Notes to Condensed Consolidated Financial Statements (Unaudited)

September 30, 2018

1. Basis of Presentation

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP") for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by GAAP for complete annual financial statements. In the opinion of management, all adjustments, consisting of normal recurring accruals, considered necessary for a fair presentation have been included. Operating results for the three and nine months ended September 30, 2018 are not necessarily indicative of the results that may be expected for the fiscal year ending December 30, 2018. For further information, refer to the consolidated financial statements and footnotes thereto included in the Annual Report on Form 10-K for Papa John's International, Inc. (referred to as the "Company", "Papa John's" or in the first-person notations of "we", "us" and "our") for the year ended December 31, 2017.

2. Significant Accounting Policies

Use of Estimates

The preparation of condensed consolidated financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the condensed consolidated financial statements and accompanying notes. Significant items that are subject to such estimates and assumptions include allowance for doubtful accounts and notes receivable, intangible assets, contract assets and contract liabilities including the online customer loyalty program obligation, insurance reserves and tax reserves. Although management bases its estimates on historical experience and assumptions that are believed to be reasonable under the circumstances, actual results could significantly differ from these estimates.

Noncontrolling Interests

At the beginning of 2018, Papa John's had five joint venture arrangements in which there were noncontrolling interests held by third parties. In the first quarter of 2018, one joint venture was divested, and a second joint venture was divested in the third quarter of 2018.

As of September 30, 2018, there were 183 restaurants that comprise these joint ventures as compared to 222 restaurants at September 24, 2017. See Note 7 for more information on these related divestitures.

We are required to report the consolidated net (loss) income at amounts attributable to the Company and the noncontrolling interests. Additionally, disclosures are required to clearly identify and distinguish between the interests of the Company and the interests of the noncontrolling owners, including a disclosure on the face of the Condensed Consolidated Statements of Operations attributable to the noncontrolling interest holders.

The income before income taxes attributable to these joint ventures for the three and nine months ended September 30, 2018 and September 24, 2017 was as follows (in thousands):

	Three Months Ended		Nine Months Ended	
	September 30, 2018	September 24, 2017	September 30, 2018	September 24, 2017
Papa John's International, Inc.	\$ 1,512	\$ 1,469	\$ 4,384	\$ 6,172
Noncontrolling interests	439	852	1,956	3,767
Total income before income taxes	\$ 1,951	\$ 2,321	\$ 6,340	\$ 9,939

The following summarizes the redemption feature, location and related accounting within the Condensed Consolidated Balance Sheets for these joint venture arrangements:

<u>Type of Joint Venture Arrangement</u>	<u>Location within the Balance Sheets</u>	<u>Recorded Value</u>
Joint venture with no redemption feature	Permanent equity	Carrying value
Option to require the Company to purchase the noncontrolling interest - not currently redeemable	Temporary equity	Carrying value

Revenue Recognition

Revenue is measured based on consideration specified in contracts with customers and excludes waivers or incentives and amounts collected on behalf of third parties, primarily sales tax. The Company recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer. Taxes assessed by a governmental authority that are both imposed on and concurrent with a specific revenue-producing transaction, that are collected by the Company from a customer, are excluded from revenue. Delivery costs, including freight associated with our domestic commissary and other sales are accounted for as fulfillment costs and are included in operating costs.

As further described in Accounting Standards Adopted and Note 3, the Company adopted ASC Topic 606, "Revenue from Contracts with Customers" ("Topic 606"), in the first quarter of 2018. Prior year revenue recognition follows ASC Topic 605, Revenue Recognition.

The following describes principal activities, separated by major product or service, from which the Company generates its revenues:

Company-owned Restaurant Sales

The domestic and international Company-owned restaurants principally generate revenue from retail sales of high-quality pizza, side items including breadsticks, cheesesticks, chicken poppers and wings, dessert items and canned or bottled beverages. Revenues from Company-owned restaurants are recognized when the products are delivered to or carried out by customers.

Our domestic customer loyalty program, Papa Rewards, is a spend-based program that rewards customers with points for each online purchase. Papa Rewards points are accumulated and redeemed online for free products. The accrued liability in the Condensed Consolidated Balance Sheets, and corresponding reduction of Company-owned restaurant sales in the Condensed Consolidated Statements of Operations is for the estimated reward redemptions at domestic Company-owned restaurants based upon historical redemption patterns. Currently, the liability related to Papa Rewards is calculated using the estimated selling price of the products for which rewards are expected to be redeemed. Revenue is recognized when the customer redeems points for products. Prior to the adoption of Topic 606, the liability related to Papa Rewards was estimated using the incremental cost accrual model which was based on the expected cost to satisfy the award and the corresponding expense was recorded in general and administrative expenses in the Condensed Consolidated Statements of Operations.

Commissary Sales

Commissary sales are comprised of food and supplies sold to franchised restaurants and are recognized as revenue upon shipment or delivery of the related products to the franchisees. Payments are generally due within 30 days.

Franchise Royalties and Fees

Franchise royalties which are based on a percentage of franchise restaurant sales are recognized as sales occur. Any royalty reductions, including waivers or those offered as part of a new store development incentive or as incentive for other behaviors including acceleration of restaurant remodels or equipment upgrades, are recognized at the same time as the related royalty as they are not separately distinguishable from the full royalty rate. Franchise royalties are billed on a monthly basis.

The majority of initial franchise license fees and area development exclusivity fees are from international locations. Initial franchise license fees are billed at the store opening date. Area development exclusivity fees are billed upon execution of the development agreements which grant the right to develop franchised restaurants in future periods in specific geographic areas. Area development exclusivity fees are included in deferred revenue in the Condensed Consolidated Balance Sheets and allocated on a pro rata basis to all stores opened under that specific development agreement. Franchise license renewal fees for both domestic and international locations, which generally occur every 10 years, are billed before the renewal date. The pre-opening services provided to franchisees do not contain separate and distinct performance obligations from the franchise right; thus, the fees collected will be amortized on a straight-line basis beginning at the store opening date through the term of the franchise agreement, which is typically 10 years. Fees received for future license renewal periods are amortized over the life of the renewal period. For periods prior to adoption of Topic 606, revenue was recognized when we performed our obligations related to such fees, primarily the store opening date for initial franchise fees and area development fees, or the date the renewal option was effective for license renewal fees.

The Company offers various incentive programs for franchisees including royalty incentives, new restaurant opening incentives (i.e. development incentives) and other support initiatives. Royalties, franchise fees and commissary sales are reduced to reflect any incentives earned or granted under these programs that are in the form of discounts. Other development incentives for opening restaurants are offered in the form of Company equipment through a lease agreement at substantially no cost to the franchisee. This equipment is amortized by us over the term of the lease agreement, which is generally three to five years, and is recognized in general and administrative expenses in our Condensed Consolidated Statements of Operations. The equipment lease agreement has separate and distinguishable obligations from the franchise right and is accounted for under ASC Topic 840, Leases.

Other Revenues

Fees for information services, including software maintenance fees, help desk fees and online ordering fees are recognized as revenue as such services are provided and are included in other revenue.

Revenues for printing, promotional items, and direct mail marketing services are recognized upon shipment of the related products to franchisees and other customers. Direct mail advertising discounts are also periodically offered by our Preferred Marketing Solutions subsidiary. Other revenues are reduced to reflect these advertising discounts.

Rental income, primarily derived from properties leased by the Company and subleased to franchisees in the United Kingdom, is recognized on a straight-line basis over the respective operating lease terms, in accordance with ASC Topic 840, Leases.

Franchise Marketing Fund revenues represent contributions collected by various international and domestic marketing funds (“Co-op” or “Co-operative”) where we have determined that we have control over the activities of the fund. Contributions are based on a percentage of monthly restaurant sales. The adoption of Topic 606 revised the principal versus agent determination of these arrangements. When we are determined to be the principal in these arrangements, advertising fund contributions and expenditures are reported on a gross basis in the Condensed Consolidated Statements of Operations. Our obligation related to these funds is to develop and conduct advertising activities in a specific country,

region, or market, including the placement of electronic and print materials. Marketing fund contributions are billed monthly.

For periods prior to the adoption of Topic 606, the revenues and expenses of certain international advertising funds and the Co-op Funds in which we possess majority voting rights, were included in our Condensed Consolidated Statements of Operations on a net basis as we previously concluded we were the agent in regard to the funds based upon principal/agent determinations in industry-specific guidance in GAAP that was in effect during those time periods.

Deferred Income Tax Accounts and Tax Reserves

We are subject to income taxes in the United States and several foreign jurisdictions. Significant judgment is required in determining Papa John's provision for income taxes and the related assets and liabilities. The provision for income taxes includes income taxes paid, currently payable or receivable and those deferred. We use an estimated annual effective rate based on expected annual income to determine our quarterly provision for income taxes. Discrete items are recorded in the quarter in which they occur.

Deferred tax assets and liabilities are determined based on differences between financial reporting and tax basis of assets and liabilities and are measured using enacted tax rates and laws that are expected to be in effect when the differences reverse. Deferred tax assets are also recognized for the estimated future effects of tax attribute carryforwards (e.g., net operating losses, capital losses, and foreign tax credits). The effect on deferred taxes of changes in tax rates is recognized in the period in which the new tax rate is enacted. Valuation allowances are established when necessary on a jurisdictional basis to reduce deferred tax assets to the amounts we expect to realize.

On December 22, 2017, the Tax Cuts and Jobs Act (the "Tax Act") was enacted, significantly decreasing the U.S. federal income tax rate for corporations effective January 1, 2018. On that same date, the Securities and Exchange Commission staff also issued Staff Accounting Bulletin (SAB) 118, which provides guidance on accounting for the tax effects of the Tax Act. SAB 118 provides a measurement period that should not extend beyond one year from the Tax Act enactment date for companies to complete the accounting under ASC 740, "Income Taxes." As a result, we remeasured our deferred tax assets, liabilities and related valuation allowances in 2017. This remeasurement yielded a benefit of approximately \$7.0 million due to the lower income tax rate in 2017. During the third quarter of 2018, the Company updated the provisional amounts previously recorded based on its completed 2017 federal income tax return. This resulted in an additional tax benefit of \$2.4 million. Given the substantial changes associated with the Tax Act, the estimated financial impacts for 2017 are provisional and subject to further interpretation and clarification of the Tax Act during the remainder of 2018. Our net deferred income tax liability was approximately \$7.1 million at September 30, 2018.

In February 2018, the FASB issued ASU 2018-02, "Reclassification of Certain Tax Effects from Accumulated Other Comprehensive Income" ("ASU 2018-02"), that allows for an entity to reclassify disproportionate income tax effects in accumulated other comprehensive income (loss) ("AOCI") caused by the Tax Act to retained earnings. See "Accounting Standards Adopted" section below for additional details.

Tax authorities periodically audit the Company. We record reserves and related interest and penalties for identified exposures as income tax expense. We evaluate these issues on a quarterly basis to adjust for events, such as statute of limitations expirations, court or state rulings or audit settlements, which may impact our ultimate payment for such exposures.

Fair Value Measurements and Disclosures

The Company is required to determine the fair value of financial assets and liabilities based on the price that would be received to sell the asset or paid to transfer the liability to a market participant. Fair value is a market-based measurement, not an entity specific measurement. The fair value of certain assets and liabilities approximates carrying value because of the short-term nature of the accounts, including cash and cash equivalents, accounts receivable and accounts payable. The carrying value of our notes receivable, net of allowances, also approximates fair value. The fair value of the amount outstanding under our term debt and revolving credit facility approximates their carrying values due to the variable market-based interest rate (Level 2).

Certain assets and liabilities are measured at fair value on a recurring basis and are required to be classified and disclosed in one of the following categories:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

Our financial assets that were measured at fair value on a recurring basis as of September 30, 2018 and December 31, 2017 are as follows (in thousands):

	Carrying Value	Fair Value Measurements		
		Level 1	Level 2	Level 3
September 30, 2018				
Financial assets:				
Cash surrender value of life insurance policies (a)	\$ 31,495	\$ 31,495	\$ —	\$ —
Interest rate swaps (b)	12,163	—	12,163	—
December 31, 2017				
Financial assets:				
Cash surrender value of life insurance policies (a)	\$ 28,645	\$ 28,645	\$ —	\$ —
Interest rate swaps (b)	651	—	651	—

(a) Represents life insurance policies held in our non-qualified deferred compensation plan.

(b) The fair value of our interest rate swaps is based on the sum of all future net present value cash flows. The future cash flows are derived based on the terms of our interest rate swaps, as well as considering published discount factors, and projected London Interbank Offered Rates (“LIBOR”).

Our assets and liabilities that were measured at fair value on a non-recurring basis as of December 31, 2017 include assets and liabilities held for sale. The fair value was determined using a market-based approach with unobservable inputs (Level 3) less any estimated selling costs.

There were no transfers among levels within the fair value hierarchy during the nine months ended September 30, 2018.

Variable Interest Entity

Papa John’s domestic restaurants, both Company-owned and franchised, participate in Papa John’s Marketing Fund, Inc. (“PJMF”), a nonstock corporation designed to operate at break-even for the purpose of designing and administering advertising and promotional programs for all participating domestic restaurants. PJMF is a variable interest entity as it does not have sufficient equity to fund its operations without ongoing financial support and contributions from its members. Based on the ownership and governance structure and operating procedures of PJMF, we have determined that we do not have the power to direct the most significant activities of PJMF and therefore are not the primary beneficiary. Accordingly, consolidation of PJMF is not appropriate.

Accounting Standards Adopted

Revenue from Contracts with Customers

In May 2014, the FASB issued ASU 2014-09, “Revenue from Contracts with Customers” (“ASU 2014-09”), which supersedes nearly all existing revenue recognition guidance under GAAP, including industry-specific requirements, and provides companies with a single revenue recognition framework for recognizing revenue from contracts with customers. In March and April 2016, the FASB issued additional amendments to Topic 606. This update and subsequently issued amendments require companies to recognize revenue at amounts that reflect the consideration to which the companies expect to be entitled in exchange for those goods or services at the time of transfer. Topic 606 requires that we assess contracts to determine each separate and distinct performance obligation. If a contract has

multiple performance obligations, we allocate the transaction price using our best estimate of the standalone selling price to each distinct good or service in the contract.

The Company adopted Topic 606 as of January 1, 2018. See Note 3 for additional information.

Certain Tax effects from Accumulated Other Comprehensive Income (Loss)

In February 2018, the FASB issued ASU 2018-02, which allows for an entity to reclassify disproportionate income tax in AOCI caused by the Tax Act to retained earnings. The guidance is effective for fiscal years beginning after December 15, 2018 with early adoption permitted, including interim periods within those years. The Company adopted ASU 2018-02 in the first quarter of 2018 by electing to reclassify the income tax effects from AOCI to retained earnings. The impact of the adoption was not material to our condensed consolidated financial statements.

Accounting Standards to be Adopted in Future Periods

Leases

In February 2016, the FASB issued ASU 2016-02, “Leases (Topic 842),” (“ASU 2016-02”), which amends leasing guidance by requiring companies to recognize a right-of-use asset and a lease liability for all operating and capital leases (financing) with lease terms greater than twelve months. The lease liability will be equal to the present value of lease payments. The lease asset will be based on the lease liability, subject to adjustment, such as for initial direct costs. For income statement purposes, leases will continue to be classified as operating or capital (financing) with lease expense in both cases calculated substantially the same as under the prior leasing guidance. In July 2018, the FASB issued the following amendments to clarify the implementation guidance: ASU 2018-10, “Codification Improvements to Topic 842, Leases,” and ASU 2018-11, “Leases (Topic 842): Targeted Improvements.” The amendment allows for a modified retrospective adoption approach and new required lease disclosures for all leases existing or entered into after either the beginning of the year of adoption or the earliest comparative period in the consolidated financial statements. ASU 2016-02 is effective for interim and annual periods beginning after December 15, 2018, and early adoption is permitted. The Company has not yet determined the full impact of the adoption on its consolidated financial statements but expects the adoption will result in a significant increase in the non-current assets and liabilities reported on our Consolidated Balance Sheet.

Goodwill

In January 2017, the FASB issued ASU 2017-04, “Intangibles – Goodwill and Other,” (“ASU 2017-04”), which simplifies the accounting for goodwill. ASU 2017-04 eliminates the second step of the goodwill impairment test, which requires a hypothetical purchase price allocation. The goodwill impairment is the difference between the carrying value and fair value, not to exceed the carrying amount. ASU 2017-04 is effective for annual and interim periods in fiscal years beginning after December 15, 2019. We plan to early adopt this guidance in the fourth quarter of 2018; we do not anticipate the impact will be material to our consolidated financial statements.

Financial Instruments – Credit Losses

In June 2016, the FASB issued ASU 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, which requires measurement and recognition of expected versus incurred losses for financial assets held. ASU 2016-13 is effective for annual periods beginning after December 15, 2019, with early adoption permitted for annual periods beginning after December 15, 2018. The Company is currently assessing the impact of adopting this standard on our consolidated financial position, results of operations and cash flows.

Reclassification

Certain prior year amounts have been reclassified in the Condensed Consolidated Statements of Operations. See Note 11 for additional information.

3. Adoption of ASU 2014-09, “Revenue from Contracts with Customers”

The Company adopted Topic 606 using the modified retrospective transition method effective January 1, 2018. Results for reporting periods beginning after January 1, 2018 are presented in accordance with Topic 606, while prior period amounts are not adjusted and continue to be reported in accordance with our historical accounting under Topic 605, Revenue Recognition.

The cumulative effect adjustment of \$21.5 million was recorded as a reduction to retained earnings as of January 1, 2018 to reflect the impact of adopting Topic 606. The impact of applying Topic 606 for the three and nine months ended September 30, 2018 was an increase in revenues of \$1.5 million and \$5.7 million respectively and a decrease in pre-tax income of \$1.2 million and \$3.1 million, respectively.

The adoption of Topic 606 did not impact the recognition and reporting of our three largest sources of revenue: sales from Company-owned restaurants, commissary sales, or continuing royalties or other revenues from franchisees that are based on a percentage of the franchise sales. The items impacted by the adoption include the presentation and amount of our loyalty program costs, the timing of franchise and development fees revenue recognition, and the presentation of various domestic and international advertising funds as further described below.

Cumulative adjustment from adoption

As previously noted, an after-tax reduction of \$21.5 million was recorded to retained earnings in the first quarter of 2018 to reflect the cumulative impact of adopting Topic 606. This consists of \$10.8 million related to franchise fees, \$8.0 million related to the customer loyalty program and \$2.7 million related to marketing funds.

The following chart presents the specific line items impacted by the cumulative adjustment.

Transaction Price Allocated to the Remaining Performance Obligations

The following table (in thousands) includes estimated revenue expected to be recognized in the future related to performance obligations that are unsatisfied at the end of the reporting period.

	Performance Obligations by Period						
	Less than 1 Year	1-2 Years	2-3 Years	3-4 Years	4-5 Years	Thereafter	Total
Franchise Fees	\$ 2,389	\$ 2,181	\$ 1,952	\$ 1,748	\$ 1,465	\$ 3,813	\$ 13,548

An additional \$3.8 million of area development fees related to unopened stores and unearned royalties are included in deferred revenue. Timing of revenue recognition is dependent upon the timing of store openings and franchisees' revenues.

As of September 30, 2018, the amount allocated to the Papa Rewards loyalty program is \$17.0 million and is reflected in the Condensed Consolidated Balance Sheet as part of the contract liability included in accrued expenses and other

current liabilities. This will be recognized as revenue as the points are redeemed, which is expected to occur within the next year.

The Company applies the practical expedient in ASU paragraph 606-10-50-14 and does not disclose information about remaining performance obligations that have original expected durations of one year or less.

Contract Balances

The contract liabilities primarily relate to franchise fees which we classify as “Deferred revenue” and customer loyalty program obligations which are classified with “Accrued expenses and other current liabilities.” During the three and nine months ended September 30, 2018, the Company recognized \$3.5 million and \$10.5 million in revenue, respectively, related to deferred revenue and customer loyalty program.

The contract liability balances are included in the following (in thousands):

	September 30, 2018		January 1, 2018		Change
Deferred revenue	\$ 17,335	\$	15,850	\$	1,485
Customer loyalty program	16,985		14,724		2,261
Total contract liabilities	<u>\$ 34,320</u>	\$	<u>30,574</u>	\$	<u>3,746</u>

The contract assets consist primarily of assets related to the future value of the royalties we will receive over the next ten years from the purchaser/franchisee of the stores located in China and Minnesota that the Company divested in 2018. See Note 7 for additional information. As of September 30, 2018 and December 31, 2017, contract assets were \$1.8 million and \$400,000, respectively.

5. Stockholders’ Equity / (Deficit)*Shares Authorized and Outstanding*

The Company has authorized 5.0 million shares of preferred stock and 100.0 million shares of common stock. The Company’s outstanding shares of common stock, net of repurchased common stock, were 31.4 million shares at September 30, 2018 and 33.9 million shares at December 31, 2017. There were no shares of preferred stock issued or outstanding at September 30, 2018 and December 31, 2017.

Share Repurchase Program

Our Board of Directors has authorized the repurchase of up to \$2.075 billion of common stock under a share repurchase program that began on December 9, 1999 and expires on February 27, 2019, with remaining authorization available as of September 30, 2018 of \$269.7 million. Funding for the share repurchase program has been provided through our credit facility, operating cash flow, stock option exercises and cash and cash equivalents. In connection with the execution of our amended Credit Agreement (see Note 8 for additional information) in October 2018, the Company cannot repurchase any additional shares when our Leverage Ratio, as defined in the Credit Agreement, is higher than 3.75 to 1.0.

On March 1, 2018, the Company announced a \$100 million accelerated share repurchase agreement (“ASR Agreement”) with Bank of America, N.A. The ASR Agreement was completed May 14, 2018, delivering approximately 1.7 million shares.

Cash Dividend

The Company paid dividends of approximately \$21.9 million (\$0.675 per common share) during the nine months of 2018. Subsequent to the third quarter on November 1, 2018, our Board of Directors declared a fourth quarter dividend of \$0.225 per common share (approximately \$7.1 million based on current shareholders of record). The dividend will be paid on November 23, 2018 to shareholders of record as of the close of business on November 12, 2018. In connection with the execution of our amended Credit Agreement in October 2018, no increase in dividends per share may occur when our Leverage Ratio, as defined in the Credit Agreement, is higher than 3.75 to 1.0.

Stockholder Rights Plan

On July 22, 2018, the Board of Directors of the Company approved the adoption of a limited duration stockholder rights plan (the “Rights Plan”) with an expiration date of July 22, 2019 and an ownership trigger threshold of 15% (with a threshold of 31% applied to John H. Schnatter, together with his affiliates and family members). In connection with the Rights Plan, the Board of Directors authorized and declared a dividend to stockholders of record at the close of business on August 2, 2018 of one preferred share purchase right (a “Right”) for each outstanding share of Papa John’s common stock. Upon certain triggering events, each Right would entitle the holder to purchase from the Company one one-thousandth (subject to adjustment) of one share of Series A Junior Participating Preferred Stock, \$0.01 par value per share of the Company (“Preferred Stock”) at an exercise price of \$250.00 (the “Exercise Price”) per one one-thousandth of a share of Preferred Stock. In addition, if a person or group acquires beneficial ownership of 15% or more of the Company’s common stock (or in the case of Mr. Schnatter, 31% or more) without prior board approval, each holder of a Right (other than the acquiring person or group whose Rights will become void) will have the right to purchase, upon payment of the Exercise Price and in accordance with the terms of the Rights Plan, a number of shares of the Company’s common stock having a market value of twice the Exercise Price. The complete terms of the Rights are set forth in a Rights Agreement (the “Rights Agreement”), dated as of July 22, 2018, between the Company and Computershare Trust Company, N.A., as rights agent. The Rights expire on July 22, 2019 or upon an earlier redemption or exchange as provided in the Rights Agreement.

6. Earnings (Loss) Per Share

We compute earnings (loss) per share using the two-class method. The two-class method requires an earnings allocation formula that determines earnings per share for common shareholders and participating security holders according to dividends declared and participating rights in undistributed earnings. We consider time-based restricted stock awards to be participating securities because holders of such shares have non-forfeitable dividend rights. Under the two-class method, undistributed earnings allocated to participating securities are subtracted from net (loss) income attributable to the Company in determining net (loss) income attributable to common shareholders.

The calculations of basic and diluted (loss) earnings per common share are as follows (in thousands, except per-share data):

	<u>Three Months Ended</u>		<u>Nine Months Ended</u>	
	<u>September 30,</u> <u>2018</u>	<u>September 24,</u> <u>2017</u>	<u>September 30,</u> <u>2018</u>	<u>September 24,</u> <u>2017</u>

(a) Excludes 1,209 options for the nine months ended September 30, 2018, and 328 and 261 options for the three and nine months ended September 24, 2017, respectively, as the effect of including such awards would have been antidilutive.

7. Divestitures

In the first quarter of 2018, the Company refranchised 31 restaurants owned through a joint venture in the Denver, Colorado market. The Company held a 60% ownership share in the restaurants being refranchised. The noncontrolling interest portion of the joint venture arrangement was previously recorded at redemption value within the Condensed Consolidated Balance Sheet. Total consideration for the asset sale of the restaurants was \$4.8 million, consisting of cash proceeds of \$3.7 million, including cash paid for various working capital items, and notes financed by Papa John's for \$1.1 million.

In connection with the divestiture, we wrote off \$700,000 of goodwill. This goodwill was allocated based on the relative fair value of the sales proceeds versus the total fair value of the Company-owned restaurants' reporting unit.

As a result of assigning our interest in obligations under property leases as a condition of the refranchising of the Denver market, we are contingently liable for payment of the 31 leases. These leases have varying terms, the latest of which expires in 2024. As of September 30, 2018, the estimated maximum amount of undiscounted payments the Company could be required to make in the event of nonpayment by the primary lessees was \$3.2 million. The fair value of the guarantee is not material.

On June 15, 2018, the Company refranchised 34 Company-owned restaurants and a quality control center located in Beijing and Tianjin, China. The assets and liabilities associated with the China operations were previously classified as Held for Sale in the Condensed Consolidated Balance Sheet as of December 31, 2017. We recorded a pre-tax loss of approximately \$1.9 million associated with the sale of the restaurants and reversed \$1.3 million of accumulated other comprehensive income related to foreign currency translation as part of the disposal. The \$1.9 million pre-tax loss is recorded in refranchising losses, net on the Condensed Consolidated Statements of Operations. In addition, we also had \$2.4 million of additional tax expense associated with the China refranchise in the second quarter of 2018. This additional tax expense is primarily attributable to the required recapture of operating losses previously taken by the Company.

On July 2, 2018, the Company completed the refranchising of 31 stores owned through a joint venture in the Minneapolis, Minnesota market. The Company held a 70% ownership share in the restaurants being refranchised. The assets associated with the joint venture were previously classified as Held for Sale in the Condensed Consolidated Balance Sheet as of July 1, 2018. Total consideration for the asset sale of the restaurants was \$3.75 million. As part of the sales of these restaurants, we recorded a \$1.2 million contract asset related to the future value of the royalties we will receive over the next ten years from the purchaser/franchisee. The contract asset which is recorded in other assets in the accompanying Condensed Consolidated Balance Sheet at September 30, 2018, will be amortized over the ten-year franchise agreement as a reduction in the royalty income of \$120,000 annually.

As a result of assigning our interest in obligations under property leases as a condition of the refranchising of the Minnesota market, we are contingently liable for payment of the 31 leases. These leases have varying terms, the latest of which expires in 2025. As of September 30, 2018, the estimated maximum amount of undiscounted payments the Company could be required to make in the event of nonpayment by the primary lessees was \$6.3 million. The fair value of the guarantee is not material.

On August 30, 2017, the Company entered into a credit agreement (the “Credit Agreement”) which provided for an unsecured revolving credit facility in an aggregate principal amount of \$600.0 million (the “Revolving Facility”) and an unsecured term loan facility in an aggregate principal amount of \$400.0 million (the “Term Loan Facility”) and together with the Revolving Facility, the “Facilities”. The Facilities mature on August 30, 2022. The loans under the Facilities, after giving effect to the Amendment described below, accrue interest at a per annum rate equal to, at the Company’s election, either a LIBOR rate plus a margin ranging from 125 to 250 basis points or a base rate (generally determined by a prime rate, federal funds rate or a LIBOR rate plus 1.00%) plus a margin ranging from 25 to 150 basis points. In each case, the actual margin is determined according to a ratio of the Company’s total indebtedness to earnings before interest, taxes, depreciation and amortization (“EBITDA”) for the then most recently ended four-quarter period (the “Leverage Ratio”). Quarterly amortization payments are required to be made on the Term Loan Facility in the amount of \$5.0 million which began in the fourth quarter of 2017. Loans outstanding under the Credit Agreement may be prepaid at any time without premium or penalty, subject to customary breakage costs in the case of borrowings for which a LIBOR rate election is in effect. Up to \$35.0 million of the Revolving Facility may be advanced in certain agreed foreign currencies, including Euros, Pounds Sterling, Canadian Dollars, Japanese Yen, and Mexican Pesos. The Credit Agreement contains customary affirmative and negative covenants, including financial covenants requiring the maintenance of the Leverage Ratio and a specified fixed charge coverage ratio.

On October 9, 2018, we entered into an amendment to the Credit Agreement (the “Amendment”), which amendments and modifications to the Credit Agreement are effective through the remainder of the term of the Facilities and include, without limitation, the following:

- reduction of the maximum amount available under the Revolving Facility to \$400.0 million; there was no change in available Term Loan Facility borrowings;
- amendment to the definition of EBITDA to exclude certain costs recorded as Special charges (up to certain pre-defined limits) as detailed in Note 9 “Commitments and Contingencies”;
- modification of the financial covenants in the Credit Agreement by increasing the permitted Leverage Ratio to 5.25 to 1.0 beginning in the third quarter of 2018, decreasing over time to 4.00 to 1.0 by 2022; and decreasing the permitted specified fixed charge coverage ratio to 2.00 to 1.0 beginning in the third quarter of 2018 and increasing over time to 2.50 to 1.0 in 2021 and thereafter. We were in compliance with these financial covenants at September 30, 2018;
- modifications to the negative covenant restricting the ability to make dividends and distributions to provide if the Leverage Ratio is above 3.75 to 1.0, the Company (x) cannot repurchase any of its shares of common stock and (y) cannot increase the cash dividend above the lesser of \$0.225 per share per quarter or \$35 million per fiscal year;
- increase in the interest rate payable on outstanding loans for the Facilities based on the Leverage Ratio as follows:
 - removal of interest rate pricing tiers if the Leverage Ratio of the Company is less than 1.50 to 1.00;
 - if the Leverage Ratio of the Company is greater than 3.50 to 1.00 but less than 4.50 to 1.00, the Company will pay an additional 0.25% per annum interest rate margin on the outstanding loans under the Facilities and an additional 0.05% per annum commitment fee on the unused portion of the Revolving Facility;
 - if the Leverage Ratio of the Company is greater than 4.50 to 1.00, the Company will pay an additional 0.50% per annum interest rate margin on the outstanding loans under the Facilities and an additional 0.10% per annum commitment fee on the unused portion of the Revolving Facility; and

- requirement that the Company and certain direct and indirect domestic subsidiaries of the Company grant a security interest in substantially all of the capital stock and equity interests of their respective domestic and first tier material foreign subsidiaries to secure the obligations owing under the Facilities.

Under the Credit Agreement, we have the option to increase the Revolving Facility or the Term Loan Facility in an aggregate amount of up to \$300.0 million, subject to the Leverage Ratio of the Company not exceeding 4.00 to 1.00.

Our outstanding debt of \$578.6 million at September 30, 2018 under the Facilities was composed of \$380.0 million outstanding under the Term Loan Facility and \$198.6 million outstanding under the Revolving Facility. Including outstanding letters of credit, the Company's remaining availability under the Facilities at September 30, 2018 was approximately \$166.4 million.

As of September 30, 2018, the Company had approximately \$2.8 million in unamortized debt issuance costs, which are being amortized into interest expense over the term of the Facilities. Upon execution of the Amendment, subsequent to September 30, 2018, we wrote off approximately \$560,000 of these unamortized debt issuance costs in accordance with applicable accounting guidance. The Company also incurred additional amendment fees of approximately \$1.9 million, which will be amortized into interest expense over the remaining term of the Facilities.

We attempt to minimize interest risk exposure by fixing our rate through the utilization of interest rate swaps, which are derivative financial instruments. Our swaps are entered into with financial institutions that participate in the Facilities. By using a derivative instrument to hedge exposures to changes in interest rates, we expose ourselves to credit risk. Credit risk is due to the possible failure of the counterparty to perform under the terms of the derivative contract.

We use interest rate swaps to hedge against the effects of potential interest rate increases on borrowings under our Facilities. As of September 30, 2018, we have the following interest rate swap agreements:

Effective Dates	Floating Rate Debt	Fixed Rates
April 30, 2018 through April 30, 2023	\$ 55 million	2.33 %
April 30, 2018 through April 30, 2023	\$ 35 million	2.36 %
April 30, 2018 through April 30, 2023	\$ 35 million	2.34 %
January 30, 2018 through August 30, 2022	\$ 100 million	1.99 %
January 30, 2018 through August 30, 2022	\$ 75 million	1.99 %
January 30, 2018 through August 30, 2022	\$ 75 million	2.00 %
January 30, 2018 through August 30, 2022	\$ 25 million	1.99 %

The gain or loss on the swaps is recognized in other comprehensive (loss) income and reclassified into earnings as adjustments to interest expense in the same period or periods during which the swaps affect earnings. Gains or losses on the swaps representing hedge components excluded from the assessment of effectiveness are recognized in current earnings.

The following table provides information on the location and amounts of our swaps in the accompanying condensed consolidated financial statements (in thousands):

9. Commitments and Contingencies

Litigation

The Company is involved in a number of lawsuits, claims, investigations and proceedings consisting of intellectual property, employment, consumer, commercial and other matters arising in the ordinary course of business. In accordance with ASC 450, "Contingencies" the Company makes accruals and or disclosures, with respect to these matters, where appropriate.

Ameranth, Inc. vs Papa John's International, Inc. In August 2011, Ameranth, Inc. ("Ameranth") filed various patent infringement actions against a number of defendants, including the Company, in the U.S. District Court for the Southern District of California (the "California Court"), which were consolidated by the California Court in October 2012 (the "Consolidated Case"). The Consolidated Case was stayed until January 2018 when Ameranth decided to proceed on only one patent, after the Company received a favorable decision by the Patent and Trademark Office on certain other patents. A Markman hearing was held in December 2017, which did not dispose of Ameranth's claims, and the California Court set a jury trial date of for the claims against the Company. However, on September 25, 2018, the California Court granted the defendants' Motion for Summary Judgment and found that the Ameranth patent at issue was invalid. As a result, the California Court vacated all pending trial dates. However, Ameranth has subsequently filed an appeal. The Company believes this case lacks merit and that it has strong defenses to all of the infringement claims. The Company intends to defend the suit vigorously. However, the Company is unable to predict the

likelihood of success of Ameranth's appeal. The Company has not recorded a liability related to this lawsuit as of September 30, 2018, as it does not believe a loss is probable or reasonably estimable.

Durling et al v. Papa John's International, Inc., is a conditionally certified collective action filed in May 2016 in the United States District Court for the Southern District of New York ("the New York Court"), alleging that corporate restaurant delivery drivers were not properly reimbursed for vehicle mileage and expenses in accordance with the Fair Labor Standards Act ("FLSA"). In July 2018, the New York Court granted a motion to certify a conditional corporate collective class and the opt-in notice process has begun. The Company continues to deny any liability or wrongdoing in this matter and intends to vigorously defend this action. The Company has not recorded any liability related to this lawsuit as of September 30, 2018 as it does not believe a loss is probable or reasonably estimable.

Other Matters

We have experienced negative publicity and consumer sentiment as a result of statements and actions by the Company's founder and former spokesperson John H. Schnatter in July 2018, which have materially and negatively impacted our sales. Mr. Schnatter resigned as Chairman of the Board on July 11, 2018 and a Special Committee of the Board of Directors consisting of all of the independent directors (the "Special Committee") was formed on July 15, 2018 to evaluate and take action with respect to all of the Company's relationships and arrangements with Mr. Schnatter. Following its formation, the Special Committee terminated Mr. Schnatter's Founder Agreement, which defined his role in the Company, among other things, as advertising and brand spokesperson for the Company. The Special Committee is also, among other things, overseeing the previously announced external audit and investigation of all the Company's existing processes, policies and systems related to diversity and inclusion, supplier and vendor engagement and Papa John's culture. On July 17, 2018, the Company announced that the Special Committee appointed Akin Gump Strauss Hauer & Feld LLP to oversee the cultural audit and investigation. This audit and investigation is ongoing. In addition, on July 27, 2018, the Company announced that the Board's Lead Independent Director, Olivia F. Kirtley, had been unanimously appointed by the Board of Directors to serve as Chairman of the Company's Board of Directors.

In the third quarter of 2018, the Company incurred significant costs (defined as "Special charges") of approximately \$24.8 million before tax as a result of the above-mentioned recent events. The costs for the third quarter include franchise royalty reductions of approximately \$9.9 million for all North America franchisees and reimaging costs at nearly all domestic restaurants and replacement or write off of certain branded assets totaling \$3.6 million. These costs also include legal and professional fees, which amounted to \$11.3 million, for various related matters as well as legal and advisory costs related to the previously announced external culture audit and other activities currently overseen by the Special Committee. The franchise royalty reductions reduce the amount of North America franchise royalties and fees revenues within our Condensed Consolidated Statements of Operations. All other costs associated with these events are included in General and administrative expenses within the Condensed Consolidated Statements of Operations.

The Company could continue to experience a decline in sales resulting from the aforementioned negative consumer sentiment. The Company also expects to continue to incur significant Special charges, including certain committed franchisee support, for the remainder of 2018, which could continue into 2019 as a result of the recent events. These include the following:

- financial assistance to domestic franchisees, such as short-term royalty reductions,
- contributions to the national marketing fund in the fourth quarter to increase marketing and promotional activities,
- costs associated with the continuation of the third-party audit of the culture at the Company commissioned by the Special Committee as well as costs associated with implementing new policies and procedures to address any findings of the audit, and
- additional legal and advisory costs, including costs associated with the implementation of plans and activities of the Special Committee.

On July 26, 2018, John H. Schnatter filed a complaint in the Court of Chancery of the State of Delaware seeking to inspect certain books and records of the Company. While the Company believes that the request for inspection is not for a proper purpose under Delaware law and includes certain categories of documents relating to the Special Committee to

which Mr. Schnatter is not entitled, the Company will comply with any decision of the Court of Chancery of the State of Delaware.

On August 30, 2018, Mr. Schnatter filed a lawsuit in the Court of Chancery of the State of Delaware against the Company, its chief executive officer, and the members of the Special Committee, claiming breaches of fiduciary duty. On September 21, 2018, Mr. Schnatter amended his complaint to drop the chief executive officer as a defendant. Mr. Schnatter seeks a number of injunctions forbidding the Special Committee from taking various actions and seeks to invalidate the Company's stockholder rights plan.

On August 30, 2018, a class action lawsuit was filed in the United States District Court, Southern District of New York, on behalf of a class of investors who purchased or acquired stock in Papa John's through a period up to and including July 19, 2018. The complaint alleges violations of Sections 10(b) and 20(a) of the Securities Exchange Act of 1934. The Company believes that it has valid and meritorious defenses to these suits and intends to vigorously defend against them. The Company has not recorded any liability related to these lawsuits as of September 30, 2018 as it does not believe a loss is probable or estimable.

10. Segment Information

We have five reportable segments: domestic Company-owned restaurants, North America commissaries, North America franchising, international operations and "all other" units. The domestic Company-owned restaurant segment consists of the operations of all domestic ("domestic" is defined as contiguous United States) Company-owned restaurants and derives its revenues principally from retail sales of pizza and side items, including breadsticks, cheesesticks, chicken poppers and wings, dessert items and canned or bottled beverages. The North America commissary segment consists of the operations of our regional dough production and product distribution centers and derives its revenues principally from the sale and distribution of food and paper products to domestic Company-owned and franchised restaurants in the United States and Canada. The North America franchising segment consists of our franchise sales and support activities and derives its revenues from sales of franchise and development rights and collection of royalties from our franchisees located in the United States and Canada. The international segment principally consists of distribution sales to franchised Papa John's restaurants located in the United Kingdom and Mexico and our franchise sales and support activities, which derive revenues from sales of franchise and development rights and the collection of royalties from our international franchisees. International franchisees are defined as all franchise operations outside of the United States and Canada. All other business units that do not meet the quantitative thresholds for determining reportable segments, which are not operating segments, we refer to as our "all other" segment, which consists of operations that derive revenues from the sale, principally to Company-owned and franchised restaurants, of printing and promotional items, franchise contributions to marketing funds and information systems and related services used in restaurant operations, including our point-of-sale system, online and other technology-based ordering platforms.

Generally, we evaluate performance and allocate resources based on profit or loss from operations before income taxes and intercompany eliminations. Certain administrative and capital costs are allocated to segments based upon predetermined rates or actual estimated resource usage. We account for intercompany sales and transfers as if the sales or transfers were to third parties and eliminate the activity in consolidation.

Our reportable segments are business units that provide different products or services. Separate management of each segment is required because each business unit is subject to different operational issues and strategies. No single external customer accounted for 10% or more of our consolidated revenues.

Our segment information is as follows:

As shown in the table below we have reclassified certain prior year amounts within the Condensed Consolidated Statements of Income for the three and nine months ended September 24, 2017 in order to conform with current year presentation. These reclassifications had no effect on previously reported total consolidated revenues, total costs and expenses and net income.

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations

Overview

Papa John’s International, Inc. (referred to as the “Company,” “Papa John’s” or in the first-person notations of “we,” “us” and “our”) began operations in 1984. As of September 30, 2018, there were 5,247 Papa John’s restaurants (647 Company-owned and 4,600 franchised) operating in all 50 states and 46 international countries and territories. Our revenues are principally derived from retail sales of pizza and other food and beverage products to the general public by Company-owned restaurants, franchise royalties, sales of franchise and development rights, sales to franchisees of food and paper products, printing and promotional items, and information systems and related services used in their operations.

Recent Developments and Trends

Background on Recent Negative Publicity

We have experienced negative publicity and consumer sentiment as a result of statements and actions by the Company’s founder and former spokesperson John H. Schnatter in July 2018, which have materially and negatively impacted our sales. Mr. Schnatter resigned as Chairman of the Board on July 11, 2018 and a Special Committee of the Board of Directors consisting of all of the independent directors (the “Special Committee”) was formed on July 15, 2018 to evaluate and take action with respect to all of the Company’s relationships and arrangements with Mr. Schnatter. Following its formation, the Special Committee terminated Mr. Schnatter’s Founder Agreement, which defined his role in the Company, among other things, as advertising and brand spokesperson for the Company. The Special Committee is also, among other things, overseeing the previously announced external audit and investigation of all the Company’s existing processes, policies and systems related to diversity and inclusion, supplier and vendor engagement and Papa John’s culture. On July 17, 2018, the Company announced that the Special Committee appointed Akin Gump Strauss Hauer & Feld LLP to oversee the cultural audit and investigation. This audit and investigation is ongoing. In addition, on July 27, 2018, the Company announced that the Board’s Lead Independent Director, Olivia F. Kirtley, had been unanimously appointed by the Board of Directors to serve as Chairman of the Company’s Board of Directors. The Company is also implementing various branding and marketing initiatives, including but not limited to, a new advertising and marketing campaign featuring the images and voices of Company employees and franchisees.

The negative publicity surrounding the Company’s brand has continued to impact the North America system-wide sales and the Company cannot predict how long and the extent to which the negative publicity will continue. The Company also incurred significant costs (defined as “Special charges”) of approximately \$24.8 million before tax as a result of the above-mentioned recent events in the third quarter of 2018. The costs for the third quarter include franchise royalty reductions of approximately \$9.9 million for all North America franchisees and reimagining costs at nearly all domestic restaurants and replacement or write off of certain branded assets totaling \$3.6 million. These costs also include legal and professional fees, which amounted to \$11.3 million, for various related matters as well as legal and advisory costs related to the previously announced external culture audit and other activities currently overseen by the Special Committee. The franchise royalty reductions reduce the amount of North America franchise royalties and fees revenues within our Condensed Consolidated Statements of Operations. All other costs associated with these events are included in General and administrative expenses within the Condensed Consolidated Statements of Operations.

The Company expects to continue to incur significant Special charges for the remainder of 2018, which could continue into 2019, as a result of the aforementioned events. The Special charges are now expected to approximate \$50 million to \$60 million in 2018, including the recently announced contribution to the national marketing fund in the fourth quarter. The Special charges expected for the fourth quarter of 2018, which are expected to approximate \$25 million to \$35 million, include the following:

- financial assistance to domestic franchisees, such as short-term royalty reductions,
- contributions to the national marketing fund in the fourth quarter to increase marketing and promotional activities,

- costs associated with the third-party audit of the culture at the Company commissioned by the Special Committee as well as costs associated with implementing new policies and procedures to address any findings of the audit, and
- additional legal and advisory costs, including costs associated with the implementation of plans and activities of the Special Committee.

Presentation of Financial Results

The results of operations for the three and nine months ended September 30, 2018 are based on the preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States (“GAAP”). The preparation of consolidated financial statements requires management to select accounting policies for critical accounting areas and make estimates and assumptions that affect the amounts reported in the consolidated financial statements. Significant changes in assumptions and/or conditions in our critical accounting policies could materially impact our operating results. See “Notes 1, 2 and 3” of “Notes to Condensed Consolidated Financial Statements” for a discussion of the basis of presentation and the significant accounting policies.

Item Impacting Comparability; Non-GAAP Measures

The following table reconciles our GAAP financial results to the adjusted (non-GAAP) financial results, excluding the Special items detailed below. We present these non-GAAP measures because we believe the Special items impact the comparability of our results of operations. (1) 'Special charges' is defined as the costs and expenses in response to recent events including: (i) re-imaging costs at nearly all domestic restaurants and costs to replace or write-off certain branded assets of approximately \$3.6 million, (ii) financial assistance to domestic franchisees, such as short-term royalty reductions, in an effort to mitigate closings of approximately \$9.9 million, and (iii) costs associated with a third-party audit of the culture at Papa John's commissioned by the Special Committee of the Board of Directors as well as costs associated with implementing new policies and procedures to address any findings as a result of the audit, and additional legal and advisory costs, including costs associated with the activities of the Special Committee totaling approximately \$11.3 million.

(2) The refranchising losses of \$1.9 million before tax and \$1.5 million net of tax for the nine months ended September 30, 2018 are primarily due to the China refranchise of the 34 company-owned restaurants and the quality control center in China that occurred during the second quarter of 2018. We also had \$2.4 million of additional tax expense associated with the China refranchise. This additional tax expense is primarily attributable to the required recapture of operating losses previously taken by Papa John's International.

(3) Tax effect was calculated using the company's marginal rate of 22.4%.

The non-GAAP adjusted results shown above should not be construed as a substitute for or a better indicator of the Company's performance than the Company's GAAP results. Management believes presenting the financial information excluding these Special items is important for purposes of comparison to prior year results. In addition, management uses these metrics to evaluate the Company's underlying operating performance and to analyze trends.

Results of Operations

Revenue Recognition and Statement of Operations Presentation

In May 2014, the FASB issued ASU 2014-09, “Revenue from Contracts with Customers” (“ASU 2014-09”), which supersedes nearly all existing revenue recognition guidance under GAAP, including industry-specific requirements, and provides companies with a single revenue recognition framework for recognizing revenue from contracts with customers. In March and April 2016, the FASB issued the following amendments to clarify the implementation guidance: ASU 2016-08, “Revenue from Contracts with Customers (Topic 606): Principal versus Agent Considerations (Reporting Revenue Gross versus Net)” and ASU 2016-10, “Revenue from Contracts with Customers (Topic 606): Identifying Performance Obligations and Licensing”. This update and subsequently issued amendments (collectively “Topic 606”) requires companies to recognize revenue at amounts that reflect the consideration to which the company expects to be entitled in exchange for those goods or services at the time of transfer. The standard requires that we assess contracts to determine each separate and distinct performance obligation. If a contract has multiple performance obligations, we allocate the transaction price using our best estimate of the standalone selling price to each distinct good or service in the contract.

We adopted Topic 606 using the modified retrospective transition method effective January 1, 2018. Results for reporting periods beginning after January 1, 2018 are presented under Topic 606, while prior period amounts are not adjusted and continue to be reported in accordance with our historical accounting under Topic 605, Revenue Recognition.

The cumulative effect adjustment of \$21.5 million was recorded as a reduction to retained earnings as of January 1, 2018 to reflect the impact of adopting Topic 606. The impact of applying Topic 606 for the three and nine months ended September 30, 2018 included the following (dollars in thousands, except for per share amounts):

	<u>Three Months Ended September 30, 2018</u>	<u>Nine Months Ended September 30, 2018</u>
Total revenue impact (a)	\$ 1,486	\$ 5,736
Pre-tax income impact (b)	(1,239)	(3,099)
Diluted EPS	(0.03)	(0.07)

- (a) The increase in total revenues of \$1.5 million and \$5.7 million for the three and nine months ended September 30, 2018 is primarily due to the requirement to present revenues and expenses related to marketing funds we control on a “gross” basis. This increase was partially offset by lower Company-owned restaurant revenues attributable to the revised method of accounting for the loyalty program. The marketing fund gross up is reported in the new financial statement line items, Other revenues and Other expenses, as discussed further below.
- (b) The \$1.2 million and \$3.1 million decreases in pre-tax income for the three and nine months ended September 30, 2018 are primarily due to the revised method of accounting for the loyalty program, marketing fund co-ops we control and franchise fees.

While not required as part of the adoption of Topic 606, our statement of operations includes newly created Other revenues and Other expenses line items. Other revenues and Other expenses include the Topic 606 “gross up” of respective revenues and expenses derived from certain domestic and international marketing fund co-ops we control, as previously discussed. Additionally, Other revenues and Other expenses include various reclassifications from North America Commissary and Other, International and general and administrative expenses to better reflect and aggregate various domestic and international services provided by the Company for the benefit of franchisees. Related 2017 amounts have also been reclassified to conform to the new 2018 presentation. These reclassifications had no impact on total revenues or total costs and expenses reported.

Review of Consolidated Operating Results

Revenues. Domestic Company-owned restaurant sales decreased \$38.0 million, or 19.4%, and \$76.0 million, or 12.5%, for the three and nine months ended September 30, 2018, respectively. These decreases were primarily due to reductions of 13.2% and 8.7% in comparable sales and reductions of revenues of \$15.0 million and \$27.2 million for the refranchising of 62 company-owned restaurants for the three and nine months ended September 30, 2018, respectively. “Comparable sales” represents the change in year-over-year sales for the same base of restaurants for the same fiscal periods.

North America franchise royalties and fees decreased \$12.8 million, or 49.9%, and \$18.2 million, or 22.9%, for the three and nine months ended September 30, 2018, respectively, primarily due to short-term royalty reductions granted to the entire North America system as part of the franchise assistance program of approximately \$9.9 million, which is included in the Special charges. Royalties were further reduced by comparable sales decreases of 8.6% and 6.4% for the three and nine months ended September 30, 2018, respectively. North America franchise restaurant sales decreased 6.7% to \$508.2 million and 5.4% to \$1.6 billion for the three and nine months ended September 30, 2018, respectively. North America franchise restaurant sales are not included in Company revenues; however, our North America franchise royalties are derived from these sales.

North America commissary sales decreased \$17.8 million, or 10.8%, and \$34.0 million, or 6.9%, for the three and nine months ended September 30, 2018, respectively. The decreases were primarily due to lower sales volumes attributable to lower restaurant sales. The decrease for the nine-months ended September 30, 2018 was partially offset by higher commodity pricing.

International revenues decreased \$3.1 million, or 10.8%, and increased \$3.2 million, or 3.9%, for the three and nine months ended September 30, 2018, respectively. The decrease for the quarter was primarily due to reduced revenues from the refranchising of the China company-owned stores and quality control center of approximately \$4.1 million in June 2018. For the quarter, this decrease was partially offset by higher royalties due to an increase in equivalent units. For the nine-month period, the increase in royalties, due to an increase in equivalent units, and the favorable impact of foreign currency exchange more than offset the unfavorable impact of the China refranchising. The impact of foreign currency exchange rates was unfavorable by approximately \$200,000 for the third quarter and favorable by approximately \$3.7 million for the nine months ended September 30, 2018 which was primarily attributable to foreign exchange rates in the United Kingdom (“UK”). “Equivalent units” represents the number of restaurants open at the beginning of a given period, adjusted for restaurants opened, closed, acquired or sold during the period on a weighted average basis.

International franchise restaurant sales increased 12.0% to \$211.1 million and 15.2% to \$627.8 million in the three and nine months ended September 30, 2018, respectively, excluding the impact of foreign currency. The increases for the three and nine-month periods were primarily due to an increase in equivalent units. International franchise restaurant sales are not included in Company revenues; however, our international royalty revenue is derived from these sales.

Other revenues increased \$3.9 million, or 23.1%, and \$8.7 million, or 16.3%, for the three and nine months ended September 30, 2018, respectively. The increases were primarily due to the required 2018 reporting of franchise marketing fund revenues and expenses on a gross basis for the various funds we control in accordance with Topic 606 guidelines. These amounts were previously reported on a net basis. As we did not restate the 2017 amounts in accordance with our adoption of Topic 606 guidelines using the modified retrospective approach, comparability between 2018 and 2017 amounts is reduced. See “Note 3” of “Notes to Condensed Consolidated Financial Statements” for more details. This increase for the nine months ended September 30, 2018 was partially offset by lower revenues for Preferred Marketing Solutions, our print and promotions subsidiary.

Costs and expenses. The operating margin for domestic Company-owned restaurants was 14.2% and 16.8% for the three and nine months ended September 30, 2018, respectively, compared to 17.5% and 19.2% in the corresponding 2017 periods, and consisted of the following (dollars in thousands):

	Three months ended				Nine months ended			
	September 30, 2018		September 24, 2017		September 30, 2018		September 24, 2017

Cost of sales	34,705	21.9%	45,781	23.3%	117,288	22.1%	138,895	22.9%
Other operating expenses	101,131	63.9%	116,086	59.1%	323,648	61.1%	350,824	57.9%
Total expenses	<u>\$ 135,836</u>	<u>85.8%</u>	<u>\$ 161,867</u>	<u>82.5%</u>	<u>\$ 440,936</u>	<u>83.2%</u>	<u>\$ 489,719</u>	<u>80.8%</u>
Margin	\$ 22,449	14.2%	\$ 34,400	17.5%	\$ 88,970	16.8%	\$ 116,200	19.2%

Domestic Company-owned restaurants margin decreased \$12.0 million and \$27.2 million in the three and nine months ended September 30, 2018, respectively. The margin decreases for the third quarter and nine-month period were primarily attributable to lower comparable sales of 13.2% and 8.7%, respectively, and higher non-owned automobile costs. The nine-month period also included higher commodities. Additionally, the adoption of Topic 606 reduced restaurant operating margin due to the revised method of accounting for the customer loyalty program.

North America commissary margins were 5.7% and 6.2% for the three and nine months ended September 30, 2018, respectively, compared to 5.2% and 6.1% for the three and nine months ended September 24, 2017 and consisted of the following (dollars in thousands):

	Three months ended			
	September 30, 2018		September 24, 2017	
North America commissary sales	\$ 146,240		\$ 164,028	
North America commissary expenses	137,928		155,572	
Margin	<u>\$ 8,312</u>	<u>5.7%</u>	<u>\$ 8,456</u>	<u>5.2%</u>

	Nine months ended			
	September 30, 2018		September 24, 2017	
North America commissary sales	\$ 461,408		\$ 495,427	
North America commissary expenses	432,909		465,001	
Margin	<u>\$ 28,499</u>	<u>6.2%</u>	<u>\$ 30,426</u>	<u>6.1%</u>

For the three months ended September 30, 2018, the North America commissary margin of \$8.3 million remained relatively flat as lower operating costs helped offset the impact of lower sales volumes. This improved the operating margin 0.5% as a percentage of sales for the three months ended. For the nine months ended September 30, 2018, the commissary operating margin was lower by \$1.9 million compared to the corresponding period in 2017 primarily due to lower sales volumes and the Company's commitment to maintain a lower overall profit margin as additional support to franchisees.

The international operating margins were 40.8% and 38.2% for the three and nine months ended September 30, 2018, compared to 37.7% and 37.6% for the corresponding 2017 periods and consisted of the following (dollars in thousands):

	Three months ended							
	September 30, 2018				September 24, 2017			
	Revenues	Expenses	Margin \$	Margin %	Revenues	Expenses	Margin \$	Margin %

The international margin decreased approximately \$400,000 and increased \$1.7 million for the three and nine months ended September 30, 2018, respectively. The decrease for the quarter was primarily due to lower income from the United Kingdom quality control center on lower margins, partially offset by higher royalties from increased equivalent units. As a percentage of international revenues, the operating margin increased 3.1% primarily due to the divestiture of our China operations in the second quarter of 2018. The increase of \$1.7 million for the nine-month period was primarily attributable to higher royalties on increased franchise restaurant sales, primarily due to an increase in equivalent units.

As previously discussed, other revenues and other expenses are new financial statement line items in 2018. The margin from Other operations decreased \$2.1 million and \$4.1 million for the three and nine months ended September 30, 2018, respectively, primarily due to higher costs related to various technology initiatives and increased advertising spend in the United Kingdom.

The Other revenues and expenses consisted of the following for the three and nine months ended September 30, 2018 (dollars in thousands):

	Three months ended			
	September 30, 2018		September 24, 2017	
Other revenues	\$ 21,023		\$ 17,076	
Other expenses	22,002		15,906	
Margin (loss)	\$ (979)	(4.7%)	\$ 1,170	6.9%

	Nine months ended			
	September 30, 2018		September 24, 2017	
Other revenues	\$ 61,661		\$ 53,007	
Other expenses	63,658		50,935	
Margin (loss)	\$ (1,997)	(3.2%)	\$ 2,072	3.9%

Operating margin (loss) is not a measurement defined by GAAP and should not be considered in isolation, or as an alternative to evaluation of the Company's financial performance. In addition to an evaluation of GAAP consolidated (loss) income before income taxes, we believe the presentation of operating margin (loss) is beneficial as it represents an

additional measure used by the Company to further evaluate operating efficiency and performance of the various business units. Additionally, operating margin (loss) discussion may be helpful for comparison within the industry. The operating margin (loss) results detailed herein can be calculated by business unit based on the specific revenue and operating expense line items on the face of the Condensed Consolidated Statement of Operation. Consolidated (loss) income before income taxes reported includes general and administrative expenses, depreciation and amortization, franchising losses and net interest expense that have been excluded from this operating margin (loss) calculation.

General and administrative (“G&A”) expenses were \$55.5 million, or 15.2% of revenues, and \$133.9 million, or 11.2% of revenues for the three and nine months ended September 30, 2018, respectively, compared to \$35.8 million, or 8.3% of revenues, and \$112.4 million, or 8.5% of revenues, for the corresponding 2017 periods, respectively. The increases of \$19.7 million and \$21.4 million for the three and nine-month periods, respectively, were primarily due to costs associated with the Special charges of \$14.9 million. The remainder of the increase is due to higher technology initiative costs and increases in professional and legal fees for matters not associated with the Special charges. The increase for the quarter also includes the cost for the annual operators’ conference due to the shift in the timing from the second quarter of 2017. See “Recent Developments and Trends” and “Note 9” of “Notes to Condensed Consolidated Financial Statements” for more Special charges details.

Depreciation and amortization. Depreciation and amortization was \$11.6 million, or 3.2% of revenues, and \$34.9 million, or 2.9% of revenues for the three and nine months ended September 30, 2018, respectively, compared to \$11.2 million, or 2.6% of revenues, and \$32.3 million, or 2.5% of revenues for the corresponding periods in 2017, respectively. These increases are primarily due to additional depreciation on technology related investments. The nine-month period also includes higher depreciation associated with our Georgia quality control center, which opened in July of 2017.

Refranchising losses, net. Refranchising losses of \$1.9 million for the nine months ended September 30, 2018 were primarily related to the refranchising of China. For additional information on the refranchising loss, net, see “Note 7” of “Notes to Condensed Consolidated Financial Statements.”

Interest expense. Interest expense increased approximately \$3.4 million and \$10.4 million for the three and nine months ended September 30, 2018, respectively, primarily due to an increase in average outstanding debt balance, which is primarily due to share repurchases, as well as higher interest rates.

(Loss) Income before income taxes. For the reasons discussed above, (loss) income before income taxes decreased approximately \$50.9 million for the three months ended September 30, 2018 compared to the same period in 2017, and decreased approximately \$86.2 million for the nine months ended September 30, 2018 as compared to the same period in 2017.

Income tax expense. The effective income tax (benefit) expense for the three and nine-month comparable periods are as follows:

	Three Months Ended		Nine Months Ended	
	Sept. 30, 2018	Sept. 24, 2017	Sept. 30, 2018	Sept. 24, 2017
Income (loss) before income taxes	\$ (19,953)	\$ 30,949	\$ 22,114	\$ 108,278
Income tax (benefit) expense	(7,359)	8,280	4,663	30,728
Effective tax (benefit) expense	(36.9%)	26.8%	21.1%	28.4%

The decreases for the three and nine months ended September 30, 2018 are primarily due to the decrease in income as well as the decrease in federal statutory rate from 35% to 21% in the first quarter of 2018. The third quarter also includes an additional benefit of \$2.4 million related to the remeasurement of net deferred tax liabilities as a part of the Company’s 2017 filed federal income tax return. The nine-month period also includes additional income tax from the China refranchising, as previously discussed. See “Note 7” of “Notes to Condensed Consolidated Financial Statements” for additional information.

Diluted (loss) earnings per share. Diluted loss per share was \$0.41 for the three months ended September 30, 2018 compared to diluted earnings per share of \$0.60 for the third quarter of 2017. For the nine months ended September 30, 2018, diluted earnings per share was \$0.47 compared to \$2.02 for the nine months ended September 24, 2017. Adjusted

diluted earnings per share decreased 66.7% to \$0.20 and 41.6% to \$1.18 for the three and nine months ended, respectively in comparison to the prior year.

Liquidity and Capital Resources

Debt

On August 30, 2017, the Company entered into a credit agreement (the “Credit Agreement”) which provided for an unsecured revolving credit facility in an aggregate principal amount of \$600.0 million (the “Revolving Facility”) and an unsecured term loan facility in an aggregate principal amount of \$400.0 million (the “Term Loan Facility”) and together with the Revolving Facility, the “Facilities”. The Facilities mature on August 30, 2022. The loans under the Facilities, after giving effect to the Amendment described below, accrue interest at a per annum rate equal to, at the Company’s election, either a LIBOR rate plus a margin ranging from 125 to 250 basis points or a base rate (generally determined by a prime rate, federal funds rate or a LIBOR rate plus 1.00%) plus a margin ranging from 25 to 150 basis points. In each case, the actual margin is determined according to a ratio of the Company’s total indebtedness to earnings before interest, taxes, depreciation and amortization (“EBITDA”) for the then most recently ended four-quarter period (the “Leverage Ratio”). Quarterly amortization payments are required to be made on the Term Loan Facility in the amount of \$5.0 million which began in the fourth quarter of 2017. Loans outstanding under the Credit Agreement may be prepaid at any time without premium or penalty, subject to customary breakage costs in the case of borrowings for which a LIBOR rate election is in effect. Up to \$35.0 million of the Revolving Facility may be advanced in certain agreed foreign currencies, including Euros, Pounds Sterling, Canadian Dollars, Japanese Yen, and Mexican Pesos. The Credit Agreement contains customary affirmative and negative covenants, including financial covenants requiring the maintenance of the Leverage Ratio and a specified fixed charge coverage ratio.

On October 9, 2018, we entered into an amendment to the Credit Agreement (the “Amendment”), which amendments and modifications to the Credit Agreement are effective through the remainder of the term of the Facilities and include, without limitation, the following:

- reduction of the maximum amount available under the Revolving Facility to \$400.0 million; there was no change in available Term Loan Facility borrowings;
- amendment to the definition of EBITDA to exclude certain costs recorded as Special charges (up to certain pre-defined limits) as detailed in Note 9 “Commitments and Contingencies”;
- modification of the financial covenants in the Credit Agreement by increasing the permitted Leverage Ratio to 5.25 to 1.0 beginning in the third quarter of 2018, decreasing over time to 4.00 to 1.0 by 2022; and decreasing the permitted specified fixed charge coverage ratio to 2.00 to 1.0 beginning in the third quarter of 2018 and increasing over time to 2.50 to 1.0 in 2021 and thereafter. We were in compliance with these financial covenants at September 30, 2018;
- modifications to the negative covenant restricting the ability to make dividends and distributions to provide if the Leverage Ratio is above 3.75 to 1.0, the Company (x) cannot repurchase any of its shares of common stock and (y) cannot increase the cash dividend above the lesser of \$0.225 per share per quarter or \$35 million per fiscal year;
- increase in the interest rate payable on outstanding loans for the Facilities based on the Leverage Ratio as follows:
 - removal of interest rate pricing tiers if the Leverage Ratio of the Company is less than 1.50 to 1.00;
 - if the Leverage Ratio of the Company is greater than 3.50 to 1.00 but less than 4.50 to 1.00, the Company will pay an additional 0.25% per annum interest rate margin on the outstanding loans under the Facilities and an additional 0.05% per annum commitment fee on the unused portion of the Revolving Facility;
 - if the Leverage Ratio of the Company is greater than 4.50 to 1.00, the Company will pay an additional 0.50% per annum interest rate margin on the outstanding loans under the Facilities and an additional 0.10% per annum commitment fee on the unused portion of the Revolving Facility; and
- requirement that the Company and certain direct and indirect domestic subsidiaries of the Company grant a security interest in substantially all of the capital stock and equity interests of their respective domestic and first tier material foreign subsidiaries to secure the obligations owing under the Facilities.

Under the Credit Agreement, we have the option to increase the Revolving Facility or the Term Loan Facility in an aggregate amount of up to \$300.0 million, subject to the Leverage Ratio of the Company not exceeding 4.00 to 1.0.

Our outstanding debt of \$578.6 million at September 30, 2018 under the Facilities was composed of \$380.0 million outstanding under the Term Loan Facility and \$198.6 million outstanding under the Revolving Facility. Including outstanding letters of credit, the Company's remaining availability under the Facilities at September 30, 2018 was approximately \$166.4 million.

As of September 30, 2018, the Company had approximately \$2.8 million in unamortized debt issuance costs, which are being amortized into interest expense over the term of the Facilities. Upon execution of the Amendment, subsequent to September 30, 2018, we wrote off approximately \$560,000 of these unamortized debt issuance costs in accordance with applicable accounting guidance. The Company also incurred additional amendment fees of approximately \$1.9 million, which will be amortized into interest expense over the remaining term of the Facilities.

We use interest rate swaps to hedge against the effects of potential interest rate increases on borrowings under our Facilities. As of September 30, 2018, we have the following interest rate swap agreements:

Effective Dates	Floating Rate Debt	Fixed Rates
April 30, 2018 through April 30, 2023	\$ 55 million	2.33 %
April 30, 2018 through April 30, 2023	\$ 35 million	2.36 %
April 30, 2018 through April 30, 2023	\$ 35 million	2.34 %
January 30, 2018 through August 30, 2022	\$ 100 million	1.99 %
January 30, 2018 through August 30, 2022	\$ 75 million	1.99 %
January 30, 2018 through August 30, 2022	\$ 75 million	2.00 %
January 30, 2018 through August 30, 2022	\$ 25 million	1.99 %

Our Credit Agreement contains affirmative and negative covenants, as detailed above, including the following financial covenants, as amended in October 2018:

	Permitted Ratio	Actual Ratio for the Quarter Ended September 30, 2018
Leverage Ratio	Not to exceed 5.25 to 1.0	3.8 to 1.0
Interest Coverage Ratio	Not less than 2.0 to 1.0	3.3 to 1.0

As stated above, our leverage ratio is defined as outstanding debt divided by consolidated EBITDA for the most recent four fiscal quarters. Our interest coverage ratio is defined as the sum of consolidated EBITDA and consolidated rental expense for the most recent four fiscal quarters divided by the sum of consolidated interest expense and consolidated rental expense for the most recent four fiscal quarters. We were in compliance with all financial covenants as of September 30, 2018.

Cash Flows

Cash flow provided by operating activities was \$98.8 million in the nine months ending September 30, 2018 compared to \$114.9 million in the corresponding period in 2017. The decrease of approximately \$16.1 million was primarily due to lower net income, somewhat offset by favorable changes in working capital items. See "Recent Developments and Trends" and "Note 9" of "Notes to Condensed Consolidated Financial Statements" for more details related to the Special charges.

Our free cash flow, a non-GAAP financial measure, was as follows in the third quarter of 2018 and 2017 (in thousands):

	Nine Months Ended	
	September 30, 2018	September 24, 2017
Net cash provided by operating activities	\$ 98,812	\$ 114,917
Purchases of property and equipment	(30,593)	(43,195)
Free cash flow (a)	\$ 68,219	\$ 71,722

- (a) Free cash flow, a non-GAAP measure, is defined as net cash provided by operating activities (from the consolidated statements of cash flows) less the purchases of property and equipment. We view free cash flow as an important liquidity measure because it is one factor that management uses in determining the amount of cash available for discretionary investment. However, it does not represent residual cash flows available for discretionary expenditures. Free cash flow is not a term defined by GAAP, and as a result, our measure of free cash flow might not be comparable to similarly titled measures used by other companies. Free cash flow should not be construed as a substitute for or a better indicator of our liquidity or performance than the Company's GAAP measures.

Cash flow used in investing activities was \$22.4 million in the nine months ending September 30, 2018 compared to \$42.4 million for the same period in 2017, or a decrease of \$20.0 million. The decrease in cash flow used in investing activities was primarily lower capital spend as 2017 included construction costs for our commissary in Georgia, which opened in July of 2017. We also received \$7.7 million in proceeds from the refranchising of our joint ventures in Denver and Minnesota which were completed in the first and third quarters of 2018, respectively.

We also require capital for share repurchases and the payment of cash dividends, which are funded by cash flow from operations and borrowings from our Credit Agreement. In the nine months ending September 30, 2018, we had net proceeds of \$108.6 million from the issuance of long-term debt and used \$158.0 million for share repurchases. In the nine months ending September 24, 2017, we had net proceeds of approximately \$100.0 million from issuance of additional debt under the Credit Agreement and used \$121.7 million for share repurchases.

Our Board of Directors has authorized the repurchase of up to \$2.075 billion of common stock under a share repurchase program that began on December 9, 1999 and expires on February 27, 2019, with remaining authorization available as of September 30, 2018 of \$269.7 million. Funding for the share repurchase program has been provided through our credit facilities, operating cash flow, stock option exercises and cash and cash equivalents. In connection with the execution of our amended Credit Agreement in October 2018, the Company cannot repurchase any additional shares when our Leverage Ratio, as defined in the Credit Agreement, is higher than 3.75 to 1.0.

On March 1, 2018, the Company announced a \$100 million accelerated share repurchase agreement ("ASR Agreement") with Bank of America, N.A. The ASR Agreement was completed May 14, 2018, delivering approximately 1.7 million shares. For the nine months ended September 30, 2018, the Company has purchased \$158.0 million of stock, including the ASR Agreement, delivering approximately 2.7 million shares. The Company does not expect to repurchase any additional shares in 2018.

The Company paid dividends of approximately \$21.9 million (\$0.675 per common share) during the nine months of 2018. Subsequent to the third quarter on November 1, 2018, our Board of Directors declared a fourth quarter dividend of \$0.225 per common share (approximately \$7.1 million based on current shareholders of record). The dividend will be paid on November 23, 2018 to shareholders of record as of the close of business on November 12, 2018. In connection with the execution of our amended Credit Facility in October 2018, no increase in dividends per share may occur when the Leverage Ratio, as defined, is higher than 3.75 to 1.0.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Interest Rate Risk

On August 30, 2017, the Company entered into a credit agreement (the “Credit Agreement”) which provided for an unsecured revolving credit facility in an aggregate principal amount of \$600.0 million (the “Revolving Facility”) and an unsecured term loan facility in an aggregate principal amount of \$400.0 million (the “Term Loan Facility”) and together with the Revolving Facility, the “Facilities”. The Facilities mature on August 30, 2022. The loans under the Facilities, after giving effect to the Amendment described below, accrue interest at a per annum rate equal to, at the Company's election, either a LIBOR rate plus a margin ranging from 125 to 250 basis points or a base rate (generally determined by a prime rate, federal funds rate or a LIBOR rate plus 1.00%) plus a margin ranging from 25 to 150 basis points. In each case, the actual margin is determined according to a ratio of the Company's total indebtedness to earnings before interest, taxes, depreciation and amortization (“EBITDA”) for the then most recently ended four-quarter period (the “Leverage Ratio”). Quarterly amortization payments are required to be made on the Term Loan Facility in the amount of \$5.0 million which began in the fourth quarter of 2017. Loans outstanding under the Credit Agreement may be prepaid at any time without premium or penalty, subject to customary breakage costs in the case of borrowings for which a LIBOR rate election is in effect. Up to \$35.0 million of the Revolving Facility may be advanced in certain agreed foreign currencies, including Euros, Pounds Sterling, Canadian Dollars, Japanese Yen, and Mexican Pesos. The Credit Agreement contains customary affirmative and negative covenants, including financial covenants requiring the maintenance of the Leverage Ratio and a specified fixed charge coverage ratio.

On October 9, 2018, we entered into an amendment to the Credit Agreement (the “Amendment”), which amendments and modifications to the Credit Agreement are effective through the remainder of the term of the Facilities and include, without limitation, the following:

- reduction of the maximum amount available under the Revolving Facility to \$400.0 million; there was no change in available Term Loan Facility borrowings;
- amendment to the definition of EBITDA to exclude certain costs recorded as Special charges (up to certain pre-defined limits) as detailed in Note 9 “Commitments and Contingencies”;
- modification of the financial covenants in the Credit Agreement by increasing the permitted Leverage Ratio to 5.25 to 1.0 beginning in the third quarter of 2018, decreasing over time to 4.00 to 1.0 by 2022; and decreasing the permitted specified fixed charge coverage ratio to 2.00 to 1.0 beginning in the third quarter of 2018 and

increasing over time to 2.50 to 1.0 in 2021 and thereafter. We were in compliance with these financial covenants at September 30, 2018;

- modifications to the negative covenant restricting the ability to make dividends and distributions to provide if the Leverage Ratio is above 3.75 to 1.0, the Company (x) cannot repurchase any of its shares of common stock and (y) cannot increase the cash dividend above the lesser of \$0.225 per share per quarter or \$35 million per fiscal year;
- increase in the interest rate payable on outstanding loans for the Facilities based on the Leverage Ratio as follows:
 - removal of interest rate pricing tiers if the Leverage Ratio of the Company is less than 1.50 to 1.00;
 - if the Leverage Ratio of the Company is greater than 3.50 to 1.00 but less than 4.50 to 1.00, the Company will pay an additional 0.25% per annum interest rate margin on the outstanding loans under the Facilities and an additional 0.05% per annum commitment fee on the unused portion of the Revolving Facility;
 - if the Leverage Ratio of the Company is greater than 4.50 to 1.00, the Company will pay an additional 0.50% per annum interest rate margin on the outstanding loans under the Facilities and an additional 0.10% per annum commitment fee on the unused portion of the Revolving Facility; and
- requirement that the Company and certain direct and indirect domestic subsidiaries of the Company grant a security interest in substantially all of the capital stock and equity interests of their respective domestic and first tier material foreign subsidiaries to secure the obligations owing under the Facilities.

Under the Credit Agreement, we have the option to increase the Revolving Facility or the Term Loan Facility in an aggregate amount of up to \$300.0 million, subject to the Leverage Ratio of the Company not exceeding 4.00 to 1.00.

Our outstanding debt of \$578.6 million at September 30, 2018 under the Facilities was composed of \$380.0 million outstanding under the Term Loan Facility and \$198.6 million outstanding under the Revolving Facility. Including outstanding letters of credit, the Company's remaining availability under the Facilities at September 30, 2018 was approximately \$166.4 million.

As of September 30, 2018, the Company had approximately \$2.8 million in unamortized debt issuance costs, which are being amortized into interest expense over the term of the Facilities. Upon execution of the Amendment, subsequent to September 30, 2018, we wrote off approximately \$560,000 of these unamortized debt issuance costs in accordance with applicable accounting guidance. The Company also incurred additional amendment fees of approximately \$1.9 million, which will be amortized into interest expense over the remaining term of the Facilities.

We attempt to minimize interest risk exposure by fixing our rate through the utilization of interest rate swaps, which are derivative financial instruments. Our swaps are entered into with financial institutions that participate in the Facilities. By using a derivative instrument to hedge exposures to changes in interest rates, we expose ourselves to credit risk. Credit risk is due to the possible failure of the counterparty to perform under the terms of the derivative contract.

We use interest rate swaps to hedge against the effects of potential interest rate increases on borrowings under our Facilities. As of September 30, 2018, we have the following interest rate swap agreements:

Effective Dates	Floating Rate Debt	Fixed Rates
April 30, 2018 through April 30, 2023	\$ 55 million	2.33 %
April 30, 2018 through April 30, 2023	\$ 35 million	2.36 %
April 30, 2018 through April 30, 2023	\$ 35 million	2.34 %
January 30, 2018 through August 30, 2022	\$ 100 million	1.99 %
January 30, 2018 through August 30, 2022	\$ 75 million	1.99 %
January 30, 2018 through August 30, 2022	\$ 75 million	2.00 %
January 30, 2018 through August 30, 2022	\$ 25 million	1.99 %

The weighted average interest rates on our debt, including the impact of the interest rate swap agreements, were 3.9% and 3.7% for the three and nine months ended September 30, 2018. An increase in the present interest rate of 100 basis points on the line of credit balance outstanding as of September 30, 2018 would increase annual interest expense by \$1.8 million.

Foreign Currency Exchange Rate Risk

We are exposed to foreign currency exchange rate fluctuations from our operations outside of the United States, which can adversely impact our revenues, net (loss) income and cash flows. Our international operations principally consist of distribution sales to franchised Papa John’s restaurants located in the United Kingdom and Mexico and our franchise sales and support activities, which derive revenues from sales of franchise and development rights and the collection of royalties from our international franchisees. For each of the periods presented, between 6% and 8% of our revenues were derived from these operations.

We have not historically hedged our exposure to foreign currency fluctuations. Foreign currency exchange rate fluctuations had an unfavorable impact of approximately \$200,000 and a favorable impact of \$3.7 million on our International revenues for the three and nine months ended September 30, 2018, respectively, and a \$300,000 and \$5.9 million unfavorable impact for the three months and nine months ended September 24, 2017. Foreign currency exchange rate fluctuations had no significant impact on (loss) income before income taxes for the three and nine months ended September 30, 2018 and September 24, 2017.

The outcome of the June 2016 referendum in the United Kingdom was a vote for the United Kingdom to cease to be a member of the European Union (known as “Brexit”). This resulted in a lower valuation, on a historical basis, of the British Pound in comparison to the US Dollar. The future impact of Brexit on our franchise operations included in the European Union could also include but may not be limited to additional currency volatility and future trade, tariff, and regulatory changes. As of September 30, 2018, 30.6% of our total international restaurants are in countries within the European Union.

Commodity Price Risk

In the ordinary course of business, the food and paper products we purchase, including cheese (our largest individual food cost item), are subject to seasonal fluctuations, weather, availability, demand and other factors that are beyond our control. We have pricing agreements with some of our vendors, including forward pricing agreements for a portion of our cheese purchases for our domestic Company-owned restaurants, which are accounted for as normal purchases; however, we still remain exposed to on-going commodity volatility.

The following table presents the actual average block price for cheese by quarter through the third quarter of 2018 and the projected average block price for cheese by quarter through 2018 (based on the October 30, 2018 Chicago Mercantile Exchange cheese futures market prices):

	<u>2018</u> <u>Projected</u> <u>Block Price</u>	<u>2017</u> <u>Actual</u> <u>Block Price</u>
Quarter 1	\$ 1.522	\$ 1.613
Quarter 2	1.607	1.566
Quarter 3	1.590	1.642
Quarter 4	1.561	1.639
Full Year	<u>\$ 1.570 *</u>	<u>\$ 1.615</u>

*The full year estimate is based on futures prices and does not include the impact of forward pricing agreements we have for a portion of our cheese purchases for our domestic Company-owned restaurants. Additionally, the price charged to restaurants can vary somewhat by quarter from the actual block price based upon our monthly pricing mechanism.

Item 4. Controls and Procedures

Under the supervision and with the participation of the Company’s management, including its chief executive officer and chief financial officer, the Company has evaluated the effectiveness of the design and operation of its disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Based upon this evaluation, the chief executive officer and chief financial officer have concluded that, as of the end of the period covered by this report, the Company’s disclosure controls and procedures were effective.

During the most recently completed fiscal quarter, there was no change made in the Company's internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting. We implemented internal controls to ensure we adequately evaluated our contracts and properly assessed the impact of the new accounting standards related to revenue recognition on our financial statements to facilitate their adoption on January 1, 2018. There were no changes to our internal control over financial reporting that materially affected the Company's internal control over financial reporting due to the adoption of the new standards.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

The Company is involved in a number of lawsuits, claims, investigations and proceedings consisting of intellectual property, employment, consumer, commercial and other matters arising in the ordinary course of business. In accordance with Financial Accounting Standards Board Accounting Standards Codification 450, "Contingencies", the Company has made accruals with respect to these matters, where appropriate, which are reflected in the Company's consolidated financial statements. We review these provisions at least quarterly and adjust these provisions to reflect the impact of negotiations, settlements, rulings, advice of legal counsel and other information and events pertaining to a particular case. The legal proceedings described in "Note 9" of "Notes to the Condensed Consolidated Financial Statements" are incorporated herein by reference.

Item 1A. Risk Factors

There have been no material changes to the risk factors disclosed in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, as supplemented by the risk factors disclosed in the Company's Quarterly Report on Form 10-Q for the quarter ended July 1, 2018.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

Our Board of Directors has authorized the repurchase of up to \$2.075 billion of common stock under a share repurchase program that began on December 9, 1999 and expires on February 27, 2019. Through September 30, 2018, a total of 115.2 million shares with an aggregate cost of \$1.8 billion and an average price of \$15.66 per share have been repurchased under this program. As of September 30, 2018, approximately \$269.7 million remained available for repurchase of common stock under this authorization. In connection with the execution of our amended Credit Agreement in October 2018, the Company cannot repurchase any additional shares when our Leverage Ratio, as defined in the Credit Agreement, is higher than 3.75 to 1.0.

The following table summarizes our repurchases by fiscal period during the third quarter of 2018 (in thousands, except per-share amounts):

Fiscal Period	Total Number of Shares Purchased	Average Price Paid per Share	Total Number of Shares Purchased as Part of Publicly Announced Plans or Programs	Maximum Dollar Value of Shares that May Yet Be Purchased Under the Plans or Programs
7/2/2018 - 7/29/2018	111	\$ 49.66	115,163	\$ 273,801
7/30/2018 - 8/26/2018	96	\$ 42.66	115,259	\$ 269,715
8/27/2018 - 9/30/2018	—	\$ —	115,259	\$ 269,715

The Company utilizes a written trading plan under Rule 10b5-1 under the Exchange Act from time to time to facilitate the repurchase of shares of our common stock under this share repurchase program. The Company does not expect to repurchase any more shares in 2018 after the current trading plan expired in early August.

During the fiscal quarter ended September 30, 2018, the Company acquired approximately 3,000 shares of its common stock from employees to satisfy minimum tax withholding obligations that arose upon (i) vesting of restricted stock granted pursuant to approved plans and (ii) distribution of shares of common stock issued pursuant to deferred compensation obligations.

The Administrative Agent shall notify the Revolving Lenders of any such replacement of the Swingline Lender. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. The Borrower unconditionally and irrevocably agrees that, in connection with any Letter of Credit issued for the support of any Subsidiary's obligations as provided in the first sentence of this paragraph, the Borrower will be fully responsible for the reimbursement of LC Disbursements in accordance with the terms hereof, the payment of interest thereon and the payment of fees due under Section 2.12(b) to the same extent as if it were the sole account party in respect of such Letter of Credit (the Borrower hereby irrevocably waiving any defenses that might otherwise be available to it as a guarantor or surety of the obligations of such Subsidiary that is an account party in respect of any such Letter of Credit). Notwithstanding anything herein to the contrary, no Issuing Bank shall have any obligation hereunder to issue, and shall not issue, any Letter of Credit (i) the proceeds of which would be made available to any Person (A) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding, is the subject of any Sanctions or (B) in any manner that would result in a violation of any Sanctions by any party to this Agreement, (ii) if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Requirement of Law relating to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it, or (iii) if the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally; provided that, notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements or directives thereunder or issued in connection therewith or in the implementation thereof, and (y) all requests, rules, guidelines, requirements or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed not to be in effect on the Effective Date for purposes of clause (ii) above, regardless

of the date enacted, adopted, issued or implemented. Notwithstanding the foregoing, the letters of credit identified on Schedule 2.06 (the “Existing Letters of Credit”) shall be deemed to be “Letters of Credit” issued on the Effective Date for all purposes of the Loan Documents.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or telecopy (or transmit through any Electronic System, if arrangements for doing so have been approved by the applicable Issuing Bank) to the applicable Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension, but in any event no less than three Business Days) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the Agreed Currency applicable thereto, the name and address of the beneficiary thereof, and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by any Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank’s standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the Dollar Amount of the aggregate LC Exposure shall not exceed \$60,000,000, (ii) no Revolving Lender’s Dollar Amount of Revolving Exposure shall exceed its Revolving Commitment, (iii) the Dollar Amount of the Aggregate Revolving Exposure shall not exceed the aggregate Revolving Commitments and (iv) the Dollar Amount of the total outstanding Revolving Loans and LC Exposure, in each case denominated in Foreign Currencies, shall not exceed the Foreign Currency Sublimit. Notwithstanding the foregoing or anything to the contrary contained herein, no Issuing Bank shall be obligated to issue or modify any Letter of Credit if, immediately after giving effect thereto, the outstanding LC Exposure in respect of all Letters of Credit issued by such Person and its Affiliates would exceed such Issuing Bank’s Issuing Bank Sublimit. Without limiting the foregoing and without affecting the limitations contained herein, it is understood and agreed that the Borrower may from time to time request that an Issuing Bank issue Letters of Credit in excess of its individual Issuing Bank Sublimit in effect at the time of such request, and each Issuing Bank agrees to consider any such request in good faith. Any Letter of Credit so issued by an Issuing Bank in excess of its individual Issuing Bank Sublimit then in effect shall nonetheless constitute a Letter of Credit for all purposes of the Credit Agreement, and shall not affect the Issuing Bank Sublimit of any other Issuing Bank, subject to the limitations on the aggregate LC Exposure set forth in clause (i) of this Section 2.06(b).

(c) Expiration Date. Each Letter of Credit shall expire (or be subject to termination or non-renewal by notice from the applicable Issuing Bank to the beneficiary thereof) at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, including, without limitation, any automatic renewal provision, one year after such renewal or extension) and (ii) the date that is ten (10) Business Days prior to the Revolving Credit Maturity Date; provided that any Letter of Credit with a one-year tenor may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (ii) above); provided further that, notwithstanding the foregoing, a Letter of Credit may expire after the Revolving Credit Maturity Date if the Borrower provides cash collateral acceptable to the applicable Issuing ~~Lender~~Bank in its sole discretion ~~on~~in accordance with Section 2.06(j) no later than sixty (60) days prior to the Revolving Credit Maturity Date. For the avoidance of doubt, if the Revolving

Credit Maturity Date shall be extended pursuant to Section 2.23, "Revolving Credit Maturity Date" as referenced in this paragraph shall refer to the Revolving Credit Maturity Date as extended pursuant to Section 2.23; provided that, notwithstanding anything in this Agreement (including Section 2.23 hereof) or any other Loan Document to the contrary, the Revolving Credit Maturity Date, as such term is used in reference to any Issuing Bank or any Letter of Credit issued thereby, may not be extended with respect to any Issuing Bank without the prior written consent of such Issuing Bank.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of any Issuing Bank or the Revolving Lenders, each Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent in an amount equal to (and in the same Agreed Currency as) such LC Disbursement, not later than 12:00 p.m., Local Time, on (i) the Business Day that the Borrower receives notice of such LC Disbursement, if such notice is received prior to 10:00 a.m., Local Time on the day of receipt, or (ii) the Business Day immediately following the day that the Borrower receives such notice, if such notice is received after 10:00 a.m., Local Time, on the day of receipt; provided that, if such LC Disbursement is greater than or equal to the Dollar Amount of \$100,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.05 that such payment be financed with (i) to the extent such LC Disbursement was made in dollars, an ABR Revolving Borrowing, Eurocurrency Revolving Borrowing or Swingline Loan in dollars in an amount equal to such LC Disbursement or (ii) to the extent that such LC Disbursement was made in a Foreign Currency, a Eurocurrency Revolving Borrowing in such Foreign Currency in an amount equal to such LC Disbursement and, in each case, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing, Eurocurrency Revolving Borrowing or Swingline Loan, as applicable. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof, and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to such Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank, as their interests may appear.

Any payment made by a Revolving Lender pursuant to this paragraph to reimburse any Issuing Bank for any LC Disbursement (other than the funding of Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement. If the Borrower's reimbursement of, or obligation to reimburse, any amounts in any Foreign Currency would subject the Administrative Agent, any Issuing Bank or any Lender to any stamp duty, ad valorem charge or similar tax that would not be payable if such reimbursement were made or required to be made in dollars, the Borrower shall, at its option, either (x) pay the amount of any such tax requested by the Administrative Agent, the relevant Issuing Bank or the relevant Lender or (y) reimburse each LC Disbursement made in such Foreign Currency in dollars, in an amount equal to the Equivalent Amount thereof, calculated using the applicable Exchange Rates, on the date such LC Disbursement is made, of such LC Disbursement

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein or herein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) any payment by any Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Revolving Lenders or the Issuing Banks, or any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit, or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of any Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, bad faith or willful misconduct on the part of any Issuing Bank (as finally determined by a nonappealable judgment of a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, each Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit issued by such Issuing Bank. Such Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by telecopy or any Electronic System) of such demand for payment

and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans (or, in the case such LC Disbursement is denominated in a Foreign Currency, at the Overnight Foreign Currency Rate for such Agreed Currency plus the then effective Applicable Rate with respect to Eurocurrency Revolving Loans) and such interest shall be due and payable on the date when such reimbursement is due; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(d) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Replacement and Resignation of an Issuing Bank.

(i) Any Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Revolving Lenders of any such replacement of any Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (x) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (y) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit then outstanding and issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(ii) Subject to the appointment and acceptance of a successor Issuing Bank, any Issuing Bank may resign as an Issuing Bank at any time upon thirty days' prior written notice to the Administrative Agent, the Borrower and the Revolving Lenders, in which case, such Issuing Bank shall be replaced in accordance with Section 2.06(i)(i) above.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing greater than 50% of the aggregate LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "LC Collateral Account"), an amount in cash in dollars equal to 105% of the Dollar Amount of the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that (i) the portions of such amount attributable to undrawn Foreign Currency Letters of Credit or LC Disbursements in a Foreign Currency that the Borrower is not late in reimbursing shall be deposited in the applicable Foreign Currencies in the actual

amounts of such undrawn Letters of Credit and LC Disbursements and (ii) the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h), (k) or (l) of Article VII. For the purposes of this paragraph, the Foreign Currency LC Exposure shall be calculated using the applicable Exchange Rate on the date notice demanding cash collateralization is delivered to the Borrower. The Borrower also shall deposit cash collateral in accordance with this paragraph as and to the extent required by Section 2.11(b) or 2.20. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over the LC Collateral Account and the Borrower hereby grants the Administrative Agent a security interest in the LC Collateral Account and all moneys or other assets on deposit therein or credited thereto. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse each Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing greater than 50% of the aggregate LC Exposure), be applied to satisfy other Obligations. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all such Events of Default have been cured or waived as confirmed in writing by the Administrative Agent.

(k) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the stated amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date and amount of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the amount of such LC Disbursement, and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(l) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

SECTION 2.07. Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by such Lender hereunder on the proposed date thereof solely by wire transfer of immediately available funds (i) in the case of Loans denominated in dollars, by 1:00 p.m., New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender's Applicable Percentage and (ii) in the case of each Loan denominated in a Foreign Currency, by 1:00 p.m., Local Time, in the city of the Administrative Agent's Eurocurrency Payment Office for such currency and at such Eurocurrency Payment Office for such currency in an Equivalent Amount denominated in such currency equal to such Lender's Applicable Percentage; provided that (i) Term Loans shall be made as provided in Section 2.01(b) and (ii) Swingline Loans shall be made as provided in Section 2.05. Except in respect of the provisions of this Agreement covering the reimbursement of Letters of Credit, the Administrative Agent will make such Loans available to the Borrower by promptly crediting the funds so received in the aforesaid account of the Administrative Agent to the Funding Account(s); provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation (including without limitation the Overnight Foreign Currency Rate in the case of Loans denominated in a Foreign Currency) or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.08. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone (in the case of a Borrowing denominated in dollars) or through any Electronic System, if arrangements for doing so have been approved by the Administrative Agent, by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed

promptly by hand delivery, Electronic System or telecopy to the Administrative Agent of a written Interest Election Request signed by the Borrower. Notwithstanding any contrary provision herein, this Section shall not be construed to permit the Borrower to (i) change the currency of any Borrowing, (ii) elect an Interest Period for Eurocurrency Loans that does not comply with Section 2.02(d) or (iii) convert any Borrowing to a Borrowing of a Type not available under the Class of Commitments pursuant to which such Borrowing was made.

(c) Each telephonic and written Interest Election Request (including requests submitted through any Electronic System) shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period and Agreed Currency to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) in the case of a Borrowing denominated in dollars, such Borrowing shall be converted or continued as a Eurocurrency Borrowing with an Interest Period of one month's duration and (ii) in the case of a Borrowing denominated in a Foreign Currency in respect of which the Borrower shall have failed to deliver an Interest Election Request prior to the third (3rd) Business Day preceding the end of such Interest Period, such Borrowing shall automatically continue as a Eurocurrency Borrowing in the same Agreed Currency with an Interest Period of one month unless such Eurocurrency Borrowing is or was repaid in accordance with Section 2.11. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing denominated in dollars may be converted to or continued as a Eurocurrency Borrowing, (ii) unless repaid, each Eurocurrency Borrowing denominated in dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each Eurocurrency Borrowing denominated in a Foreign Currency shall automatically be continued as a Eurocurrency Borrowing with an Interest Period of one month.

SECTION 2.09. Termination and Reduction of Commitments; Increase in Revolving Commitments; Incremental Term Loans.

(a) Unless previously terminated, (i) the Term Loan Commitments shall terminate at 3:00 p.m., New York City time, on the Effective Date and (ii) the Revolving Commitments shall terminate on the Revolving Credit Maturity Date.

(b) The Borrower may at any time terminate the Revolving Commitments upon (i) the payment in full of all outstanding Revolving Loans and LC Disbursements, together with accrued and unpaid interest thereon, (ii) the cancellation and return of all outstanding Letters of Credit (or alternatively, with respect to each such Letter of Credit, the furnishing to the Administrative Agent of a cash deposit (or at the discretion of the Administrative Agent a backup standby letter of credit satisfactory to the Administrative Agent and the applicable Issuing Bank) in a Dollar Amount equal to 105% of the LC Exposure as of such date), (iii) the payment in full of the accrued and unpaid fees, and (iv) the payment in full of all reimbursable expenses and other Obligations together with accrued and unpaid interest thereon (other than contingent obligations that have not yet been asserted).

(c) The Borrower may at any time and from time to time reduce the Revolving Commitments; provided that (i) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$10,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, (x) the Dollar Amount of the Aggregate Revolving Exposure would exceed the aggregate Revolving Commitments or (y) the Dollar Amount of the total outstanding Revolving Loans and LC Exposure, in each case, denominated in Foreign Currencies, would exceed the Foreign Currency Sublimit.

(d) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments under paragraph (b) or (c) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or other transactions specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Revolving Commitments shall be permanent. Each reduction of the Revolving Commitments shall be made ratably among the Lenders in accordance with their respective Revolving Commitments.

(e) The Borrower shall have the right to increase the Revolving Commitments or enter into one or more tranches of term loans (each an "Incremental Term Loan"), in each case by obtaining additional Revolving Commitments or participations in such Incremental Term Loans, either from one or more of the Lenders or another lending institution (other than any Ineligible Institution), provided that (i) any such request for an increase or tranche of Incremental Term Loans shall be in a minimum amount of \$50,000,000, (ii) after giving effect thereto, the sum of the total of the additional Revolving Commitments and Incremental Term Loans does not exceed \$300,000,000, (iii) the Administrative Agent, the Swingline Lender and each Issuing Bank have approved the identity of any such new Lender, such approvals not to be unreasonably withheld, (iv) any such new Lender assumes all of the rights and obligations of a "Lender" hereunder, and (v) the procedures described in Section 2.09(f) have been satisfied. Nothing

contained in this Section 2.09 shall constitute, or otherwise be deemed to be, a commitment on the part of any Lender to increase its Revolving Commitment or participate in any tranche of Incremental Term Loans hereunder at any time.

(f) As a condition precedent to such an increase of the Revolving Commitments or tranche of Incremental Term Loans, the Borrower shall deliver to the Administrative Agent (i) a certificate of each Loan Party signed by an authorized officer of such Loan Party (A) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such increase or tranche, and (B) in the case of the Borrower, certifying that, before and after giving effect (including giving effect on a pro forma basis) to such increase or tranche, (1) the representations and warranties contained in Article III and the other Loan Documents are true and correct in all material respects (or in all respects in the case of any representation or warranty qualified by materiality or Material Adverse Effect), except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct in all material respects (or in all respects in the case of any representation or warranty qualified by materiality or Material Adverse Effect) as of such earlier date, (2) no Default or Event of Default exists ~~and (3) or would result therefrom,~~ (3) the Leverage Ratio is not greater than 4.00 to 1.00 and (4) the Borrower is in compliance ~~(on a pro forma basis)~~ with the covenants financial covenant contained in Sections 6.14 and Section 6.15 (which calculations shall in the foregoing clauses (B)(3) and (B)(4) shall each assume that such increase of the Revolving Commitments is fully drawn or such tranche of Incremental Term Loans is fully funded, as the case may be) and (ii) legal opinions and documents consistent with those delivered on the Effective Date, to the extent requested by the Administrative Agent.

(g) On the effective date of any such increase or tranche of Incremental Term Loans, (i) any Lender increasing (or, in the case of any newly added Lender, extending) its Revolving Commitment shall make available to the Administrative Agent such amounts in immediately available funds as the Administrative Agent shall determine, for the benefit of the other Lenders, as being required in order to cause, after giving effect to such increase or addition and the use of such amounts to make payments to such other Lenders, each Lender's portion of the outstanding Revolving Loans of all the Lenders to equal its revised Applicable Percentage of such outstanding Revolving Loans, and the Administrative Agent shall make such other adjustments among the Lenders with respect to the Revolving Loans then outstanding and amounts of principal, interest, commitment fees and other amounts paid or payable with respect thereto as shall be necessary, in the opinion of the Administrative Agent, in order to effect such reallocation and (ii) except in the case of any Incremental Term Loans, the Borrower shall be deemed to have repaid and reborrowed all outstanding Revolving Loans as of the date of any increase (or addition) in the Revolving Commitments (with such reborrowing to consist of the Types of Revolving Loans, with related Interest Periods if applicable, specified in a notice delivered by the Borrower, in accordance with the requirements of Section 2.03). The deemed payments made pursuant to clause (ii) of the immediately preceding sentence shall be accompanied by payment of all accrued interest on the amount prepaid and, in respect of each Eurocurrency Loan, shall be subject to indemnification by the Borrower pursuant to the provisions of Section 2.16 if the deemed payment occurs other than on the last day of the related Interest Periods. The Incremental Term Loans (x) shall rank pari passu in right of payment with the Revolving Loans and the initial Term Loans, (y) shall not mature earlier than the latest Maturity Date in effect at such time (but may have amortization prior to such date so long as the weighted average life to maturity of any Incremental Term Loans shall be no shorter than the remaining weighted average life to maturity of the initial Term Loans outstanding at such time) and (z) shall be treated substantially the same as (and in any event no more favorably than) the Revolving Loans and the initial Term Loans; provided that (A) the terms and conditions applicable to any tranche of Incremental Term Loans maturing after the latest Maturity Date in effect at such time may provide for material additional or different financial or other

covenants or prepayment requirements applicable only during periods after such Maturity Date and (B) the Incremental Term Loans may be priced (including, with respect to arranger fees, upfront fees, and interest rate margins) differently than the Revolving Loans and the initial Term Loans. Incremental Term Loans may be made hereunder pursuant to an amendment or restatement (an "Incremental Term Loan Amendment") of this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender participating in such tranche and the Administrative Agent. The Incremental Term Loan Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section 2.09. Within a reasonable time after the effective date of any increase or addition, the Administrative Agent shall, and is hereby authorized and directed to, revise the Commitment Schedule to reflect such increase or addition and shall distribute such revised Commitment Schedule to each of the Lenders and the Borrower, whereupon such revised Commitment Schedule shall replace the old Commitment Schedule and become part of this Agreement.

(h) In connection with any increase of the Revolving Commitments or Incremental Term Loans pursuant to this Section 2.09, any new lending institution becoming a party hereto shall (i) execute such documents and agreements as the Administrative Agent may reasonably request and (ii) in the case of any new lending institution that is organized under the laws of a jurisdiction outside of the United States of America, provide to the Administrative Agent, its name, address, tax identification number and/or such other information as shall be necessary for the Administrative Agent to comply with "know your customer" and anti-money laundering rules and regulations, including without limitation, the USA PATRIOT Act.

SECTION 2.10. Repayment and Amortization of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan on the Revolving Credit Maturity Date in the currency of such Loan, and (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of the Revolving Credit Maturity Date and the fifth Business Day after such Swingline Loan is made; provided that on each date that a Revolving Loan is made, the Borrower shall repay all Swingline Loans then outstanding and the proceeds of any such Revolving Loan shall be applied by the Administrative Agent to repay any Swingline Loans outstanding.

(b) The Borrower hereby unconditionally promises to pay to the Administrative Agent, for the account of each Term Lender, on the last day of each calendar quarter ending on or after December 31, 2017, an aggregate principal amount equal to \$5,000,000 on each such date (as adjusted from time to time pursuant to Section 2.11(c) or (d)); provided that, if any date set forth above is not a Business Day, then payment shall be due and payable on the Business Day immediately preceding such date. To the extent not previously paid, all unpaid Term Loans shall be paid in full in dollars in cash by the Borrower on the Term Loan Maturity Date.

Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) Prior to any repayment of any Term Loan Borrowings under this Section, the Borrower shall select the Borrowing or Borrowings of the Term Loans to be repaid and shall notify the Administrative Agent by telephone (confirmed by fax) of such selection not later than 11:00 a.m., New

York City time, three (3) Business Days before the scheduled date of such repayment. Each repayment of a Term Loan Borrowing shall be applied ratably to the Loans included in the repaid Term Loan Borrowing. Repayments of Term Loan Borrowings shall be accompanied by accrued interest on the amounts repaid.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class, Agreed Currency and Type thereof and the Interest Period applicable thereto, if any, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (b) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the Obligations.

(f) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form.

SECTION 2.11. Prepayment of Loans.

(a) Voluntary Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (f) of this Section and, if applicable, payment of any break funding expenses under Section 2.16.

(b) Excess Revolving Exposure. If at any time, (i) other than as a result of fluctuations in currency exchange rates, (A) the sum of the principal Dollar Amount of the Aggregate Revolving Exposure (calculated, with respect to those Credit Events denominated in Foreign Currencies, as of the most recent Computation Date with respect to each such Credit Event) exceeds the aggregate Revolving Commitments or (B) the sum of the aggregate principal Dollar Amount of all of the outstanding Revolving Exposures denominated in Foreign Currencies (the "Foreign Currency Exposure") (so calculated), as of the most recent Computation Date with respect to each such Credit Event, exceeds the Foreign Currency Sublimit or (ii) solely as a result of fluctuations in currency exchange rates, (A) the sum of the principal Dollar Amount of the Aggregate Revolving Exposure (so calculated) exceeds 105% of the aggregate Revolving Commitments or (B) the Foreign Currency Exposure, as of the most recent Computation Date with respect to each such Credit Event, exceeds 105% of the Foreign Currency Sublimit, the Borrower shall in each case immediately repay Borrowings or cash collateralize LC Exposure in an account with the Administrative Agent pursuant to Section 2.06(j), as applicable, in an aggregate principal Dollar Amount sufficient to cause (x) the principal Dollar Amount of the Aggregate Revolving Exposure (so calculated) to be less than or equal to the aggregate Revolving Commitments and (y) the Foreign Currency Exposure to be less than or equal to the Foreign Currency Sublimit, as applicable. All prepayments required to be made pursuant to Section 2.11(b) shall be applied, first to prepay the Swingline Loans if such prepayment is made in Dollars, second to repay Revolving Loans in the applicable Agreed Currency and third to cash collateralize outstanding LC Exposure.

(c) Prepayment Events.

(i) In the event and on each occasion that any Net Proceeds are received by or on behalf of any Loan Party or any Subsidiary in respect of any Prepayment Event that occurs at any time the Leverage Ratio is greater than 4.25 to 1.00 (based on the Leverage Ratio set forth in the most recently delivered Compliance Certificate and after giving pro forma effect to such Prepayment Event), the Borrower shall, immediately after such Net Proceeds are received by any Loan Party or Subsidiary, prepay the Obligations as described below in this Section 2.11(c) in an aggregate amount equal to 100% of such Net Proceeds; provided that the obligations under this Section 2.11(c) shall not apply until such time as the aggregate Net Proceeds received in any fiscal year exceed \$2,000,000; provided, further, that, if the Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Loan Parties intend to apply the Net Proceeds from such event (or a portion thereof specified in such certificate), within 180 days after receipt of such Net Proceeds, to acquire (or replace or rebuild) real property, equipment or other tangible assets (excluding inventory) to be used in the business of the Loan Parties, and certifying that no Event of Default has occurred and is continuing at such time, then no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds specified in such certificate; provided, further, that to the extent of any such Net Proceeds that have not been so applied by the end of such 180-day period, a prepayment shall be required at such time in an amount equal to such Net Proceeds that have not been so applied; provided, further, that if such Net Proceeds have been contractually committed to be reinvested by the end of such 180-day period, no such prepayment requirement shall apply unless such Net Proceeds are not actually reinvested within 365 days after receipt of such Net Proceeds. All prepayments required to be made pursuant to this Section 2.11(c) shall be applied to prepay the Term Loans and shall be applied as follows: first, to reduce the immediately subsequent four (4) scheduled repayments of Term Loans to be made pursuant to Section 2.10 in direct order of maturity, and second, pro rata to reduce the remaining scheduled repayments of Term Loans to be made pursuant to Section 2.10.

(ii) Notwithstanding anything in this Section 2.11(c) to the contrary, if the Borrower determines in good faith that the repatriation to the Borrower of any amounts required to mandatorily prepay the Term Loans pursuant to this Sections 2.11(c) that are attributable to Foreign Subsidiaries would violate or otherwise be restricted by applicable Law, or would otherwise result in material adverse tax consequences (such amount, a "Restricted Amount"), the amount that the Borrower shall be required to mandatorily prepay pursuant to this Section 2.11(c) shall be reduced by the Restricted Amount; provided that the Borrower shall use commercially reasonable efforts to take all actions permitted by applicable law in order to repatriate or otherwise permit the payment of Restricted Amount to the extent that the repatriation of the relevant Net Proceeds from the relevant Foreign Subsidiary would no longer be in violation of applicable Law or result in material adverse tax consequences, and, at the time of such repatriation of all or any portion of such Restricted Amount, shall immediately apply the such amount to the repayment of the Term Loans.

(d) ~~(e)~~ Notice of Prepayment; Application of Proceeds. The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (in the case of any prepayment of a Borrowing denominated in dollars, and, in each case, confirmed by telecopy) or through any Electronic System, if arrangements for doing so have been approved by the Administrative Agent, of any prepayment under this Section: (i) in the case of prepayment of a Eurocurrency Borrowing, not later than 10:00 a.m., Local Time, three (3) Business Days (in the case of a Eurocurrency Borrowing denominated in dollars) or four (4) Business Days (in the case of a Eurocurrency Borrowing denominated in a Foreign Currency), in each case before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, not later than 10:00 a.m., New York

City time, on the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 11:00 a.m., New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that if a notice of prepayment is given in connection with a conditional notice of termination of the Revolving Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Except as set forth in clause (b) or (c) above, each prepayment of a Borrowing shall be applied (A) ratably to the Loans included in the prepaid Borrowing and (B) the case of any prepayment of the Term Loans, be applied to subsequent scheduled repayments as provided in clause (c) above or, in the case of a voluntary prepayment, in such order of maturity as the Borrower may direct. Prepayments shall be accompanied by (i) accrued interest to the extent required by Section 2.13 and (ii) break funding payments pursuant to the extent required by to Section 2.16.

SECTION 2.12. Fees.

(a) The Borrower agrees to pay to the Administrative Agent a commitment fee for the account of each Revolving Lender, which shall accrue at the Applicable Rate on the daily amount of the undrawn portion of the Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Lenders' Revolving Commitments terminate; it being understood that the LC Exposure and the Swingline Exposure of a Lender shall be included in the drawn portion of the Revolving Commitment of such Lender for purposes of calculating the commitment fee; provided that, if such Lender continues to have any Revolving Exposure (excluding Revolving Loans) after its Revolving Commitment terminates, then such commitment fee shall continue to accrue on the daily Dollar Amount of such Lender's Revolving Exposure from and including the date on which its Revolving Commitment terminates to but excluding the date on which such Lender ceases to have any Revolving Exposure. Accrued commitment fees shall be payable in arrears on the last day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof; provided that any fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable in dollars for the actual number of days elapsed (including the first day but excluding the last day).

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurocurrency Revolving Loans on the average daily Dollar Amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to each Issuing Bank for its own account a fronting fee, which shall accrue at the rate or rates per annum separately agreed upon between the Borrower and such Issuing Bank on the daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as each Issuing Bank's standard fees and commissions with respect

to the issuance, amendment, cancellation, negotiation, transfer, presentment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to any Issuing Bank pursuant to this paragraph shall be payable within ten (10) days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). Participation fees and fronting fees in respect of all Letters of Credit shall be paid in dollars.

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in dollars (except as otherwise expressly provided in this Section 2.12) and immediately available funds, to the Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances.

SECTION 2.13. Interest.

(a) The Loans comprising each ABR Borrowing (other than any Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Each Swingline Loan shall bear interest at (i) the Alternate Base Rate plus the Applicable Rate or (ii) such other rate per annum (but not less than zero) as separately agreed between the Swingline Lender and the Borrower.

(d) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(e) Accrued interest on each Loan (for ABR Loans, accrued through the last day of the prior calendar month) shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments; provided that (i) interest accrued pursuant to paragraph (d) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan

prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest (i) computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and (ii) for Borrowings denominated in Pounds Sterling or Canadian Dollars shall be computed on the basis of a year of 365 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest.

(a) If at the time that the Administrative Agent shall seek to determine the applicable Screen Rate on the Quotation Day for any Interest Period for any Eurocurrency Borrowing, the applicable Screen Rate shall not be available for such Interest Period and/or for the applicable currency with respect to such Eurocurrency Borrowing for any reason, and the Administrative Agent shall reasonably determine that it is not possible to determine the Interpolated Rate (including, without limitation, because any Screen Rate is not available or published on a current basis) (which conclusion shall be conclusive and binding absent manifest error), then, (i) if such Borrowing shall be requested in dollars, then such Borrowing shall be made as an ABR Borrowing at the Alternate Base Rate and (ii) if such Borrowing shall be requested in any Foreign Currency, the LIBO Rate shall be equal to the rate determined by the Administrative Agent in its reasonable discretion after consultation with the Borrower and consented to in writing by the Revolving Lenders holding more than 50% of the aggregate Revolving Commitments at such time (the "Alternative Rate"); provided, however, that until such time as the Alternative Rate shall be determined and so consented to by such Revolving Lenders, Borrowings shall not be available in such Foreign Currency.

(b) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that adequate and reasonable means do not exist for ascertaining (including, without limitation, by means of an Interpolated Rate) the Adjusted LIBO Rate or the LIBO Rate, as applicable, for a Loan in the applicable currency or for the applicable Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for a Loan in the applicable currency or for the applicable Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders through any Electronic System as provided in Section 9.01 as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing in the applicable currency or for the applicable Interest Period, as the case may be, shall be ineffective, (ii) if any Borrowing Request requests a Eurocurrency Borrowing in dollars, such Borrowing shall be made as an ABR Borrowing and (iii) if any Borrowing Request requests a Eurocurrency Borrowing in a Foreign Currency, then the LIBO Rate

for such Eurocurrency Borrowing shall be the Alternative Rate; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

(c) If any Lender determines that any Requirement of Law has made it unlawful, or if any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain, fund or continue any Eurocurrency Borrowing, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, any Agreed Currency in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligations of such Lender to make, maintain, fund or continue Eurocurrency Loans in such Agreed Currency or, if such affected currency is dollars, to convert ABR Borrowings to Eurocurrency Borrowings denominated in dollars, in each case, will be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower will upon demand from such Lender (with a copy to the Administrative Agent), (x) to the extent such affected currency is dollars, convert or prepay all Eurocurrency Borrowings of such Lender to ABR Borrowings, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans and (y) to the extent such affected currency is not dollars, prepay all Eurocurrency Borrowings denominated in such affected currency of such Lender, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such conversion or prepayment, the Borrower will also pay accrued interest on the amount so converted or prepaid.

(d) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (b)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (b)(i) have not arisen but either (w) the supervisor for the administrator of the LIBO Screen Rate has made a public statement that the administrator of the LIBO Screen Rate is insolvent (and there is no successor administrator that will continue publication of the LIBO Screen Rate), (x) the administrator of the LIBO Screen Rate has made a public statement identifying a specific date after which the LIBO Screen Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the LIBO Screen Rate), (y) the supervisor for the administrator of the LIBO Screen Rate has made a public statement identifying a specific date after which the LIBO Screen Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which an applicable LIBO Screen Rate for any Agreed Currency shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall (A) endeavor to establish an alternate rate of interest to the LIBO Rate for Loans denominated in Dollars, and (B) endeavor to establish an Alternative Rate as described in clause (a) above for Loans denominated in Agreed Currencies other than Dollars, in each case, that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States in Dollars or such Agreed Currency at such time, as applicable, and the Administrative Agent and Borrower shall enter into an amendment to this Agreement to reflect such alternate rate or rates of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Rate); provided that, if such alternate rate of interest as so determined would be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary

in Section 9.02, (1) any such amendment establishing an alternate rate of interest for Loans denominated in Dollars shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate or rates of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment and (2) any such amendment establishing an Alternative Rate for Loans denominated in a Foreign Currency shall become effective without any further action or consent of any other party to this Agreement so long as the Required Lenders shall have approved such Alternative Rate. Until an alternate rate of interest or Alternate Rate, as applicable, shall be determined in accordance with this clause (d) (but, in the case of the circumstances described in clause (ii) of the first sentence of this SECTION 2.14. (d), only to the extent the LIBO Screen Rate for the applicable Agreed Currency and such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing, and any Borrowing Request for a Eurocurrency Borrowing in a Foreign Currency shall, in each case, be ineffective and any such Eurocurrency Borrowing shall be repaid or (solely if such Eurocurrency Borrowing is denominated in dollars) converted into an ABR Borrowing on the last day of the then current Interest Period applicable thereto, and (y) if any Borrowing Request requests a Eurocurrency Borrowing in dollars, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or any Issuing Bank; or

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting into or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or such other Recipient hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender, such Issuing Bank or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered as reasonably determined by such Lender or such Issuing Bank (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and consistent with similarly situated customers of the applicable Lender or the applicable Issuing Bank under agreements having provisions

similar to this Section 2.15(a) after consideration of such factors as such Lender or such Issuing Bank then reasonably determines to be relevant).

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by any Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered as reasonably determined by such Lender or such Issuing Bank (which determination shall be made in good faith (and not on an arbitrary or capricious basis) and consistent with similarly situated customers of the applicable Lender or the applicable Issuing Bank under agreements having provisions similar to this Section 2.15(b) after consideration of such factors as such Lender or such Issuing Bank then reasonably determines to be relevant).

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.09(d) and is revoked in accordance therewith), or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or 9.02(d), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense (other than any lost profits) attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Eurocurrency Loan had such event not occurred, at the Adjusted LIBO Rate that would

have been applicable to such Eurocurrency Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Eurocurrency Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the relevant currency of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

SECTION 2.17. Taxes.

(a) Withholding Taxes; Gross-Up; Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document (including, without limitation, the Obligations and Guaranteed Obligations of each Loan Party) shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17), the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment, or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Loan Party by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the

Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), an executed IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the U.S. is a party (x) with respect to payments of interest under any Loan Document, an executed IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable

payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) an executed IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is not the Beneficial Owner, an executed IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W-9, and/or other certification documents from each Beneficial Owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph (g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 2.17, the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Allocation of Proceeds; Sharing of Set-offs.

(a) Each Loan Party shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to (i) in the case of payments denominated in dollars, 2:00 p.m., New York City time and (ii) in the case of payments denominated in a Foreign Currency, 2:00 p.m., Local Time, in the city of the Administrative Agent's Eurocurrency Payment Office for such currency, in each case on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made (i) in the same currency in which the applicable Credit Event was made (or where such currency has been converted to euro, in euro) and (ii) to the Administrative Agent at its offices at 10 S. Dearborn St., Chicago IL 60603, or, in the case of a Credit Event denominated in a Foreign Currency, the Administrative Agent's Eurocurrency Payment Office for such currency, except payments to be made directly to any Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments denominated in the same currency received by it for the account of any other Person to the appropriate recipient promptly

following receipt thereof. Unless otherwise provided for herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. Notwithstanding the foregoing provisions of this Section, if, after the making of any Credit Event in any Foreign Currency, currency control or exchange regulations are imposed in the country which issues such currency with the result that the type of currency in which the Credit Event was made (the "Original Currency") no longer exists or the Borrower is not able to make payment to any Issuing Bank or the Administrative Agent for the account of the Lenders in such Original Currency (or any Lender is unable to make a reimbursement obligation denominated in such Original Currency to an Issuing Bank or the Administrative Agent), then all payments to be made by the Borrower (or any such Lender) hereunder in such currency shall instead be made when due in dollars in an amount equal to the Dollar Amount (as of the date of repayment) of such payment due, it being the intention of the parties hereto that the Borrower takes all risks of the imposition of any such currency control or exchange regulations and the Borrower agrees to indemnify and hold harmless each Issuing Bank, the Administrative Agent and the Lenders from and against any loss resulting from any Credit Event made to or for the benefit of such Borrower denominated in a Foreign Currency that is not repaid to such Issuing Bank, the Administrative Agent or the Lenders, as the case may be, in the Original Currency.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) At the election of the Administrative Agent, all payments of principal, interest, LC Disbursements, fees, premiums, reimbursable expenses (including, without limitation, all reimbursement for fees, costs and expenses pursuant to Section 9.03), and other sums payable under the Loan Documents, may be paid from the proceeds of Borrowings made hereunder, whether made following a request by the Borrower pursuant to Section 2.03 or 2.05 or a deemed request as provided in this Section or may be deducted from any deposit account of the Borrower maintained with the Administrative Agent. The Borrower hereby irrevocably authorizes (i) the Administrative Agent to make a Revolving Borrowing for the purpose of paying each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents and agrees that all such amounts charged shall constitute Revolving Loans (including Swingline Loans), and that all such Borrowings shall be deemed to have been requested pursuant to Sections 2.03 or 2.05, as applicable, and (ii) the Administrative Agent to charge any deposit account of the Borrower maintained with the Administrative Agent for each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents.

(d) If, except as otherwise expressly provided herein, any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other similarly situated Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all

such Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment or sale of a participation in any of its Loans or participations in LC Disbursements or Swingline Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(e) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the relevant Lenders or the relevant Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the relevant Lenders or the relevant Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the relevant Lenders or the relevant Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation (including without limitation the Overnight Foreign Currency Rate in the case of Loans denominated in a Foreign Currency).

(f) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05, 2.06(d) or (e), 2.07(b), 2.18(e) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender for the benefit of the Administrative Agent, the Swingline Lender or the applicable Issuing Bank to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account over which the Administrative Agent shall have exclusive control as cash collateral for, and application to, any future funding obligations of such Lender under such Sections. Application of amounts pursuant to (i) and (ii) above shall be made in such order as may be determined by the Administrative Agent in its discretion.

(g) The Administrative Agent may from time to time provide the Borrower with account statements or invoices with respect to any of the Obligations (the "Statements"). The Administrative Agent is under no duty or obligation to provide Statements, which, if provided, will be solely for the Borrower's convenience. Statements may contain estimates of the amounts owed during the relevant billing period, whether of principal, interest, fees or other Obligations. If the Borrower pays the full amount indicated on a Statement on or before the due date indicated on such Statement, the Borrower shall not be in default of payment with respect to the billing period indicated on such Statement; provided, that acceptance by the Administrative Agent, on behalf of the Lenders, of any payment that is less than the total amount actually due at that time (including but not limited to any past due amounts) shall not

constitute a waiver of the Administrative Agent's or the Lenders' right to receive payment in full at another time.

(h) Any proceeds of Collateral received by the Administrative Agent (i) not constituting either (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the Borrower) or (B) a mandatory prepayment (which shall be applied in accordance with Section 2.11) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, such funds shall be applied ratably first, to pay any fees, indemnities, or expense reimbursements including amounts then due to the Administrative Agent, the Swingline Lender and the Issuing Banks from the Borrower (other than in connection with Banking Services Obligations or Swap Agreement Obligations), second, to pay any fees, indemnities, or expense reimbursements then due to the Lenders from the Loan Parties (other than in connection with Banking Services Obligations or Swap Agreement Obligations), third, to pay interest then due and payable on the Loans ratably, fourth, to prepay principal on the Loans and unreimbursed LC Disbursements, to pay any amounts owing in respect of Swap Agreement Obligations and Banking Services Obligations up to and including the amount most recently provided to the Administrative Agent pursuant to Section 2.22 and to pay an amount to the Administrative Agent equal to one hundred five percent (105%) of the aggregate LC Exposure, to be held as cash collateral for such Obligations, ratably (with amounts allocated to the Term Loans applied to reduce the subsequent scheduled repayments of the Term Loans to be made pursuant to Section 2.10 in inverse order of maturity), and fifth, to the payment of any other Obligation due to the Administrative Agent or any Lender from the Borrower or any other Loan Party. Notwithstanding the foregoing, amounts received from any Loan Party shall not be applied to any Excluded Swap Obligation of such Loan Party. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the Borrower, or unless a Default is in existence, neither the Administrative Agent nor any Lender shall apply any payment which it receives to any Eurocurrency Loan of any Class, except (i) on the expiration date of the Interest Period applicable thereto, or (ii) in the event, and only to the extent, that there are no outstanding ABR Loans of such Class and, in any such event, the Borrower shall pay the break funding payment required in accordance with Section 2.16. The Administrative Agent and the Lenders shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Obligations.

Notwithstanding the foregoing, Obligations arising under Banking Services Obligations or Swap Agreement Obligations shall be excluded from the application described above and paid in clause fifth if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may have reasonably requested from the applicable provider of such Banking Services or Swap Agreements.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Sections 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender asserts the existence of a condition under Section 2.14(c) that prevents the availability of Eurocurrency Borrowings or Eurocurrency Loans in the Agreed Currency, requests compensation under Section 2.15, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender becomes a Defaulting Lender or a Declining Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Sections 2.15 or 2.17) and obligations under this Agreement and other Loan Documents (or, in the case of any such assignment resulting from a Lender having become a Declining Lender solely with respect to a specified Class of Loans, all of its interests, rights and obligations under this Agreement as a Lender of the Class or Classes with respect to which such Lender is a Declining Lender) to an assignee (other than an Ineligible Institution) that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and in circumstances where its consent would be required under Section 9.04, each Issuing Bank and the Swingline Lender), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (iii) in the case of any such assignment resulting from a claim under Section 2.14, such assignment will result in the availability of Eurocurrency Borrowings or Eurocurrency Loans in the Agreed Currency, as applicable, from the replacement lender, (iv) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (iv) in the case of any assignment resulting from a Lender becoming a Declining Lender, the applicable assignee shall have consented to the applicable Maturity Date Extension Request. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 2.20. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Revolving Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) such Defaulting Lender shall not have the right to vote on any issue on which voting is required (other than to the extent expressly provided in Section 9.02(b)) and the Revolving Commitment and Revolving Exposure and, if applicable, Term Loan Commitment and Term Loans of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder or under any other Loan Document; provided that, except as otherwise provided in Section 9.02, this clause (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender directly affected thereby;

(c) if any Swingline Exposure or LC Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the Swingline Exposure and LC Exposure of such Defaulting Lender (other than the portion of such Swingline Exposure referred to in clause (b) of the definition of such term) shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only (x) to the extent that the conditions set forth in Section 4.02 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time) and (y) to the extent that such reallocation does not, as to any non-Defaulting Lender, cause the Dollar Amount of such non-Defaulting Lender's Revolving Exposure to exceed its Revolving Commitment;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one (1) Business Day following notice by the Administrative Agent (x) first, prepay such Swingline Exposure and (y) second, cash collateralize, for the benefit of the applicable Issuing Banks, the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Sections 2.12(a) and 2.12(b) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentages; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of any Issuing Bank or any other Lender hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the applicable Issuing Banks until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Lender is a Defaulting Lender, the Swingline Lender shall not be required to fund any Swingline Loan and no Issuing Bank shall be required to issue, amend, renew, extend or increase any Letter of Credit, unless it is satisfied that the related exposure and such Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.20(c), and Swingline Exposure related to any such newly made Swingline Loan or LC Exposure related to any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.20(c)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or a Bail-In Action with respect to the Parent of any Lender shall occur following the date hereof and for so long as such event shall continue or (ii) the Swingline Lender or the applicable Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Swingline Lender shall not be required to fund any Swingline Loan and such Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Swingline Lender or such Issuing Bank, as the case may be, shall have entered into arrangements with the Borrower or such Lender, satisfactory to the

Swingline Lender or such Issuing Bank, as the case may be, to defease any risk to it in respect of such Lender hereunder.

In the event that each of the Administrative Agent, the Borrower, the Swingline Lender and each Issuing Bank agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Commitment and on the date of such readjustment such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

SECTION 2.21. Returned Payments. If, after receipt of any payment which is applied to the payment of all or any part of the Obligations (including a payment effected through exercise of a right of setoff), the Administrative Agent or any Lender is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion), then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by the Administrative Agent or such Lender. The provisions of this Section 2.21 shall be and remain effective notwithstanding any contrary action which may have been taken by the Administrative Agent or any Lender in reliance upon such payment or application of proceeds. The provisions of this Section 2.21 shall survive the termination of this Agreement.

SECTION 2.22. Banking Services and Swap Agreements. Each Lender or Affiliate thereof providing Banking Services for, or having Swap Agreements with, any Loan Party or any Subsidiary shall deliver to the Administrative Agent, promptly after entering into such Banking Services or Swap Agreements, written notice setting forth the aggregate amount of all Banking Services Obligations and Swap Agreement Obligations of such Loan Party or Subsidiary to such Lender or Affiliate (whether matured or unmatured, absolute or contingent). In furtherance of that requirement, each such Lender or Affiliate thereof shall furnish the Administrative Agent, from time to time after a significant change therein or upon a request therefor, a summary of the amounts due or to become due in respect of such Banking Services Obligations and Swap Agreement Obligations.

SECTION 2.23. Extension of Maturity Date.

(a) The Borrower may, by delivery of a Maturity Date Extension Request to the Administrative Agent (who shall promptly deliver a copy thereof to each of the Lenders of the applicable Class) not less than thirty (30) days prior to the then existing Maturity Date for the applicable Class of Commitments and/or Loans hereunder to be extended (the "Existing Maturity Date"), request that the Lenders of such Class extend the Existing Maturity Date in accordance with this Section. Each Maturity Date Extension Request shall (i) specify the applicable Class of Commitments and/or Loans hereunder to be extended, (ii) specify the date to which the applicable Maturity Date is sought to be extended, (iii) specify the changes, if any, to the Applicable Rate to be applied in determining the interest payable on the Loans of, and fees payable hereunder to, Consenting Lenders (as defined below) in respect of that portion of their Commitments and/or Loans extended to such new Maturity Date and the time as of which such changes will become effective (which may be prior to the Existing Maturity Date) and (iv) specify any other amendments or modifications to this Agreement to be effected in connection with such Maturity Date Extension Request; provided that no such changes or modifications requiring approvals pursuant to

the provisos to Section 9.02(b) shall become effective prior to the then Existing Maturity Date unless such other approvals have been obtained. In the event that a Maturity Date Extension Request shall have been delivered by the Borrower, each applicable Lender shall have the right to agree to the extension of the Existing Maturity Date and other matters contemplated thereby on the terms and subject to the conditions set forth therein (each Lender of the applicable Class agreeing to the Maturity Date Extension Request being referred to herein as a “Consenting Lender” and, each Lender of the applicable Class not agreeing thereto being referred to herein as a “Declining Lender”), which right may be exercised by written notice thereof, specifying the maximum amount of the Commitment and/or Loans of such Lender with respect to which such Lender agrees to the extension of the Maturity Date, delivered to the Borrower (with a copy to the Administrative Agent) not later than a day to be agreed upon by the Borrower and the Administrative Agent following the date on which the Maturity Date Extension Request shall have been delivered by the Borrower (it being understood and agreed that any Lender that shall have failed to exercise such right as set forth above shall be deemed to be a Declining Lender). If a Lender elects to extend only a portion of its then existing Commitment and/or Loans, it will be deemed for purposes hereof to be a Consenting Lender in respect of such extended portion and a Declining Lender in respect of the remaining portion of its Commitment and/or Loans, and the aggregate principal amount of each Type of Loans of the applicable Class of such Lender shall be allocated ratably among the extended and non-extended portions of the Loans of such Lender based on the aggregate principal amount of such Loans so extended and not extended. If Consenting Lenders shall have agreed to such Maturity Date Extension Request in respect of Commitments and/or Loans held by them, then, subject to paragraph (c) of this Section, on the date specified in the Maturity Date Extension Request as the effective date thereof, (i) the Existing Maturity Date of the applicable Commitments and/or Loans shall, as to the Consenting Lenders, be extended to such date as shall be specified therein, (ii) the terms and conditions of the applicable Commitments and/or Loans of the Consenting Lenders (including interest and fees (including Letter of Credit fees) payable in respect thereof) shall be modified as set forth in the Maturity Date Extension Request and (iii) such other modifications and amendments hereto specified in the Maturity Date Extension Request shall (subject to any required approvals (including those of the Required Lenders) having been obtained) become effective. The Borrower, the Administrative Agent and the Consenting Lenders shall enter into an amendment to this Agreement (an “Extension Agreement”) to effect such modifications as may be necessary to reflect the terms of the Maturity Date Extension Request.

(b) If a Maturity Date Extension Request has become effective hereunder:

(i) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Commitments, not later than the fifth (5th) Business Day prior to the Existing Maturity Date, the Borrower shall make prepayments of Revolving Loans and shall provide cash collateral in respect of Letters of Credit in the manner set forth in Section 2.06(j), such that, after giving effect to such prepayments and such provision of cash collateral, the Aggregate Revolving Exposure as of such date will not exceed the aggregate Revolving Commitments of the Consenting Lenders extended pursuant to this Section (and the Borrower shall not be permitted thereafter to request any Revolving Loan or any issuance, amendment, renewal or extension of a Letter of Credit if, after giving effect thereto, (A) the Dollar Amount of the aggregate LC Exposure would exceed \$60,000,000, (B) any Revolving Lender’s Dollar Amount of Revolving Exposure would exceed its Revolving Commitment, (C) the Dollar Amount of the Aggregate Revolving Exposure would exceed the aggregate Revolving Commitments and (D) the Dollar Amount of the total outstanding Revolving Loans and LC Exposure, in each case denominated in Foreign Currencies, would exceed the Foreign Currency Sublimit);

(ii) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Commitments, on the Existing Maturity Date, the Revolving Commitment of

each Declining Lender shall, to the extent not assumed, assigned or transferred as provided in paragraph (b) of this Section, terminate, and the Borrower shall repay all the Revolving Loans of each Declining Lender, to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction of the conditions set forth in Section 4.02, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Consenting Lenders, which such Revolving Borrowings shall be made ratably by the Consenting Lenders in accordance with their extended Revolving Commitments; and

(iii) solely in respect of a Maturity Date Extension Request that has become effective in respect of a Class of Term Loans, on the Existing Maturity Date, the Borrower shall repay all the Loans of such Class of each Declining Lender, to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction of the conditions set forth in Section 4.02, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Revolving Lenders.

(c) The effectiveness of any Extension Agreement shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) customary legal opinions, board resolutions and officers' certificates of the type delivered on the Effective Date and (ii) reaffirmation agreements and/or such amendments to the Loan Documents as may be reasonably requested by the Administrative Agent in order to ensure that the Commitments and Loans of the Consenting Lenders are provided with the benefit of the applicable Loan Documents.

(d) Notwithstanding any provision of this Agreement to the contrary, it is hereby agreed that no extension of an Existing Maturity Date in accordance with the express terms of this Section, or any amendment or modification of the terms and conditions of the Commitments and the Loans of the Consenting Lenders effected pursuant thereto, shall be deemed to (i) violate the last sentence of Section 2.09(d) or Section 2.18(b) or 2.18(d) or any other provision of this Agreement requiring the ratable reduction of Commitments or the ratable sharing of payments or (ii) require the consent of all Lenders or all affected Lenders under Section 9.02(b); provided that, notwithstanding anything to the contrary in this Section 2.23 or otherwise, except with respect to the termination of the Revolving Commitments of Declining Lenders on the Existing Maturity Date applicable thereto and the repayment of outstanding Revolving Loans in connection therewith, each Revolving Borrowing, each repayment or prepayment of each Revolving Borrowing and each reduction of the Revolving Commitments shall be made on a pro rata basis among the Revolving Lenders in accordance with their respective Revolving Commitments, without regard to whether such Lenders are Consenting Lenders or Declining Lenders.

ARTICLE III

Representations and Warranties

Each Loan Party represents and warrants to the Lenders that (and where applicable, agrees):

SECTION 3.01. Organization and Qualification. Each Loan Party and each Subsidiary of each Loan Party (a) is duly organized, validly existing and in good standing under the Requirements of Law of its jurisdiction of organization, (b) has the lawful power to own or lease its properties and to engage in the

business it presently conducts or proposes to conduct, and (c) is duly licensed or qualified and in good standing in each jurisdiction where the property owned or leased by it or the nature of the business transacted by it or both makes such licensing or qualification necessary; except in each case referred to clauses (a) (other than with respect to the Loan Parties), (b) or (c) to the extent such failure to do so would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

SECTION 3.02. [Reserved].

SECTION 3.03. Subsidiaries. Schedule 3.03 states the name of each of the Borrower's Subsidiaries as of the Effective Date, its jurisdiction of organization, the issued and outstanding Equity Interests and the owners thereof. Each of the Loan Parties has good and marketable title to all of the Equity Interests it purports to own, free and clear in each case of any Lien (other than Permitted Liens). All Equity Interests of the Borrower's Subsidiaries have been validly issued, and all such Equity Interests are fully paid and, in the case of each Subsidiary that is a corporation, nonassessable. All capital contributions and other consideration required to be made or paid in connection with the issuance of such Equity Interests have been made or paid, as the case may be. As of the Effective Date, there are no options, warrants or other rights outstanding to purchase any Equity Interests of the Borrower's Subsidiaries except as indicated on Schedule 3.03.

SECTION 3.04. Power and Authority. Each Loan Party has full power to enter into, execute, deliver and carry out this Agreement and the other Loan Documents to which it is a party, to incur the Indebtedness contemplated by the Loan Documents and to perform its Obligations under the Loan Documents to which it is a party, and all such actions have been duly authorized by all necessary proceedings on its part.

SECTION 3.05. Validity and Binding Effect. This Agreement has been duly and validly executed and delivered by each Loan Party, and each other Loan Document to which any Loan Party is a party has been duly executed and delivered by such Loan Party. This Agreement and each other Loan Document constitutes legal, valid and binding obligations of each Loan Party which is a party thereto, enforceable against such Loan Party in accordance with its terms, except to the extent that enforceability of any of such Loan Document may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar Requirements of Law affecting the enforceability of creditors' rights generally or limiting the right of specific performance and by general principles of equity.

SECTION 3.06. No Conflict. Neither the execution and delivery of this Agreement or the other Loan Documents by any Loan Party nor the consummation of the Transactions or compliance with the terms and provisions hereof or thereof by any of them will (a) conflict with, constitute a default under or result in any breach of (i) the terms and conditions of the certificate or articles of incorporation, bylaws, certificate of limited partnership, partnership agreement, certificate of formation, limited liability company agreement or other organizational documents of any Loan Party, (ii) any Requirement of Law or (iii) any agreement or instrument or order, writ, judgment, injunction or decree to which any Loan Party or any of its Subsidiaries is a party or by which it is bound or to which it or any of its Subsidiaries is subject, or (b) other than any Lien securing the Obligations, result in (or require) the creation or enforcement of any Lien, charge or encumbrance whatsoever upon any property (now or hereafter acquired) of any Loan Party or any of its Subsidiaries; except (in the case of clauses (a) (ii) and (iii)), to the extent that such conflict, default or breach would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

SECTION 3.07. Litigation. There are no actions, suits, proceedings or investigations pending or, to the knowledge of any Loan Party, threatened against such Loan Party or any of its Subsidiaries at law or equity before any Governmental Authority which individually or in the aggregate would reasonably be expected to result in a Material Adverse Effect. None of the Loan Parties or any Subsidiaries of any Loan Party is in violation of any order, writ, injunction or any decree of any Governmental Authority which would reasonably be expected to result in a Material Adverse Effect.

SECTION 3.08. Title to Properties. Each Loan Party and each Subsidiary of each Loan Party has good and marketable title to (or ownership of) or valid leasehold interest in all properties, assets and other rights which it purports to own or lease or which are reflected as owned or leased on its books and records, free and clear of all Liens and encumbrances except Permitted Liens, and in the case of property leased by such Loan Party, subject to the terms and conditions of the applicable leases, except where the failure to have such title or other interest would not reasonably be expected to result in, individually or in the aggregate, a Material Adverse Effect.

SECTION 3.09. Financial Statements.

(a) Historical Statements. The Borrower has delivered to the Administrative Agent copies of its (i) audited consolidated year-end financial statements for and as of the end the fiscal year ended December 25, 2016, reported on by Ernst & Young LLP, and (ii) unaudited consolidated financial statements for the fiscal quarter and the portion of the fiscal year ended June 25, 2017, certified by a Financial Officer (collectively, the "Historical Financial Statements"). The Historical Financial Statements were compiled from the books and records maintained by the Borrower's management, fairly present in all material respects the consolidated financial condition of the Borrower and its Subsidiaries as of their dates and the results of operations for the fiscal periods then ended and have been prepared in accordance with GAAP consistently applied throughout the periods covered thereby, except as otherwise noted therein, subject to normal year end audit adjustments and the absence of footnotes in the case of the Historical Financial Statements referred to in clause (ii) above.

(b) Financial Projections. The Borrower has delivered prior to the Effective Date to the Administrative Agent financial projections of the Borrower and its Subsidiaries for the period from fiscal year 2017 through fiscal year 2021 derived from various assumptions of the Borrower's management (the "Financial Projections"). The Financial Projections represent the Borrower's good faith estimate of a reasonable range of possible results in light of the history of the business, present and foreseeable conditions and the intentions of the Borrower's management, it being understood that such projections are subject to significant uncertainties and contingencies (such as those described in the Borrower's periodic public financial disclosures), many of which are beyond the Borrower's control, and that no assurance can be given that the projections will be realized and actual results may differ materially. The Financial Projections accurately reflect in all material respects the liabilities of the Borrower and its Subsidiaries upon consummation of the Transactions contemplated hereby as of the Effective Date.

(c) Accuracy of Financial Statements. As of the Effective Date, neither the Borrower nor any Subsidiary of the Borrower has any liabilities, contingent or otherwise, or forward or long-term commitments that are not disclosed in the Historical Financial Statements or in the notes thereto and has not otherwise been disclosed in writing to the Lenders on or prior to the Effective Date, and except as disclosed therein or disclosed in writing to the Lenders on or prior to the Effective Date there are no unrealized or anticipated losses from any commitments of the Borrower or any Subsidiary of the Borrower, in each case which would reasonably be expected to result in a Material Adverse Effect. Since ~~December 25~~ August 7, 2016 ~~2018~~, no Material Adverse Effect has occurred.

SECTION 3.10. Use of Proceeds; Margin Stock.

(a) Use of Proceeds. The Loan Parties intend to use the proceeds of the Loans and Letters of Credit (i) to refinance certain existing Indebtedness of the Borrower and (ii) to finance the working capital needs and general corporate purposes of the Borrower and its Subsidiaries, including but not limited to transaction costs and expenses, capital expenditures, permitted stock repurchases, dividends and distributions (including, for the avoidance of doubt, any repurchase of Equity Interests of the Borrower pursuant to the Specified Share Repurchase Program), Permitted Acquisitions and Permitted Investments.

(b) Margin Stock. None of the Loan Parties or any Subsidiaries of any Loan Party engages in the business of extending credit for the purpose, immediately, incidentally or ultimately, of purchasing or carrying margin stock (within the meaning of Regulation U). No part of the proceeds of any Loan has been or will be used, immediately, incidentally or ultimately, to purchase or carry any margin stock or to extend credit to others for the purpose of purchasing or carrying any margin stock or to refund Indebtedness originally incurred for such purpose, or for any other purpose, in any such case, which entails a violation of or which is inconsistent with the provisions of Regulation U. None of the Loan Parties or any Subsidiary of any Loan Party holds or will hold following application of the proceeds of the Loans, margin stock in such amounts that more than twenty five percent (25%) of the reasonable value of the assets of such Loan Party or Subsidiary are or will be represented by margin stock. For purposes of this Section, "assets" of the Loan Parties and any Subsidiary of any Loan Party includes, without limitation, treasury stock that has not been retired.

SECTION 3.11. Full Disclosure.

(a) Full Disclosure.—Neither this Agreement nor any other Loan Document, nor any certificate, statement, agreement or other documents furnished in writing (other than information of a general economic or industry nature) to the Administrative Agent or any Lender in connection herewith or therewith, contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein, in light of the circumstances under which they were made, not materially misleading; provided that, with respect to projected financial information, the Loan Parties represent only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time prepared (it being understood that the projected financial information is not to be viewed as facts or guaranties of future performance, that actual results may vary materially from the projected financial information and that the Loan Parties make no representation that the projected financial information will in fact be realized). As of the Effective Date, there is no fact known to any Loan Party which materially adversely affects the business, property, assets, financial condition, or results of operations of any Loan Party or any Subsidiary of any Loan Party which has not been set forth in this Agreement, in the certificates, statements, agreements or other documents furnished in writing to the Administrative Agent and the Lenders prior to or at the Effective Date in connection with the Transactions contemplated hereby or publically disclosed prior to the Effective Date by the Borrower pursuant to its filings with the SEC.

(b) As of the Amendment No. 3 Effective Date, to the knowledge of the Borrower, the information included in the Beneficial Ownership Certification provided on or prior to the Amendment No. 3 Effective Date to any Lender in connection with this Agreement is true and correct in all respects.

SECTION 3.12. Taxes. All federal, state, and material local and other tax returns required to have been filed with respect to each Loan Party or any Subsidiary of any Loan Party have been filed, and payment or adequate provision has been made for the payment of all material taxes, fees, assessments and

other governmental charges which have or may become due pursuant to said returns or to assessments received, except to the extent (i) that such taxes, fees, assessments and other charges are being contested in good faith by appropriate proceedings diligently conducted and for which such reserves or other appropriate provisions, if any, as shall be required by GAAP shall have been made or (ii) other than with regard to any federal or state tax return, the failure to file or pay would not, either individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

SECTION 3.13. Consents and Approvals. No consent, approval, exemption, order or authorization of, or a registration or filing with, any Governmental Authority or any other Person is required by any Requirement of Law or any agreement in connection with the execution, delivery and carrying out of this Agreement and the other Loan Documents by any Loan Party, except (i) any that shall have been obtained or made on or prior to the Effective Date or the execution of such Loan Document or (ii) any the failure of which to obtain or make would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

SECTION 3.14. No Event of Default; Compliance with Instruments. No event has occurred and is continuing and no condition exists after giving effect to the borrowings or other extensions of credit to be made on the Effective Date under or pursuant to the Loan Documents which constitutes an Event of Default or Default. None of the Loan Parties or any Subsidiary of any Loan Party is in violation of (i) any term of its, as applicable, certificate of incorporation, bylaws, certificate of limited partnership, partnership agreement, certificate of formation, limited liability company agreement or other organizational documents or (ii) any agreement or instrument to which it is a party or by which it or any of its properties may be subject or bound where such violation would reasonably be expected to result in a Material Adverse Effect.

SECTION 3.15. Patents, Trademarks, Copyrights, Licenses, Etc. Each Loan Party and each Subsidiary of each Loan Party owns or possesses all the material patents, trademarks, service marks, trade names, copyrights, licenses, registrations, franchises, permits and rights necessary to own and operate its properties and to carry on its business as presently conducted and planned to be conducted by such Loan Party or Subsidiary, without, to the knowledge of the Loan Parties, alleged or actual conflict with the rights of others, except to the extent such failure or conflict, either individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.16. Insurance. All insurance policies and other bonds to which any Loan Party is a party provide adequate coverage from reputable and financially sound insurers in amounts sufficient to insure the assets and risks of each Loan Party and each Subsidiary of any Loan Party in accordance with customary business practice in the industry of the Loan Parties and their Subsidiaries and owning similar properties in localities where the Loan Parties and their Subsidiaries are located.

SECTION 3.17. Compliance with Laws. The Loan Parties and their Subsidiaries are in compliance with all applicable Requirements of Law (other than Environmental Laws or Safety Laws which are specifically addressed in Section 3.21) in all jurisdictions in which any Loan Party or any Subsidiary of any Loan Party is presently or will be doing business, except where the failure to do so would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.18. Investment Company Act; Regulated Entities; Commodity Exchange Act. None of the Loan Parties or any Subsidiary of any Loan Party is an "investment company" registered or required to be registered under the Investment Company Act of 1940 as such terms are defined in the Investment Company Act of 1940. None of the Loan Parties or any Subsidiary of any Loan Party is

subject to any other federal or state statute or regulation limiting its ability to incur Indebtedness for borrowed money. The Borrower is a Qualified ECP Guarantor.

SECTION 3.19. Plans and Benefit Arrangements. Except as set forth on Schedule 3.19 or as would not reasonably be expected to have a Material Adverse Effect:

(a) The Borrower and each other member of the ERISA Group are in compliance with any applicable provisions of ERISA with respect to all Benefit Arrangements, Plans and Multiemployer Plans. There has been no Prohibited Transaction with respect to any Benefit Arrangement or any Plan or, to the best knowledge of the Borrower and each member of the ERISA Group, with respect to any Multiemployer Plan, which could result in any liability of the Borrower or any other member of the ERISA Group. The Borrower and all other members of the ERISA Group have made when due any and all payments required to be made under any agreement relating to a Multiemployer Plan or a Multiple Employer Plan or any Requirement of Law pertaining thereto. (c) None of the assets of the Borrower or any member of the ERISA Group is subject to any lien arising under Section 303(k)(1) or Section 4068 of ERISA or Section 430(k) of the Code, and, to the knowledge of the Loan Parties, no fact or event exists which would give rise to any such lien.

(d) No Plan is, or is expected to be, in "at risk" status (as defined in Section 303(i)(4) of ERISA or Section 430(i)(4) of the Code) and no Multiemployer Plan is, or is expected to be, in "endangered status" or "critical status" (as defined in Section 305(b) of ERISA and Section 432(b) of the Code).

(e) Neither the Borrower nor any other member of the ERISA Group has incurred any withdrawal liability that remains outstanding or reasonably expects to incur any withdrawal liability under ERISA to any Multiemployer Plan or Multiple Employer Plan. Neither the Borrower nor any other member of the ERISA Group has been notified by any Multiemployer Plan or Multiple Employer Plan that such Multiemployer Plan or Multiple Employer Plan has been terminated within the meaning of Title IV of ERISA and, to the best knowledge of the Borrower and each member of the ERISA Group, no Multiemployer Plan or Multiple Employer Plan is reasonably expected to be terminated, within the meaning of Title IV of ERISA.

(f) All Plans, Benefit Arrangements and Multiemployer Plans have been administered in accordance with their terms and applicable Requirements of Law.

SECTION 3.20. Employment Matters. Each of the Loan Parties and each of their Subsidiaries is in compliance with the Labor Contracts and all applicable federal, state and local labor and employment Requirements of Law including those related to equal employment opportunity and affirmative action, labor relations, minimum wage, overtime, child labor, medical insurance continuation, worker adjustment and relocation notices, immigration controls and worker and unemployment compensation, where the

failure to comply would reasonably be expected to result in a Material Adverse Effect. There are no outstanding grievances, arbitration awards or appeals therefrom arising out of the Labor Contracts or current or threatened strikes, picketing, handbilling or other work stoppages or slowdowns at facilities of any of the Loan Parties or any of their Subsidiaries which in any case would reasonably be expected to result in a Material Adverse Effect.

SECTION 3.21. Environmental Matters and Safety Matters. Except as disclosed on Schedule 3.21:

(a) None of the Loan Parties and none of the Subsidiaries of any Loan Party has received any Environmental Complaint, whether directed or issued to any Loan Party or relating or pertaining to any predecessor of any Loan Party or Subsidiary or to any prior owner, operator or occupant of the Property which has caused or would reasonably be expected to result in a Material Adverse Effect, and none of such Loan Parties or Subsidiaries have reason to believe that it might receive an Environmental Complaint which has caused or would reasonably be expected to result in a Material Adverse Effect.

(b) No activity of any Loan Party or any Subsidiary of any Loan Party at the Property is being or has been conducted in violation of any Environmental Law or Environmental Permit which has caused or would reasonably be expected to result in a Material Adverse Effect and to the knowledge of any such Loan Party or Subsidiary no activity of any predecessor of any Loan Party or Subsidiary or any prior owner, operator or occupant of the Property was conducted in violation of any Environmental Law which has caused or would reasonably be expected to result in a Material Adverse Effect.

(c) There are no Regulated Substances present on, in, under, or emanating from, or to any Loan Party's or Subsidiary of any Loan Party's knowledge, emanating to, the Property or any portion thereof which result in Contamination and which would reasonably be expected to result in a Material Adverse Effect.

(d) any of the Loan Parties shall default in the observance or performance of any other covenant, condition or provision hereof or of any other Loan Document and such default shall continue unremedied for a period of thirty (30) days after any Responsible Officer of any Loan Party, as the case may be, becomes aware of the occurrence thereof (such grace period to be applicable only in the event such default can be remedied by corrective action of the Loan Parties);

(e) a default or event of default or breach shall occur at any time under the terms of any other agreement involving Indebtedness under which any Loan Party or any Subsidiary of any Loan Party may be obligated as a borrower or guarantor in excess of \$20,000,000 in the aggregate, and such breach, default or event of default consists of the failure to pay (beyond any period of grace permitted with respect thereto, whether waived or not) any Indebtedness when due (whether at stated maturity, by acceleration or otherwise) or if such breach or default (after giving effect to any applicable period of grace) permits or causes the acceleration of any Indebtedness (whether or not such right shall have been waived) or the termination of any commitment to lend; provided, that this paragraph (e) shall not apply to (x) Indebtedness that becomes due as a result of customary non-default mandatory prepayments events,

such as asset dispositions, casualty and condemnation events, or issuances of debt or equity, if such transaction is permitted hereunder and under the documents providing for such Indebtedness or (y) Indebtedness that becomes due as a result of the exercise by any holder thereof of conversion, exchange or similar rights related to the value of the Borrower's equity securities, in the case of each of clause (x) and clause (y), as long as such Indebtedness is paid when due, redeemed for cash or converted into or exchanged for equity securities of the Borrower pursuant to the terms of such Indebtedness;

(f) any final judgments or orders for the payment of money in excess of \$20,000,000 in the aggregate shall be entered against any Loan Party by a court having jurisdiction in the premises, which judgment is not discharged, vacated, bonded or stayed pending appeal within a period of sixty (60) days from the date of entry;

(g) any of the Loan Documents shall cease to be legal, valid and binding agreements enforceable against the Loan Party executing the same or such Loan Party's successors and assigns (as permitted under the Loan Documents) in accordance with the respective terms thereof or shall in any way be terminated (except in accordance with its terms) or become or be declared ineffective or inoperative or shall in any way be challenged or contested by a Loan Party or cease to give or provide the remedies, powers or privileges intended to be created thereby in favor of the Administrative Agent and the Lenders;

(h) any Loan Party or any Subsidiary of any Loan Party shall generally become unable, admit in writing its inability or publicly declare its intention not to, or fail generally, to pay its debts as they become due;

(i) any of the following occurs, the occurrence of which would reasonably be expected to result in a Material Adverse Effect: (i) any Reportable Event which constitutes grounds for the termination of any Plan by the PBGC or the appointment of a trustee to administer or liquidate any Plan, shall have occurred and be continuing; (ii) proceedings shall have been instituted or other action taken to terminate any Plan, or a termination notice shall have been filed with respect to any Plan; (iii) a trustee shall be appointed to administer or liquidate any Plan; (iv) the PBGC shall give notice of its intent to institute proceedings to terminate any Plan or Plans or to appoint a trustee to administer or liquidate any Plan; and, in the case of the occurrence of (i), (ii), (iii), or (iv) above, the Administrative Agent determines in good faith that the amount of the Loan Parties' liability is likely to exceed ten percent (10%) of its consolidated tangible net worth; (v) the Borrower or any member of the ERISA Group shall fail to make any contributions when due to a Plan, Multiemployer Plan or Multiple Employer Plan; (vi) any Loan Party or any Subsidiary provides any form of security under Code Section 436(f) in order to avoid funding-based limits on benefits and benefit accruals under any Plan, as required under Code Section 436, or make any amendment to a Plan for which contributions (in addition to contributions required under ERISA Section 303) are required under Section 206(g)(2) of ERISA; (vii) the Borrower or any other member of the ERISA Group shall withdraw completely or partially from a Multiemployer Plan; or (viii) the Borrower or any other member of the ERISA Group shall withdraw (or shall be deemed under Section 4062(e) of ERISA to withdraw) from a Multiple Employer Plan and, with respect to any of the events specified in (v), (vi), (vii), or (viii), the occurrence of which would reasonably be expected to result in a Material Adverse Effect;

(j) any person or group of persons (within the meaning of Section 13(d) or Section 14(a) of the Securities Exchange Act of 1934, as amended) other than John H. Schnatter (or his estate or beneficiaries) shall have acquired beneficial ownership of (within the meaning of Rule 13d-3 promulgated by the SEC under said Act) thirty-five percent (35%) or more of the voting capital stock of the Borrower, or (ii) within a period of twelve (12) consecutive calendar months, individuals who were directors of the

Borrower on the first day of such period, together with any directors whose election by such board of directors or whose nomination for election by the shareholders was approved by a vote of the majority of the directors then in office shall cease to constitute a majority of the board of directors of the Borrower;

(k) a proceeding shall have been instituted in a court having jurisdiction in the premises seeking a decree or order for relief in respect of any Loan Party or Subsidiary of a Loan Party in an involuntary case under any applicable bankruptcy, insolvency, reorganization or other similar Requirement of Law now or hereafter in effect, or for the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator, conservator (or similar official) of any Loan Party of Subsidiary of a Loan Party for any substantial part of its property, or for the winding-up or liquidation of its affairs, and such proceeding shall remain undismissed or unstayed and in effect for a period of sixty (60) consecutive days or such court shall enter a decree or order granting any of the relief sought in such proceeding;~~or~~

(l) any Loan Party or Subsidiary of a Loan Party shall commence a voluntary case under any applicable bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect, shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator, conservator (or other similar official) of itself or for any substantial part of its property or shall make a general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due, or shall take any action in furtherance of any of the foregoing; or

(m) except as permitted by the terms of any Loan Document, or solely as a result of acts or omissions of the Administrative Agent or any of its Related Parties, (i) any Collateral Document shall for any reason fail to create a valid security interest in any Collateral purported to be covered thereby, (ii) any Lien securing any Obligation shall cease to be a perfected, first priority Lien to the extent required by the Loan Documents; or (iii) any Collateral Document shall fail to remain in full force or effect or any action shall be taken to discontinue or to assert the invalidity or unenforceability of any Collateral Document;

then, and in every such event (other than an event with respect to the Borrower described in (k) or (l) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, whereupon the Commitments shall terminate immediately, (ii) declare the Loans then outstanding to be due and payable in whole (or in part, but ratably as among the Classes of Loans and the Loans of each Class at the time outstanding, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other Obligations accrued hereunder and under the other Loan Documents, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and (iii) require cash collateral for the LC Exposure in accordance with Section 2.06(j) hereof; and in the case of any event with respect to the Borrower described in clause (k) or (l) of this Article, the Commitments shall automatically terminate and the principal of the Loans then outstanding and cash collateral for the LC Exposure, together with accrued interest thereon and all fees and other Obligations accrued hereunder and under the other Loan Documents, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, increase the rate of interest applicable to the Loans and other Obligations as set forth in this Agreement and exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the UCC.

ARTICLE VIII

The Administrative Agent

SECTION 8.01. Appointment. Each of the Lenders and each of the Issuing Banks hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders (including the Swingline Lender and the Issuing Banks), and the Loan Parties shall not have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” as used herein or in any other Loan Documents (or any similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

SECTION 8.02. Rights as a Lender. The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with any Loan Party or any Subsidiary or any Affiliate thereof as if it were not the Administrative Agent hereunder.

SECTION 8.03. Duties and Obligations. The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02), and, (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any Subsidiary that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct as determined by a final nonappealable judgment of a court of competent jurisdiction. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document ~~or~~, (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or (vi) the creation, perfection or priority of Liens on the Collateral.

SECTION 8.04. Reliance. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05. Actions through Sub-Agents. The Administrative Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

SECTION 8.06. Resignation. Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by notifying the Lenders, the Issuing Banks and the Borrower. Upon any such resignation, the Required Lenders shall have the right subject to the consent of the Borrower (except during the existence of an Event of Default), which such consent shall not be unreasonably withheld or delayed, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by its successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor, unless otherwise agreed by the Borrower and such successor. Notwithstanding the foregoing, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuing Banks and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents, provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Collateral Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties, and continue to be entitled to the rights set forth in such Collateral Document and Loan Document, and, in the case of any Collateral in the possession of the Administrative Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this Section (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Collateral Document, including any action required to maintain the perfection of any such security interest), and (b) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent,

provided that (i) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (ii) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall also directly be given or made to each Lender and each Issuing Bank. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article, Section 2.17(d) and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (a) above.

SECTION 8.07. Non-Reliance. Each Lender acknowledges and agrees that the extensions of credit made hereunder are commercial loans and letters of credit and not investments in a business enterprise or securities. Each Lender further represents that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender shall, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder and in deciding whether or to the extent to which it will continue as a Lender or assign or otherwise transfer its rights, interests and obligations hereunder.

SECTION 8.08. Other Agency Titles. None of the Lenders, if any, identified in this Agreement as a Co-Syndication Agent, Documentation Agent, Senior Managing Agent or any similar title shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of such Lenders shall have or be deemed to have a fiduciary relationship with any Lender. Each Lender hereby makes the same acknowledgments with respect to the relevant Lenders in their respective capacities as Co-Syndication Agent, Documentation Agent, Senior Managing Agent or any similar title, as applicable, as it makes with respect to the Administrative Agent in the preceding paragraph.

SECTION 8.09. Not Partners or Co-Venturers.

(a) The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Administrative Agent) authorized to act for, any other Lender. The Administrative Agent shall have the exclusive right on behalf of the Lenders to enforce the payment of the principal of and interest on any Loan after the date such principal or interest has become due and payable pursuant to the terms of this Agreement.

(b) In case of the pendency of any proceeding with respect to any Loan Party under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.16, 2.17 and 9.03) allowed in such judicial proceeding;

(ii) collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and

(iii) and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03).

SECTION 8.10. Collateral Matters.

(a) Except with respect to the exercise of setoff rights in accordance with Section 9.08 or with respect to a Secured Party's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof. In its capacity, the Administrative Agent is a "representative" of the Secured Parties within the meaning of the term "secured party" as defined in the UCC. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Obligations, the Administrative Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Administrative Agent on behalf of the Secured Parties.

(b) In furtherance of the foregoing and not in limitation thereof, no arrangements in respect of Banking Services the obligations under which constitute Obligations and no Swap Agreement the obligations under which constitute Obligations, will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under any Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such arrangement in respect of Banking Services or Swap Agreement, as applicable, shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(c) The Secured Parties hereby irrevocably authorize the Administrative Agent (or its designee) to, and the Administrative Agent shall, release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (i) upon the Payment in Full of all Obligations, (ii) constituting property being sold or disposed of if the Loan Party disposing of such property certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), and to the extent that the property being sold or disposed of constitutes 100% of the Equity Interests of a Subsidiary, the Administrative Agent is authorized to release the Loan Guaranty provided by such

Subsidiary and all Liens on any Collateral provided by such Subsidiary, (iii) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII, and (iv) as otherwise provided in Section 9.16. Except as provided in the preceding sentence, the Administrative Agent will not release any Liens on Collateral without the prior written authorization of the Required Lenders or, to the extent required by Section 9.02, all of the Lenders. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral. Any execution and delivery by the Administrative Agent of documents in connection with any such release shall be without recourse to or warranty by the Administrative Agent. The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders or any other Secured Party for any failure to monitor or maintain any portion of the Collateral.

SECTION 8.11. Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such

acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

SECTION 8.12. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent or the Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

- (v) if to any other Lender or Issuing Bank, to it at its address or fax number set forth in its Administrative Questionnaire.

All such notices and other communications (i) sent by hand or overnight courier service, or mailed by certified or registered mail shall be deemed to have been given when received, (ii) sent by telecopy shall be deemed to have been given when sent, provided that if not given during normal business hours for the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day of the recipient, or (iii) delivered through Electronic Systems to the extent provided in paragraph (b) below shall be effective as provided in such paragraph (b).

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by using Electronic Systems pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II or to compliance and no Default certificates delivered pursuant to Section 5.11(d) unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent and the Borrower (on behalf of the Loan Parties) may, in its discretion, agree to accept notices and other communications to it hereunder by Electronic Systems pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise proscribes, all such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, e-mail or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day of the recipient.

(c) Any party hereto may change its address, facsimile number or e-mail address for notices and other communications hereunder by notice to the other parties hereto.

(d) Electronic Systems.

(i) Each Loan Party agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Issuing Banks and the other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System.

(ii) Any Electronic System used by the Administrative Agent is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower or the other Loan Parties, any Lender, any Issuing Bank or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's, any Loan Party's or the Administrative Agent's transmission of Communications through an Electronic System. "Communications" means, collectively, any notice, demand, communication, information, document or

other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or any Issuing Bank by means of electronic communications pursuant to this Section, including through an Electronic System.

SECTION 9.02. Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Except as provided in Section 2.09 or 2.14(d) or 2.23 with respect to any Incremental Term Loan Amendment, Extension Agreement or modification of the Commitment Schedule, and subject to the other provisions of this Section 9.02, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or (ii) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto; provided that no such agreement shall:

(i) increase the Commitment of any Lender without the written consent of such Lender (including any such Lender that is a Defaulting Lender),

(ii) reduce or forgive the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce or forgive any interest or fees payable hereunder, without the written consent of each Lender (including any such Lender that is a Defaulting Lender) directly affected thereby (except that any amendment, waiver or modification of (x) the financial covenants in this Agreement (or defined terms used in the financial covenants in this Agreement) or (y) the default rate payable under Section 2.13(d), in each case, shall only require the approval of the Required Lenders),

(iii) postpone any scheduled date of payment of the principal amount of any Loan or LC Disbursement (excluding voluntary prepayments), or any date for the payment of any interest, fees or other Obligations payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender (including any such Lender that is a Defaulting Lender) directly affected thereby (other than any reduction of the amount of, or any extension of the payment date for, the mandatory prepayments required under Section 2.11, in each case which shall only require the approval of the Required Lenders),

(iv) change Section 2.18(b) or (d) in a manner that would alter the manner in which payments are shared, without the written consent of each Lender (other than any Defaulting Lender) directly or adversely affected thereby,

(v) change any of the provisions of this Section or the definition of “Required Lenders” or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (other than any Defaulting Lender) directly affected thereby (it being understood that, solely with the consent of the parties prescribed by Section 2.09 to be parties to an Incremental Term Loan Amendment, Incremental Term Loans may be included in the determination of Required Lenders on substantially the same basis as the initial Commitments and Loans are included on the Effective Date), ~~or~~

(vi) release the Borrower or release all or substantially all of the Loan Guarantors from their obligations under its Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents), without the written consent of each Lender (other than any Defaulting Lender);

(vii) change Section 2.18(h) in any manner without the written consent of each Lender (other than any Defaulting Lender), or

(viii) except as provided in Section 8.10 or in any Collateral Document, release all or substantially all of the Collateral without the written consent of each Lender (other than any Defaulting Lender);

provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Swingline Lender or any Issuing Bank hereunder without the prior written consent of the Administrative Agent, the Swingline Lender or such Issuing Bank, as the case may be (it being understood that any amendment to Section 2.20 shall require the consent of the Administrative Agent, the Swingline Lender and each Issuing Bank); provided further that no such agreement shall amend or modify the provisions of Section 2.06 or any letter of credit application and any bilateral agreement between the Borrower and any Issuing Bank regarding such Issuing Bank’s Issuing Bank Sublimit or the respective rights and obligations between the Borrower and such Issuing Bank in connection with the issuance of Letters of Credit without the prior written consent of the Administrative Agent and such Issuing Bank, respectively. The Administrative Agent may also amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.04. Any amendment, waiver or other modification of this Agreement or any other Loan Document that by its terms affects the rights or duties under this Agreement of the Lenders of one or more Classes (but not the Lenders of any other Class), may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite number or percentage in interest of each affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time.

(c) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender directly affected thereby,” the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but has not been obtained being referred to herein as a “Non-Consenting Lender”), then the Borrower may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity (other than any Ineligible Institution) which is reasonably satisfactory to the Borrower, the Administrative Agent, the Swingline Lender and each Issuing Bank shall agree, as of such date, to purchase for cash the Loans and other

Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, and (ii) the Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrower hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

(d) Notwithstanding anything to the contrary herein the Administrative Agent may, with the consent of the Borrower only, amend, modify or supplement this Agreement or any of the other Loan Documents to cure any ambiguity, omission, mistake, defect or inconsistency; provided that any such amendment, modification or supplement shall not be materially adverse to the Lenders.

(e) Notwithstanding the foregoing or any other provision in this Agreement or any other Loan Document to the contrary, the Administrative Agent, the Borrower and each Lender participating in any Incremental Term Loans or additional Revolving Commitments, may, without the input or consent of the Required Lenders or any other Lender, execute any Incremental Term Loan Amendment or otherwise effect amendments to this Agreement or any other Loan Document as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect any such Incremental Term Loans or additional Revolving Commitments in connection with the provisions of Sections 2.09(e) through (h).

(f) Notwithstanding the foregoing or any other provision in this Agreement or any other Loan Document to the contrary, the Administrative Agent and the Borrower, may, without the input or consent of the Required Lenders or any other Lender, effect amendments to this Agreement or any other Loan Document, as may be necessary or appropriate, in the opinion of the Administrative Agent, in connection with the addition or replacement of an Issuing Bank or the addition or replacement of the Swingline Lender.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a) The Loan Parties, jointly and severally, shall pay all (i) reasonable and documented out of pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable and documented out-of-pocket fees, charges and disbursements of one primary counsel and one local counsel in each specialty or relevant jurisdiction for the Administrative Agent) in connection with the syndication and distribution (including, without limitation, via the internet or through an Electronic System) of the credit facilities provided for herein, the preparation and administration of the Loan Documents and any amendments, modifications or waivers of the provisions of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) reasonable and documented out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank or any Lender (including the fees, charges and disbursements of one primary counsel and one local counsel in each specialty or relevant jurisdiction for the Administrative Agent, the Issuing Banks and the Lenders, taken as a whole, and in the case of an actual or perceived conflict of interest, one or more additional counsel of the applicable type for each group of Lenders similarly situated, taken as a whole) in connection with the enforcement, collection or protection of its rights in connection with the Loan

Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Loan Parties, jointly and severally, shall indemnify the Administrative Agent, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, penalties, incremental taxes, liabilities and related expenses, including the reasonable and documented out-of-pocket fees, charges and disbursements of one primary counsel and one local counsel in each specialty or relevant jurisdiction for the Indemnitees, taken as a whole, and in the case of an actual or perceived conflict of interest, one or more additional counsel of the applicable type for each group of Indemnitees similarly situated, taken as a whole, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Contamination of Regulated Substances on or from any property owned or operated by a Loan Party or a Subsidiary, or any Environmental Liability related in any way to a Loan Party or a Subsidiary, (iv) the failure of a Loan Party to deliver to the Administrative Agent the required receipts or other required documentary evidence with respect to a payment made by such Loan Party for Taxes pursuant to Section 2.17, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing (each a “Proceeding”), whether or not such claim, litigation, investigation or proceeding is brought by any Loan Party or their respective equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee, (y) material breach in bad faith by such Indemnitee or any of its Affiliates of its express obligations under this Agreement pursuant to a claim initiated by the Borrower or (z) any dispute solely among Indemnitees (other than (A) any claims directly resulting from an act or omission by the Borrower or any of its Affiliates or (B) any claims against any Indemnitee acting in its capacity or in fulfilling its role as an arranger, Administrative Agent, Swingline Lender, an Issuing Bank or any similar role in respect of the credit facilities evidenced by this Agreement).

(c) To the extent that any Loan Party fails to pay any amount required to be paid by it to the Administrative Agent (or any sub-agent thereof), the Swingline Lender or any Issuing Bank (or any Related Party of any of the foregoing) under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent and each Revolving Lender severally agrees to pay to the Swingline Lender or such Issuing Bank (or any Related Party of any of the foregoing), as the case may be, such Lender’s Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood that any such payment by the Lenders shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or indemnified loss, claim, damage, penalty, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the Swingline Lender or such Issuing Bank in its capacity as such.

(d) To the extent permitted by applicable law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee, (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), except for damages that are determined by final and nonappealable judgment of a court of competent jurisdiction to have arisen or resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this paragraph (d) shall relieve any Loan Party of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(e) All amounts due under this Section shall be payable promptly but not later than ten (10) Business Days after written demand therefor.

SECTION 9.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) 1.1.1.1. Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments, participations in Letters of Credit and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Borrower, provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof, and provided further that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default under clause (a), (c) (but solely in respect of Section 6.14 or 6.15), (h), (k) or (l) of Article VII has occurred and is continuing, any other assignee;

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund;

(C) each Issuing Bank; provided that no consent of any Issuing Bank shall be required for an assignment of all or any portion of a Term Loan; and

(D) the Swingline Lender; provided that no consent of the Swingline Lender shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 (in the case of a Revolving Commitment or Revolving Loans) or \$1,000,000 (in the case of a Term Loan Commitment or Term Loans) unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default under clause (a), (c) (but solely in respect of Section 6.14 or 6.15), (h), (k) or (l) of Article VII has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with a processing and recordation fee of \$3,500, such fee to be paid by either the assigning Lender or the assignee Lender or shared between such Lenders; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the other Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including federal and state securities laws.

For the purposes of this Section 9.04(b), the terms "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

"Ineligible Institution" means a (a) natural person, (b) a Defaulting Lender or its Parent, (c) company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof; provided that, such company, investment vehicle or trust shall not constitute an Ineligible Institution if it (x) has not been established for the primary purpose of acquiring any Loans

or Commitments, (y) is managed by a professional advisor, who is not such natural person or a relative thereof, having significant experience in the business of making or purchasing commercial loans, and (z) has assets greater than \$25,000,000 and a significant part of its activities consist of making or purchasing commercial loans and similar extensions of credit in the ordinary course of its business or (d) a Loan Party or a Subsidiary or other Affiliate of a Loan Party.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05, 2.06(d) or (e), 2.07(b), 2.18(d) or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of the Borrower, the Administrative Agent, the Swingline Lender or any Issuing Bank, sell participations to one or more banks or other entities (a "Participant") other than an Ineligible Institution in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged; (ii) such Lender shall

remain solely responsible to the other parties hereto for the performance of such obligations; and (iii) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Sections 2.17(f) and (g) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.15 or 2.17 with respect to any participation than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement or any other Loan Document (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan

Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic Execution.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to (i) fees payable to the Administrative Agent and (ii) increases or reductions of the Issuing Bank Sublimit of any Issuing Bank constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby or thereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Administrative Agent to accept electronic signatures in any form or format without its prior written consent. THIS WRITTEN AGREEMENT REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

SECTION 9.07. Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final and in whatever currency denominated) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Loan Party against any of and all Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmatured. The applicable Lender shall notify the Borrower and the Administrative Agent of such set-off or application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) The Loan Documents (other than those containing a contrary express choice of law provision) shall be governed by and construed in accordance with the internal laws of the State of New York, but giving effect to federal laws applicable to national banks.

(b) Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan, and of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan, and any appellate court thereof, in any action or proceeding arising out of or relating to any Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT

NO REPRESENTATIVE OR OTHER AGENT (INCLUDING ANY ATTORNEY) OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by any Requirement of Law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (x) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (y) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Loan Parties and their obligations, (g) on a confidential basis to (1) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein or (2) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facilities provided for herein, (h) with the consent of the Borrower, (i) to any Person providing a Guarantee of all or any portion of the Obligations, or (j) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a non-confidential basis from a source other than the Borrower that is not, to the knowledge of the Administrative Agent, the Issuing Banks or any Lender, subject to contractual or fiduciary confidentiality obligations owing to the Borrower any of its Subsidiaries. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a non-confidential basis prior to disclosure by the Borrower from a source other than the Borrower that is not, to the knowledge of the Administrative Agent, the Issuing Banks or any Lender, subject to contractual or fiduciary confidentiality obligations owing to the Borrower or any of its Subsidiaries and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THE IMMEDIATELY PRECEDING PARAGRAPH FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE OTHER LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

SECTION 9.13. Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Each Lender hereby represents that it is not relying on or looking to any margin stock (as defined in Regulation U) for the repayment of the Borrowings provided for herein. Anything contained in this Agreement to the contrary notwithstanding, no Issuing Bank nor any Lender shall be obligated to extend credit to the Borrower in violation of any Requirement of Law.

SECTION 9.14. USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies each Loan Party that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the USA PATRIOT Act.

SECTION 9.15. Disclosure. Each Loan Party, each Lender and each Issuing Bank hereby acknowledges and agrees that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with, any of the Loan Parties and their respective Affiliates.

SECTION 9.16. Releases of Loan Guarantors and Collateral.

(a) A Subsidiary Guarantor shall automatically be released from its obligations under the Loan Guaranty and the Collateral Documents (and any Collateral pledged or granted by such Subsidiary Guarantor to the Administrative Agent shall automatically be released) upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Guarantor ceases to be a Subsidiary; provided that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise. ~~In connection with any termination or release pursuant to this Section 9.16, the Administrative Agent shall (and is hereby irrevocably authorized by each Lender to) execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent.~~

(b) Further, the Administrative Agent ~~may~~shall (and is hereby irrevocably authorized by each Lender to), upon the request of the Borrower, release any ~~Subsidiary Guarantor from its obligations~~

~~under Liens granted to the Administrative Agent by the Loan Parties on any Collateral (i) upon the Payment in Full of all Obligations, (ii) constituting property being sold or disposed of if the Loan Party disposing of such property certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), and to the extent that the property being sold or disposed of constitutes 100% of the Equity Interests of a Subsidiary, the Administrative Agent is authorized to release the Loan Guaranty if provided by such Subsidiary Guarantor is no longer a Material Domestic Subsidiary, and all Liens on any Collateral provided by such Subsidiary, (iii) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII, (iv) to the extent such Collateral constitutes Excluded Equity Interests, and (v) as otherwise provided in this Section 9.16.~~

(c) Upon Payment in Full of all Obligations, the Loan Guaranty, all Collateral Documents and all obligations (other than those expressly stated to survive such termination) of each Loan Guarantor thereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any Person.

(d) In connection with any termination or release pursuant to this Section 9.16, the Administrative Agent shall (and is hereby irrevocably authorized by each Lender to) execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release, including the delivery to the Borrower of all certificated Equity Interests and other possessory Collateral. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent.

SECTION 9.17. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.18. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Lenders and their Affiliates, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Lenders and their Affiliates is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its

Affiliates, or any other Person and (B) no Lender or any of its Affiliates has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except, in the case of a Lender, those obligations expressly set forth herein and in the other Loan Documents; and (iii) each of the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and no Lender or any of its Affiliates has any obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against each of the Lenders and their Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

The Borrower further acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, the Borrower and other companies with which it may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

In addition, the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that each Credit Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrower or its Subsidiaries may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. The Borrower also acknowledges that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower, confidential information obtained from other companies.

SECTION 9.19. Marketing Consent. The Borrower hereby authorizes Chase and its affiliates, at their respective sole expense, but without any prior approval by the Borrower, to publish such tombstones and give such other publicity to this Agreement as each may from time to time determine in its sole discretion. The foregoing authorization shall remain in effect unless the Borrower notifies Chase in writing that such authorization is revoked.

SECTION 9.20. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

SECTION 9.21. Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from any Loan Party hereunder in the currency expressed to be payable herein (the “specified currency”) into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the specified currency with such other currency at the Administrative Agent’s main New York City office on the Business Day preceding that on which final, non appealable judgment is given. The obligations of the Borrower and any other Loan Party in respect of any sum due to any Lender or the Administrative Agent hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Lender or the Administrative Agent (as the case may be) of any sum adjudged to be so due in such other currency such Lender or the Administrative Agent (as the case may be) may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Lender or the Administrative Agent, as the case may be, in the specified currency, each Loan Party agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or the Administrative Agent, as the case may be, against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any Lender or the Administrative Agent, as the case may be, in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.18, such Lender or the Administrative Agent, as the case may be, agrees to remit such excess to the applicable Loan Party.

SECTION 9.22. Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession or control. Should any Lender (other than the Administrative Agent) obtain possession or control of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent’s request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent’s instructions.

ARTICLE X

Loan Guaranty

SECTION 10.01. Guaranty. Each Loan Guarantor hereby agrees that it is jointly and severally liable for, and, as a primary obligor and not merely as surety, absolutely, unconditionally and irrevocably guarantees to the Lenders, the prompt payment when due, whether at stated maturity, upon acceleration

or otherwise, and at all times thereafter, of the Guaranteed Obligations of such Loan Guarantor. Each Loan Guarantor further agrees that the Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. All terms of this Loan Guaranty apply to and may be enforced by or on behalf of any domestic or foreign branch or Affiliate of any Lender that extended any portion of the Guaranteed Obligations.

SECTION 10.02. Guaranty of Payment. This Loan Guaranty is a guaranty of payment and not of collection. Each Loan Guarantor waives any right to require the Administrative Agent, any Issuing Bank or any Lender to sue the Borrower, any Loan Guarantor, any other guarantor of, or any other Person obligated for all or any part of the Guaranteed Obligations (each, an "Obligated Party"), or otherwise to enforce its payment against any collateral securing all or any part of the Guaranteed Obligations.

SECTION 10.03. No Discharge or Diminishment of Loan Guaranty.

(a) Except as otherwise provided for herein, the obligations of each Loan Guarantor hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the indefeasible payment in full in cash of the Guaranteed Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of the Borrower or any other Obligated Party liable for any of the Guaranteed Obligations; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Obligated Party, or their assets or any resulting release or discharge of any obligation of any Obligated Party; or (iv) the existence of any claim, setoff or other rights which any Loan Guarantor may have at any time against any Obligated Party, the Administrative Agent, any Issuing Bank, any Lender, or any other Person, whether in connection herewith or in any unrelated transactions.

(b) The obligations of each Loan Guarantor hereunder are not subject to any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality, or unenforceability of any of the Guaranteed Obligations or otherwise, or any provision of applicable law or regulation purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any Loan Guarantor hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Administrative Agent, any Issuing Bank or any Lender to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Guaranteed Obligations; (iii) any release, non-perfection, or invalidity of any indirect or direct security for the obligations of the Borrower for all or any part of the Guaranteed Obligations or any obligations of any other Obligated Party liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Administrative Agent, any Issuing Bank or any Lender with respect to any collateral securing any part of the Guaranteed Obligations; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Loan Guarantor or that would otherwise operate as a discharge of any Loan Guarantor as a matter of law or equity (other than the indefeasible payment in full in cash of the Guaranteed Obligations).

SECTION 10.04. Defenses Waived. To the fullest extent permitted by applicable law, each Loan Guarantor hereby waives any defense based on or arising out of any defense of the Borrower or any

Loan Guarantor or the unenforceability of all or any part of the Guaranteed Obligations from any cause, or the cessation from any cause of the liability of the Borrower, any Loan Guarantor or any other Obligated Party, other than the indefeasible payment in full in cash of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Loan Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Obligated Party, or any other Person. Each Loan Guarantor confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. The Administrative Agent may, at its election, foreclose on any collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such collateral in lieu of foreclosure or otherwise act or fail to act with respect to any collateral securing all or a part of the Guaranteed Obligations, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party, without affecting or impairing in any way the liability of such Loan Guarantor under this Loan Guaranty, except to the extent the Guaranteed Obligations have been fully and indefeasibly paid in cash. To the fullest extent permitted by applicable law, each Loan Guarantor waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Loan Guarantor against any Obligated Party or any security.

SECTION 10.05. Rights of Subrogation. No Loan Guarantor will assert any right, claim or cause of action, including, without limitation, a claim of subrogation, contribution or indemnification that it has against any Obligated Party, or any collateral, until the Loan Parties and the Loan Guarantors have fully performed all their obligations to the Administrative Agent, the Issuing Banks and the Lenders.

SECTION 10.06. Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations (including a payment effected through exercise of a right of setoff) is rescinded, or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise (including pursuant to any settlement entered into by any Lender or its Affiliate in its discretion), each Loan Guarantor's obligations under this Loan Guaranty with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not the Administrative Agent, the Issuing Banks and the Lenders are in possession of this Loan Guaranty. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of the Borrower, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the Loan Guarantors forthwith on demand by the Administrative Agent.

SECTION 10.07. Information. Each Loan Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Loan Guarantor assumes and incurs under this Loan Guaranty, and agrees that none of the Administrative Agent, any Issuing Bank or any Lender shall have any duty to advise any Loan Guarantor of information known to it regarding those circumstances or risks.

SECTION 10.08. Termination. Each of the Loan Guarantors' obligations under this Loan Guaranty shall remain in full force and effect until termination of any such Loan Guarantor's obligations pursuant to Section 9.16.

SECTION 10.09. Payments Generally. The parties hereto acknowledge and agree that each of the Guaranteed Obligations shall be due and payable in the same currency as such Guaranteed Obligation

is denominated, but if currency control or exchange regulations are imposed in the country which issues such currency with the result that such currency no longer exists or the relevant Loan Guarantor is not able to make payment in such currency, then all payments to be made by such Loan Guarantor hereunder in such currency shall instead be made when due in dollars in an amount equal to the Dollar Amount (as of the date of payment) of such payment due, it being the intention of the parties hereto that each Loan Guarantor takes all risks of the imposition of any such currency control or exchange regulations.

SECTION 10.10. Maximum Liability. Notwithstanding any other provision of this Loan Guaranty, the amount guaranteed by each Loan Guarantor hereunder shall be limited to the extent, if any, required so that its obligations hereunder shall not be subject to avoidance under Section 548 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law. In determining the limitations, if any, on the amount of any Loan Guarantor's obligations hereunder pursuant to the preceding sentence, it is the intention of the parties hereto that any rights of subrogation, indemnification or contribution which such Loan Guarantor may have under this Loan Guaranty, any other agreement or applicable law shall be taken into account.

SECTION 10.11. Contribution.

(a) To the extent that any Loan Guarantor shall make a payment under this Loan Guaranty (a "Guarantor Payment") which, taking into account all other Guarantor Payments then previously or concurrently made by any other Loan Guarantor, exceeds the amount which otherwise would have been paid by or attributable to such Loan Guarantor if each Loan Guarantor had paid the aggregate Guaranteed Obligations satisfied by such Guarantor Payment in the same proportion as such Loan Guarantor's "Allocable Amount" (as defined below) (as determined immediately prior to such Guarantor Payment) bore to the aggregate Allocable Amounts of each of the Loan Guarantors as determined immediately prior to the making of such Guarantor Payment, then, following indefeasible payment in full in cash of the Guarantor Payment and the Guaranteed Obligations (other than Unliquidated Obligations that have not yet arisen), and all Commitments and Letters of Credit have terminated or expired or, in the case of all Letters of Credit, are fully collateralized on terms reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, and this Agreement, the Swap Agreement Obligations and the Banking Services Obligations have terminated, such Loan Guarantor shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Loan Guarantor for the amount of such excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment.

(b) As of any date of determination, the "Allocable Amount" of any Loan Guarantor shall be equal to the excess of the fair saleable value of the property of such Loan Guarantor over the total liabilities of such Loan Guarantor (including the maximum amount reasonably expected to become due in respect of contingent liabilities, calculated, without duplication, assuming each other Loan Guarantor that is also liable for such contingent liability pays its ratable share thereof), giving effect to all payments made by other Loan Guarantors as of such date in a manner to maximize the amount of such contributions.

(c) This Section 10.11 is intended only to define the relative rights of the Loan Guarantors, and nothing set forth in this Section 10.11 is intended to or shall impair the obligations of the Loan Guarantors, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Loan Guaranty.

(d) The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of the Loan Guarantor or Loan Guarantors to which such contribution and indemnification is owing.

(e) The rights of the indemnifying Loan Guarantors against other Loan Guarantors under this Section 10.11 shall be exercisable upon the full and indefeasible payment of the Guaranteed Obligations in cash (other than Unliquidated Obligations that have not yet arisen) and the termination or expiry (or, in the case of all Letters of Credit, full cash collateralization), on terms reasonably acceptable to the Administrative Agent and the applicable Issuing Bank (in the case of Letters of Credit), of the Commitments and all Letters of Credit issued hereunder and the termination of this Agreement, the Swap Agreement Obligations and the Banking Services Obligations.

SECTION 10.12. Liability Cumulative.
