affiliates be on terms comparable to those that the Company could obtain from unaffiliated third parties. In addition, the policy requires that all such transactions be approved by a majority of the members of the Board who are not officers or employees of the Company and who do not have an interest in the transaction.

The current members of the Compensation Committee, Messrs. Gaunce and Laughery, are franchisees of the Company. Set forth below is a description of transactions during the Company's last fiscal year involving these directors, as well as other directors and executive officers of the Company.

Franchise and Development Arrangements

Prior to the Company's initial public offering of Common Stock in 1993, certain executive officers and directors of the Company acquired equity interests in entities that were franchisees of the Company and that had rights to develop Papa John's restaurants. Certain of the entities acquired development rights at reduced development fees and also pay a reduced franchise fee when each restaurant is opened. However, such entities pay royalties at the same rate as other franchisees. The Company has entered into additional franchise and development agreements with non-employee directors and executive officers of the Company and entities in which they have an equity interest, and may continue to do so in the future. It is expected that any such arrangements will be on terms no more favorable than with independent third parties.

Set forth below is a description of franchise and development arrangements between the Company and entities in which the Company's executive officers and directors, as well as their immediate family members, have an equity interest as of the end of the fiscal year or had an equity interest prior to an acquisition of the entity, and the amount of franchise fees, development fees and royalties earned by or paid to the Company from such entities during the last fiscal year. Such entities also purchase various food and other products from the Company's commissary system and may purchase from the Company the equipment and other items needed to open a Papa John's restaurant. All such purchases and sales are made on terms and at rates identical to those that may be obtained from the Company by an independent franchisee.

Franchisee Loan Program

Since 1996, Capital Delivery, Ltd., a wholly owned subsidiary of the Company, has extended loans to selected franchisees from time to time for use in the construction and development of their restaurants. Loans under the program typically bear interest at fixed or floating rates, and are generally secured by the fixtures, equipment, signage and, where applicable, the land of each restaurant, the ownership interests in the franchisee and, in certain circumstances, guarantees of the franchisee owners. Under the terms of a typical applicable loan agreement, interest only is payable over the term of the loan, generally 12 to 24 months; thereafter, if the loan is not in default, the franchisee may convert the loan to a term loan with principal and interest payable monthly, amortized over a four- to six-year term.

Set forth below is a description of franchise loan transactions between Capital Delivery, Ltd., and entities in which the Company's executive officers and directors, as well as their immediate family members, have an equity interest; the largest aggregate amount outstanding during 2000; and the amount outstanding and the applicable rate of interest on such loans as of February 25, 2001.

PJ America, Inc. Stock Warrant

PJ America, Inc., Papa John's largest franchisee ("PJ America"), completed an initial public offering of its common stock ("IPO") in October 1996. In connection with the IPO, PJ America issued to the Company a warrant to purchase 225,000 shares of its common stock. The warrant is exercisable in whole or in part at any time within five years from the closing date of the IPO, and the purchase price of each share of PJ America common stock pursuant to the warrant is \$11.25 per share (90% of the IPO price of \$12.50 per share). The warrant was issued by PJ America to the Company in consideration for the grant by the Company of rights to enter into development agreements for certain specified territories and the waiver by the Company of certain market transfer fees. The

Company's agreement with PJ America anticipates that PJ America will pay standard development and franchise fees in connection with opening restaurants in the specified territories. In addition to his ownership interest as set out above, Mr. Sherman is Chairman of the Board of PJ America.

Employment Agreement

Wade Oney served as Chief Operating Officer of the Company pursuant to an employment agreement from 1997 until he relinquished that position effective March 1, 2000. Under that employment agreement, Mr. Oney was paid an annual salary of \$150,000 and was eligible to earn an annual bonus of up to \$100,000. Mr. Oney remains a director and franchisee of the Company, and continues to serve as an employee working on special projects. Under the terms of Mr. Oney's new arrangement with the Company, he receives an annual salary of \$75,000 and is eligible to earn an annual bonus of up to \$25,000.

Consulting Agreement

The Company and Mr. Sherman are parties to a Consulting Agreement dated March 29, 1991, as amended (the "Consulting Agreement"), pursuant to which the Company pays Mr. Sherman a monthly consulting fee of \$12,000 (increased from \$10,000 per month as of March 2000), and provides him with group health insurance. The total amount paid to Mr. Sherman in 2000 under the Consulting Agreement was \$142,000, and the value of group health benefits provided to Mr. Sherman in 2000 was \$2,872. Mr. Sherman is also entitled to compensation at a rate of \$157 per hour for each hour of consulting service provided in excess of 30 hours per month. After termination of the Consulting Agreement, Mr. Sherman has agreed not to compete with the Company in any capacity for a period of twelve months, and in any business that offers pizza on a delivery basis anywhere in the United States for a period of two years.

Other Transactions

During 2000, John Schnatter, the Company's Founder and Chief Executive Officer, earned from Papa John's Marketing Fund, Inc. (the "Marketing Fund"), a total of \$169,030 for the use of his image and services in the production and use of certain electronic and print advertisements. Mr. Schnatter's minor children also earned a total of \$8,678 from the Marketing Fund for the use of their images and services in certain advertisements. The Marketing Fund, a nonprofit corporation formed primarily to support local, regional and national marketing efforts of the Company and its franchisees, is funded by assessment of a percentage of sales generated by both Company-owned and franchised restaurants. Included in the amount earned by Mr. Schnatter in 2000 from the Marketing Fund were \$150,000 as an annual retainer and \$19,030 for residuals from the broadcast of certain television commercials in which he appeared. In 2000, Company-owned restaurants contributed 27.2 percent of the total contributions to the Marketing Fund from all Papa John's restaurants.

During 2000, the Company paid \$695,184 to Hampton Airways, Inc. ("Hampton"), for charter aircraft services. Included in the amount paid to Hampton is \$58,654 for use of a charter aircraft owned by RFS Aviation Corporation ("RFS"). Hampton's sole shareholder is John Schnatter. RFS's sole shareholder is Richard F. Sherman. The Company believes the rates charged to the Company were at or below rates that could have been obtained from an independent third party for similar aircraft.

Effective December 27, 1999, the Papa John's Franchise Advisory Council, an advisory group including Papa John's franchisees that meets periodically to discuss issues of importance to the Company and its franchisees, initiated a program that allows the cost of cheese to Papa John's restaurants to be established on a quarterly basis. Certain franchisees of the Company formed a corporation, BIBP Commodities, Inc. ("BIBP"), that purchases cheese at the prevailing market price and sells it to the Company's distribution subsidiary, PJ Food Service, Inc. ("PJFS"), at a fixed quarterly price based in part upon historical average market prices. PJFS in turn sells cheese to Papa John's restaurants at a set quarterly price. Capital Delivery, Ltd., a wholly owned subsidiary of the Company, has made available a \$17.6 million line of credit to BIBP to fund cash deficits as they may arise; to date no extensions of credit under the line have been made. Among the shareholders of BIBP

are the following: Wade Oney (9.09%), a franchisee entity owned in part by Michael Pierce (9.09%), and a franchisee entity owned in part by Wayne Gaunce (18.18%). BIBP intends to pay to its shareholders a total annual dividend equal to eight percent of each shareholder's initial investment. Otherwise, BIBP intends to manage its operations on a break-even basis over time, and there is no expectation that the value of the ownership interests in BIBP will appreciate.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 ("Exchange Act") requires the Company's directors and executive officers, and persons who own more than ten percent of the Company's Common Stock, to file initial stock ownership reports and reports of changes in ownership with the Securities and Exchange Commission and The Nasdaq Stock Market. Based on a review of these reports and written representations from the reporting persons, the Company believes that all applicable Section 16(a) reporting requirements were complied with for all Common Stock transactions in 2000, except as follows: O. Wayne Gaunce reported late on Form 4 a purchase of shares of Common Stock from the Company pursuant to the exercise of a stock option, and Jack A. Laughery reported late on Form 4 a sale of shares of Common Stock held by Mr. Laughery's wife, for which he disclaims beneficial ownership.

COMPOSITION AND QUALIFICATIONS

The Committee shall be comprised of three or more directors (as determined from time to time by the Board) appointed by the Board in accordance with all applicable independence requirements.

Each member of the Committee must be able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement, or become able to do so within a reasonable period of time after his or her appointment to the Committee.

Company management is responsible for preparing the Company's financial statements and the independent auditors are responsible for auditing those financial statements. The Committee believes its policies and procedures in carrying out its responsibilities should remain flexible in order to best react to changing conditions and circumstances.

The following shall be a guide to the principal recurring processes of the Committee in carrying out its oversight responsibilities, which the Committee may supplement as appropriate:
