Papa John's Greets Summer with Greek Pizza, the Flavorful Fan Favorite Straight from the Mediterranean

The Greek Pizza is back at Papa John's for only \$12;

Add all-new Garlic Knots for only \$5

LOUISVILLE, Ky.--(BUSINESS WIRE)-- Want a taste of the Mediterranean this summer? Papa John's customers don't have to go far because the pizza giant is letting its customers take their taste buds to the Greek Isles by bringing back a fan favorite, the Greek Pizza.

And, as an added bonus that is sure to delight fans of both its fresh, never frozen, original dough and signature garlic sauce, Papa John's is continuing to offer its shareable Garlic Knots for \$5.

This limited-time offer starts May 25 and lasts through June 28. The delicious Greek Pizza features Papa John's fresh, never frozen, original hand-tossed pizza dough and is layered with both its signature pizza sauce and rich basil pesto. Next, it's topped with ripe black olives, fresh Roma tomatoes, premium pepperoni, feta cheese crumbles and Mozzarella, and garnished with banana peppers.

"When Papa John had the idea to combine fresh, Greek flavors onto a pizza last year, we knew it was going to be huge. And then our customers loved it, too, so we had to bring it back," said Bob Kraut, Papa John's chief marketing officer. "The Greek Pizza is the perfect combination of our commitment to providing high-quality ingredients *and* raising the bar on taste—from the feta to the basil pesto to the classic Papa John's toppings and flavors our customers expect."

In addition to snagging a Greek Pizza, Papa John's customers can still order its all-new Garlic Knots—eight knots made from fresh, never frozen, dough, oven baked and sauced with Papa John's delicious, signature garlic parmesan sauce and paired with pizza sauce for dipping.

For those who want a sweet treat, Papa John's will also continue to offer the decadent family-sized Double Chocolate Chip Brownie—cut into nine squares and served warm—for \$6.

The Greek Pizza and Garlic Knots will be available at participating Papa John's restaurants nationwide, and can be ordered online at www.papajohns.com or through Papa John's mobile ordering app for iPhone and Android devices.
