PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 16, 2002**

GENERAL INFORMATION

This Proxy Statement and accompanying proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Papa John's International, Inc., a Delaware corporation (the "Company"), to be voted at the Company's Annual Meeting of Stockholders (the "Annual Meeting") and any adjournments thereof. The Annual Meeting will be held at the Company's corporate offices located at 2002 Papa John's Boulevard, Louisville, Kentucky on Thursday, May 16, 2002, at 11:00 a.m. (E.D.T.) for the purposes set forth in this Proxy Statement and the accompanying Notice of Annual Meeting. This Proxy Statement and accompanying proxy card are first being mailed to stockholders on or about April 8, 2002.

A stockholder signing and returning a proxy has the power to revoke it at any time before the shares subject to it are voted by (i) notifying the Secretary of the Company in writing of such revocation, (ii) filing a duly executed proxy bearing a later date or (iii) attending the Annual Meeting and voting in person. If a proxy is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the proxy will be voted FOR the nominees for director named in the Proxy Statement and FOR the ratification of Ernst & Young LLP as the Company's independent auditors for the 2002 fiscal year and in the discretion of proxy holders on such other business as may properly come before the Annual Meeting.

The original solicitation of proxies by mail may be supplemented by telephone and other means of communication and through personal solicitation by officers, directors and other employees of the Company, at no compensation. Georgeson Shareholder Communications, Inc. has been retained to distribute proxy materials and to provide proxy solicitation services for a fee of approximately \$5,250, plus reasonable out-of-pocket expenses. Proxy materials will also be distributed through brokers, custodians and other like parties to the beneficial owners of the Company's common stock, par value \$.01 per share (the "Common Stock"), and the Company will reimburse such parties for their reasonable out-of-pocket and clerical expenses incurred in connection therewith.

RECORD DATE AND VOTING SECURITIES

The Board has fixed the record date for the Annual Meeting as the close of business on March 22, 2002 (the "Record Date"), and all holders of record of Common Stock on the Record Date are entitled to receive notice of and to vote at the Annual Meeting and any adjournment thereof. A list of stockholders entitled to vote at the Annual Meeting will be available for inspection by any stockholder, for any purpose reasonably related to the Annual Meeting, for a period of ten days prior to the Annual Meeting at the Company's principal executive offices at 2002 Papa John's Boulevard, Louisville, Kentucky. At the Record Date, there were 20,931,406 shares of Common Stock outstanding. For each share of Common Stock held on the Record Date, a stockholder is entitled to one vote on each matter to be considered at the Annual Meeting. A majority of the outstanding shares present in person or by proxy is required to constitute a quorum to transact business at the meeting.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspectors of election appointed for the meeting, who also will determine whether a quorum exists. Abstentions or "withheld" votes will be treated as present and entitled to vote for purposes of determining a quorum, but as unvoted for purposes of determining the approval of matters submitted to the stockholders. Since Delaware law treats only those shares voted "for" a matter as affirmative votes, abstentions or withheld votes will have the same effect as negative votes or votes "against" a particular matter. If a broker indicates that it does not have discretionary authority as to certain shares to vote on a particular matter, such shares will not be considered as present and entitled to vote with respect to that matter.

1. ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides for a classified board of directors, with three classes of directors each nearly as equal in number as possible. Each class serves for a three-year term and one class is elected each year. The Board of Directors is authorized to fix the number of directors within the range of three to fifteen members, and, effective at the 2002 Annual Meeting, the Board size has been set at eight members. John H. Schnatter, Owsley Brown Frazier and Wade S. Oney are the members of the class to be elected at the 2002 Annual Meeting and have been nominated to serve as directors for a three-year term expiring at the annual meeting to be held in 2005. The remaining five directors will continue to serve in accordance with their previous elections. Mr. Frazier was appointed by the Board as a director in July 2001 for a term to expire at the 2002 Annual Meeting.

It is intended that shares represented by proxies received in response to this Proxy Statement will be voted for the nominees listed below, unless otherwise directed by a stockholder in his or her proxy. Although it is not anticipated that any of the nominees will decline or be unable to serve, if that should occur the proxy holders may, in their discretion, vote for a substitute nominee or nominees. Meetings of the Board of Directors

The Board met on nine occasions during 2001. Each director attended at least 75% of the meetings of the Board and the Board committees on which he served during his period of service in 2001.

Committees of the Board of Directors

In addition to an Executive Committee, which is comprised of John Schnatter, Charles Schnatter and Richard Sherman, the Board of Directors has standing Compensation, Audit and Nominating committees.

Compensation Committee. The Compensation Committee is comprised of Messrs. Gaunce and Laughery. The functions of the Compensation Committee are to review and approve annual salaries and bonuses for all corporate officers and management personnel; review, approve and recommend to the Board of Directors the terms and conditions of all employee benefit plans; and administer the 1993 Stock Ownership Incentive Plan and the 1999 Team Member Stock Ownership Plan. The Compensation Committee met five times in 2001. See "COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION."

Audit Committee. The Audit Committee is comprised of Messrs. Frazier, Laughery and Pierce. The functions of the Audit Committee are to recommend annually to the Board of Directors the appointment of the independent auditors of the Company, discuss and review the scope and the fees of the prospective annual audit and review the audit results with the independent auditors, review and approve non-audit services of the independent auditors, review compliance with accounting and financial policies of the Company, review the adequacy of the financial organization of the Company and review management's procedures and policies relative to the adequacy of the Company's internal accounting controls and compliance with federal and state laws relating to accounting practices. The Audit Committee met four times in 2001. See "AUDIT COMMITTEE REPORT."

Nominating Committee. The Nominating Committee is comprised of Messrs. Gaunce, Laughery and Pierce. The principal functions of the Nominating Committee are to recommend to the Board nominees for director to be elected by the Company's stockholders or elected by the Board to fill vacancies, and nominees for selection to membership on the Board's various committees. The Nominating Committee recommended Mr. Frazier's appointment to the Board in July 2001 as well as the nominations of Messrs. John Schnatter, Frazier and Oney for election to the Board at the 2002 Annual Meeting.

Compensation of Directors

In April 2001 the Board adopted a compensation program for non-employee directors (the "Director Compensation Program"), providing for cash compensation based on attendance at Board and committee meetings. Under the terms of the Director Compensation Program, non-employee directors receive a fee of \$5,000 for each Board meeting attended in person and \$1,000 for telephonic participation. Non-employee Board committee members receive \$500 for participating in each committee meeting, but no additional compensation for participating in committee meetings scheduled in conjunction with Board meetings.

In July 2001 the Board adopted an amendment to the Company's 1993 Stock Option Plan for Non-Employee Directors (the "Director Option Plan"). The amendment provides that no grants or awards of options under the Director Option Plan shall be made to a non-employee director if the

7

Company has in effect any other director compensation program applicable to such director (other than for reimbursement of expenses), unless the compensation program specifically provides otherwise. The Director Compensation Program does not provide that any options may be awarded under the Director Option Plan to a director compensated under the Director Compensation Program. Non-employee directors who serve on the Executive Committee of the Board and are not compensated under the Director Compensation Program receive an annual award of 7,500 options under the Director Option Plan.

If Director Option Plan grants were permitted by the Director Compensation Program, non-employee directors who do not otherwise hold options to purchase shares of Common Stock upon their initial election to the Board of Directors would be awarded options to purchase 27,000 shares of Common Stock upon joining the Board. Each non-employee director (regardless of option ownership) would then be eligible to receive options for an additional 13,500 shares after each three years of continuous Board service.

Non-employee directors also receive reimbursement of reasonable out-of-pocket expenses incurred in connection with their attendance at Board and committee meetings. Directors who are employees of the Company do not receive additional compensation for services rendered as a director.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following report includes a discussion of the Compensation Committee's philosophy on executive compensation, the primary components of the Company's compensation program and a description of the Chief Executive Officer's compensation package during 2001. The Committee held five meetings during fiscal year 2001.

Compensation Principles. The Compensation Committee is responsible for advising the Board of Directors on matters relating to the compensation of the Company's executive officers and administering the Company's incentive compensation and stock option plans. The Committee believes the following principles are important in compensating executive officers:

- Base compensation awarded by the Company should be effective in attracting, motivating and retaining key executives.
- Incentive compensation should be awarded based on the achievement of identified goals for the Company, as well as on individual scope of responsibilities and performance.
- Executive officers should have an equity interest in the Company to encourage them to manage the Company for the long-term benefit of stockholders.

The Company's executive officers are compensated through a combination of salary and, from time to time, bonuses and stock option awards. Each form of compensation is discussed below.

Annual Salary. The Committee reviews salary levels of the Chief Executive Officer and the Company's other officers on an annual basis, and makes adjustments as appropriate or necessary to keep employees motivated. In February 2001, in connection with the restructuring of certain management positions, the Committee approved executive salaries for 2001 based upon market pricing information, together with consideration of each officer's scope of responsibilities and individual performance, as well as the importance of the position to the implementation of the Company's strategies. The Committee also considered the recommendations of the Chief Executive Officer with respect to the salary levels of other executive officers.

Bonus Program. In February 2001, the Committee approved a new Management Incentive Plan (the "Incentive Plan") designed to reward executive and other officers and certain management personnel for the achievement of certain corporate goals. For 2001, the Committee established target funding levels for the Incentive Plan based upon the Company's earnings per share of common stock. The Incentive Plan contemplates aggregate quarterly and annual incentive "pools," each calculated for 2001 based upon the Company's earnings per share exceeding each quarterly or annual target. A prescribed formula is used to allocate the Incentive Plan pools among participants, including executive officers, based primarily upon the relative strategic importance of the participant's position in the Company. Individual Incentive Plan awards may be reduced to reflect individual performance.

During 2001, certain officers and employees within the Company's restaurant operations, development and commissary areas, including one executive officer, were eligible to receive bonuses based on the attainment of operational goals during the fiscal year. The operational goals include targeted sales and profits at the restaurant or commissary level, or on a Company-wide basis, depending upon the employee's position, or the development or opening of a targeted number of Company-owned or franchised restaurants.

Stock Option Awards. In February 2001, the Committee approved stock option awards under the Company's 1999 Team Member Stock Ownership Plan to certain officers, including all executive officers, based upon recommendations from the Chief Executive Officer in light of overall performance and the scope and strategic importance of their responsibilities. Option shares equal to 55% of each total award vested in November 2001; the options will become exercisable with respect to the remaining

11

shares in three annual installments of 15% each, commencing November 2002. One executive officer also received a stock option award in 2001 upon commencement of his employment with the Company; that option vests in five annual installments of 20% each.

Compensation of Chief Executive Officer. The Committee determined the salary, bonus and stock option awards received by John H. Schnatter, Founder, Chairman of the Board, Chief Executive Officer and President of the Company, for services rendered in 2001.

In January 2001, the Board of Directors appointed Mr. Schnatter to the additional position of President of the Company. Based upon market pricing information, consistent with the compensation policies and components described above, and in light of Mr. Schnatter's increased scope of responsibilities, in February 2001 the Committee approved an increase in his base annual salary to \$701,000.

Mr. Schnatter received a total of \$112,172 under the Incentive Plan in 2001. Payments were made to Incentive Plan participants, including Mr. Schnatter, based upon the Company's earnings per share exceeding target levels established by the Committee for two quarters of the Company's fiscal year. The Company did not exceed the Committee's earnings per share targets for the remaining two quarters, or for the full fiscal year 2001; accordingly, no quarterly or annual payments were made under the Incentive Plan for those periods.

The Committee approved a stock option award to Mr. Schnatter for 20,000 shares in 2001, the same level of award made to each of the executive officers named in the Summary Compensation Table.

OBRA Deductibility Limitation. The Omnibus Budget Reconciliation Act of 1993 ("OBRA") limits the deduction by public companies of compensation of certain executive officers to \$1 million per year, per executive officer, unless certain criteria are met. It is the Company's policy to comply whenever appropriate and possible with the requirements of OBRA applicable to the qualification of any such compensation for deductibility, and the Committee continues to review issues relating to this compensation deduction limitation.

AUDIT COMMITTEE REPORT

Securities and Exchange Commission rules that took effect in 2000 require that for all votes of stockholders the proxy statement include a report of the Audit Committee addressing several matters identified in the rules. In addition, the SEC requires that any written charter adopted by the Audit Committee be included as an attachment to the proxy statement at least once every three years. The Audit Committee adopted an updated written charter in 2000, a copy of which was included in the proxy statement issued in connection with the Company's 2001 annual meeting of stockholders.

Under its charter, the Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the consolidated financial statements and the financial reporting process, including the systems of internal controls. The Company's independent auditors, Ernst & Young LLP, are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report on those financial statements.

In fulfilling its oversight responsibilities, the Committee reviews the consolidated audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements. The Committee has reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by Statement on Auditing Standards (SAS) No. 61 (Communication with Audit Committees). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board (ISB) Standard No. 1 (Independence Discussions with Audit Committees), and considered the compatibility of nonaudit services with the auditors' independence.

The Committee held four meetings during fiscal year 2001. The Committee discussed with the Company's independent auditors the overall scope and plans for their audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. Additionally, the Committee's Chairman, as a representative of the Committee, corresponds with the independent auditors prior to public release of the Company's quarterly earnings announcement.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, the inclusion of the audited consolidated financial statements in the Annual Report on Form 10-K for the year ended December 30, 2001, for filing with the SEC. The Committee and the Board have also recommended, subject to shareholder approval, the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 29, 2002.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Immediately prior to its initial public offering of Common Stock in 1993, the Company's Board of Directors adopted a policy requiring that all future transactions with affiliates be on terms comparable to those that the Company could obtain from unaffiliated third parties. In addition, the policy requires that all

such transactions be approved by a majority of the members of the Board who are not officers or employees of the Company and who do not have an interest in the transaction.

The current members of the Compensation Committee, Messrs. Gaunce and Laughery, are franchisees of the Company. Set forth below is a description of transactions during the Company's last fiscal year involving these directors, as well as other directors and executive officers of the Company.

Franchise and Development Arrangements

Prior to the Company's initial public offering of Common Stock in 1993, certain executive officers and directors of the Company acquired equity interests in entities that were franchisees of the Company and that had rights to develop Papa John's restaurants. Certain of the entities acquired development rights at reduced development fees and also pay a reduced franchise fee when each restaurant is opened. However, such entities pay royalties at the same rate as other franchisees. The Company has entered into additional franchise and development agreements with non-employee directors and executive officers of the Company and entities in which they have an equity interest, and may continue to do so in the future. It is expected that any such arrangements will be on terms no more favorable than with independent third parties.

Set forth below is a description of franchise and development arrangements between the Company and entities in which the Company's executive officers and directors, as well as their immediate family members, have an equity interest as of the end of the fiscal year or had an equity interest prior to an acquisition of the entity, and the amount of franchise fees, development fees and royalties earned by or paid to the Company from such entities during the last fiscal year. Such entities also purchase various food and other products from the Company's commissary system and may purchase from the Company the equipment and other items needed to open a Papa John's restaurant. All such purchases and sales are made on terms and at rates identical to those that may be obtained from the Company by an independent franchisee.

Franchisee Loan Program

Since 1996, Capital Delivery, Ltd., a wholly owned subsidiary of the Company, has extended loans to selected franchisees from time to time for use in the construction and development of their restaurants. Loans under the program bear interest at fixed or floating rates, and are generally secured by the fixtures, equipment, signage and, where applicable, the land of each restaurant, the ownership interests in the franchisee and, in certain circumstances, guarantees of the franchisee owners. Under the terms of a typical applicable loan agreement, interest only is payable over the term of the loan, generally 12 to 24 months; thereafter, if the loan is not in default, the franchisee may convert the loan to a term loan with principal and interest payable monthly, amortized over a four- to six-year term.

Set forth below is a description of franchisee loan transactions between Capital Delivery, Ltd., and entities in which the Company's executive officers and directors, as well as their immediate family members, have an equity interest; the largest aggregate amount outstanding during 2001; and the amount outstanding and the applicable rate of interest on such loans as of March 15, 2002.

Employment Agreement

Wade Oney served as Chief Operating Officer of the Company from 1997 until he relinquished that position in 2000. Mr. Oney remains a director and franchisee of the Company, and continues to serve as an employee working on special projects. Under the terms of Mr. Oney's arrangement with the Company, he receives an annual salary of \$75,000 and is eligible to earn an annual bonus of up to \$25,000.

Consulting Agreement

The Company and Mr. Sherman are parties to a 1991 consulting agreement, as amended (the "Consulting Agreement"), pursuant to which the Company pays Mr. Sherman a monthly consulting fee of \$12,000, and provides him with group health insurance. The total amount paid to Mr. Sherman in 2001 under the Consulting Agreement was \$144,000, and the value of group health benefits provided to Mr. Sherman in 2001 was \$3,184. Mr. Sherman is also entitled to compensation at a rate of \$157 per hour for each hour of consulting service provided in excess of 30 hours per month. After termination of the Consulting Agreement, Mr. Sherman has agreed not to compete with the Company in any capacity for a period of twelve months, and in any business that offers pizza on a delivery basis anywhere in the United States for a period of two years.

Other Transactions

During 2001, John Schnatter, the Company's Founder and Chief Executive Officer, earned from Papa John's Marketing Fund, Inc. (the "Marketing Fund"), a total of \$60,341 for the use of his image and services in the production and use of certain electronic and print advertisements. Mr. Schnatter's minor children also earned a total of \$1,436 from the Marketing Fund for the use of their images and services in certain advertisements. The Marketing Fund, a nonprofit corporation formed primarily to support local, regional and national marketing efforts of the Company and its franchisees, is funded by assessment of a percentage of sales generated by both Company-owned and franchised restaurants. Included in the amount earned by Mr. Schnatter in 2001 from the Marketing Fund were \$37,500 as a retainer, which was discontinued during 2001, and \$22,841 for residuals from the broadcast of certain television commercials in which he appeared. The Company has guaranteed up to \$3.0 million of external bank borrowings by the Marketing Fund. In 2001, Company-owned restaurants contributed 24.7 percent of the total contributions to the Marketing Fund from all Papa John's restaurants.

During 2001, the Company paid \$442,712 to Hampton Airways, Inc. ("Hampton"), for charter aircraft services. Included in the amount paid to Hampton is \$25,101 for use of a charter aircraft

17

owned by RFS Aviation Corporation ("RFS"). Hampton's sole shareholder is John Schnatter. RFS's sole shareholder is Richard F. Sherman. The Company believes the rates charged to the Company were at or below rates that could have been obtained from an independent third party for similar aircraft.

Effective December 27, 1999, the Papa John's Franchise Advisory Council, an advisory group including Papa John's franchisees that meets periodically to discuss issues of importance to the Company and its franchisees, initiated a program that allows the cost of cheese to Papa John's restaurants to be established on a quarterly basis. Certain franchisees of the Company formed a corporation, BIBP Commodities, Inc. ("BIBP"), that purchases cheese at the prevailing market price and sells it to the Company's distribution subsidiary, PJ Food Service, Inc. ("PJFS"), at a fixed quarterly price based in part upon historical average market prices. PJFS in turn sells cheese to Papa John's restaurants at a set quarterly price. The purchase of cheese by PJFS from BIBP is not guaranteed. Capital Delivery, Ltd., a wholly owned subsidiary of the Company, has made available a \$7.6 million line of credit to BIBP to fund cash deficits as they may arise; as of March 15, 2002, no extensions of credit under the line were outstanding. The Company has guaranteed up to \$2.0 million of external bank borrowings by BIBP. Among the shareholders of BIBP are the following: Wade Oney (9.09%), a franchisee entity owned in part by Michael Pierce (9.09%), a franchisee entity owned in part by Wayne Gaunce (18.18%), and a franchisee entity owned in part by Richard Sherman and Jack Laughery (18.18%). BIBP has paid its shareholders a total annual dividend equal to eight percent of each shareholder's initial investment; payment of future dividends is at the discretion of BIBP's board of directors and will depend upon the financial condition of BIBP and general business conditions.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of the Company's Common Stock, to file stock ownership reports and reports of changes in ownership with the Securities and Exchange Commission. Based on a review of these reports and written representations from the reporting persons, the Company believes that all applicable Section 16(a) reporting requirements were complied with for all Common Stock transactions in 2001.
